VOL. XIII.

UNION PUBLISHING CO'Y, INGERSOLL, ONT.

PREFACE.

The publishers in presenting the fourteenth edition of their Business and Farmers' Directory for the counties of Essex, Kent and Lambton have endeavored to merit the approval of the public by presenting a work that will be found one of the most complete of the kind ever published in the district. It will be found to contain more information of a nature valuable to business men of all branches than any other publication heretofore placed in the hands of the people

Among the contents will be found the name of each farmer and owner or tenant of a lot outside the limits of each city, town or village with post office, lot and concession, a complete list of towns, with the business men alphabetically arranged, also a separate list of business people classified with reference to their business.

Thanking those who have kindly given us information, also the business people and the public generally who have given the work their support, we remain.

Respectfully yours,

UNION PUBLISHING CO., OF INGERSOLL,
