95% of the Pianos used in colleges, convents and conservatories throughout Canada are

HEINTZMAN PIANOS

In the tonal range of the Heintzman Piano, made by Ye Olde Firme, each note of the human voice finds its perfect complement, sustaining it with sympathetic sweetness and flawless purity. This is why Tetrizzini and so many other world-famous singers insist on having a

HEINTZMAN & CO. ART PIANO

at their concerts on their Canadian appearances, and the beauty of it is that this tone is permanent—does not deteriorate with age—whether it be a Grand, Upright or Player Piano. It is its superior excellence which produces the universal admiration for this.
