# PLEASE STICK A PIN HERE.

We think we are safe in saying two things, viz.:-

That you cannot get a better selection in Exclusive Styles of Scotch, English, Tweeds, and Worsted.

## YOU'VE NEVER HAD

A better chance to get a PERFECT, NOBBY FIT than our Chicago Cutter will make you.

—IN—

## Merchant Tailoring, A PERFECT FIT

Is what is always guaranteed to our customers, be they big or little, stout or lean, stoop shouldered or straight, man, youth, or boy. You are equally sure of getting garments that are

**Good in Material, Reliable in make, and New in Style,**

At less money than at Exclusive Tailoring Establishments.

### It Stands to Reason!

That we can afford to **UNDERSELL** tailors. We have not to depend on one branch as they have. When tailoring is slack other branches of our

THE

Goldsmith Bryant & Stratton Business University

DETROIT.

Possesses facilities superior to those of any similar institution.

**It has** the finest suit of rooms, centrally located, in the large and rapidly growing metropolis of Michigan.

**It employs** a full corps of able and experienced teachers.

**It has** the most thorough and practical course of study, which is carefully graded, beginning with the most simple and gradually leading the student through the most complicated forms of accounts.

**It introduces** all the modern short and rapid methods of bookkeeping and commercial calculations.

**It uses** the counting house system of actual business, requiring a bank, commission houses, wholesale house, transportation and insurance offices, and of trade, etc.

**It transacts** mercantile, commission, transportation and banking business, with the actual business departments of the Bryant & Stratton Business Colleges, located in New York, Rochester, Cleveland, Chicago, and other distant cities, thus practically illustrating business as it occurs daily among business men.

**Ask the Business Men** of Detroit about this institution; they have employed and tested hundreds of its graduates, and no better judges of its merits can be found.

IT IS HEADQUARTERS FOR A THOROUGH, PRACTICAL BUSINESS EDUCATION.

It is very seldom that we find a young man having a good business education out of employment. We do not mean half an education, such as is received at one of the so-called business colleges, but one who has been through a downright thorough course, such as you will receive at The Goldsmith (B. & S.) Business University is the leading business college of the Northwest, which fact is vouched for by many successful business men of to-day, who owe their first upward step in life to the above university. Young men, do not make a mistake by first trying inferior colleges. If you are a good, practical, business education, commence and go through a complete course at The Goldsmith (B. & S.) of Detroit, which is acknowledged to be the best and most thorough University in the West. —*International Hotel Reporter*.

# PREFACE.

---

In presenting to our patrons and the public, our first issue of the Essex, Kent and Lambton Farmers' and Classified Business Directory, we beg to state that we have spared neither pains or expense in collecting and compiling the information for the work and trust that it will prove to be what we intended, and believe we have succeeded in making it, viz: the best work of the kind ever published in the Province.

The Farmers' Directory will be found a very important feature of this work, as the name, post-office address, number of concession and lot, and whether freeholder or tenant, of each farmer is given. The Classified Business Directory will be found complete, giving the correct post-office address of every person carrying on business in the three counties.

Absolute freedom from errors has seldom or never been attained in Directories, or any other publications, and while we may not claim that ours is an exception to the general rule, we have no hesitation in saying that the errors and omissions, if any are found, will be few and unimportant.

We thank those who have kindly afforded information and assistance, and the many business men who have given the work their support, and congratulate the people upon the substantial revival of business in every section of the country.

Respectfully,

UNION PUBLISHING CO.,

*Publishers.*

# WOODSTOCK COLLEGE,

WOODSTOCK, ONTARIO.

---

During the last three years this College has undergone a thorough re-organization. In that time the attendance has doubled, a large endowment has been secured, and many thousands of dollars have been expended in improvements, all of which have enabled the management so to increase the efficiency of every department that the school now stands unrivalled among similar institutions. The organization includes the following:—

## Collegiate Course.

This course is equal to that of many Colleges with degree granting powers. The following work receives special attention:—Preparation of students for Matriculation into any College in Ontario, or into McGill, Montreal; into the schools of Law, Medicine, and Civil Engineering; for non-professional examinations for public school teachers, etc.

## Ladies' College.

While ladies are admitted to all the courses of the College on equal terms with gentlemen, yet special courses for them are provided in which they may have all the advantages of study under a large staff of able and experienced teachers, and at the same time follow their tastes in the class of work undertaken.

## Commercial College.

The Woodstock Commercial College now stands among the leading Commercial Colleges of the continent. None more thorough or complete. Our premises have been thrice enlarge in three years, and are now fitted up with all the most recent improvements. There shall be no Commercial College in Canada better than this. Terms very moderate.

## Boys', or Preparatory School.

We can receive a limited number of boys from twelve, and ensure wise safeguards and careful instruction.

ELECTROTYPE &amp; STEREO TYPE

FOUNDRY.

27 ADELAIDE STREET, EAST.

TORONTO,

ONTARIO.

A LONG FELT WANT SUPPLIED.

It being a universal remark, that Electrotyping cannot be done in Canada as well as in the United States, or England, on account of insufficient experience in the Art of Moulding, which is the Key-branch of the Profession, I take great pleasure in notifying Printers, Publishers, and others, that I have at last overcome the above difficulty, by securing the services of

Mr. Wm. Grant, of Boston, Mass.,

a well-known American Electrotyping Moulder of 18 years' experience in the United States.

I would also inform you that I have added the latest American Improved Electro Moulding Press, also a Steam Drying Press, for Sterotyping purposes, doing away with the slow and injurious process of drying by coal fires, which has been the means of destroying so much valuable type.

The services of a most efficient staff of competent finishers have been secured, which will enable me to carry out orders promptly, and give every satisfaction.

Soliciting your patronage, I remain,

Respectfully yours,

ROBERT SMITH.
