BY-LAWS OF THE TOWNSHIP OF RALEIGH.

No. 508—A BY-LAW

appropriate certain sums of money for the improvement of the Roads and Bridges in Township of Raleigh.

Be it enacted by the Municipal Council of the Corporation of the Township of Raleigh, in the County of Kent.

1. That the following sums be and they are hereby appropriated for the improvement of the Roads and Bridges in the Township of Raleigh, that is to say :

- In the First Rural Road Division, the sum of Three Hundred Dollars,
- In the Second Rural Road Division, the sum of Three Hundred Dollars.
- In the Third Rural Road Division, the sum of Three Hundred Dollars.
- In the Fourth Rural Road Division, the sum of Three Hundred Dollars.
- In the Fifth Rural Road Division, the sum of Three Hundred Dollars.

And that the Commissioners of the said R. R. Divisions respectively expend the same: On the Town Lines between the Town of Chatham and Raleigh the sum of Twenty dollars, and that G. H. Dolsen be Commissioner to expend the same.

On the Town Line between Raleigh and Harwich, the sum of One Hundred dollars, and that T. L. Pardo be Commissioner to expend the same.

On the Town Line between Raleigh and Tilbury East, from the centre of the Eighth section, northerly to the River Thames, the sum of Fifty dollars, and that E. S. Dyke be Commissioner to expend the same.

On the Town Line between Raleigh and Tilbury East, from the centre of the Eighth section southerly to Lake Erie, the sum of Seventy-five dollars, and that Levi B. Marshall be Commissioner to expend the same. Providing always that the next four succeeding amounts are appropriated conditionally on the adjoining municipalities appropriating equal amounts for the said purposes respectively.

2. That the following sums accruing from Statute Labor tax be expended in the State Labor Divisions from which the same was collected as reported by the Clerk, that is to say :

- In the First Rural Road Division, the sum of One Hundred and Ten 70-100 dollars.
- In the Second " " the sum of Ninety-seven dollars.
- In the Third " " the sum of sixty-one dollars.
- In the Fourth " " the sum of twenty-five dollars.
- In the Fifth " " the sum of twenty-three dollars.

And that the Commissioners of Rural Road Divisions superintend the expenditure the same in their respective divisions.

3. That it shall be the duty of the said Commissioners so appointed, to expend the same hereinbefore appropriated for the purpose, and in the manner so provided; and they are hereby authorized to grant orders on the Treasurer of this Corporation, to fill contracts thereon, not exceeding the amounts so appropriated for such purposes respectively; less the amounts hereinunder specified as overdrawn by the Commissioners of the preceding year, stating on such order the nature of the work done, and where it was performed. Provided always that no Commissioner shall exceed the amounts hereinbefore appropriated, without having first obtained the consent of the Council, and the Treasurer notified thereof by the Clerk.

4. That it shall be the duty of the Treasurer to charge the respective accounts with the following sums, shown by the Auditors' Report to be overdrawn, viz :

- In Rural Road Division No. 1, \$213.49. In Rural Road Division No. 3, \$21.21.
- In Rural Road Division No. 4, \$12.15.

That Elbert S. Dyke be and he is hereby appointed Commissioner to superintend Pike Drainage and Pumping Works, with the powers contained in the third clause of this By-law.

Read a third time and passed this twenty-third day of April, A. D. 1889.

J. G. STEWART, Clerk.

No. 509—A BY-LAW

Be it enacted by way of loan the sum of \$1900, for the purpose of building a schoolhouse and enlarging the school site, in and for school section number five, of the Township of Raleigh in the County of Kent.

HEREAS, the Public School Trustees of school section number five, in the Township of Raleigh, have, in terms of the one-hundred and twenty-ninth section of "The

Public Schools Act," by requisition dated the sixteenth day of March, A. D. 1889, and certified as having been submitted to and approved by the duly qualified school electors of the said school section, at a special meeting called for that purpose on the twenty-first day of February, A. D. 1889, made application to the Municipal Council of the said Township of Raleigh, to raise by way of loan the sum of one thousand and nine hundred dollars, for the purpose of building a school house and enlarging the school site in and for the said school section.

And whereas, the total amount required to be raised annually by special rate, to discharge the several instalments of principal and interest accruing due on such debt, is the sum of four-hundred and thirty-eight dollars and eighty-five cents.

And whereas, the amount of the whole rateable property in the said school section, according to the last revised Assessment Roll, in the sum of two hundred and fifteen thousand four hundred and ten dollars.

And whereas, there is no existing debenture debt of the said school section.

Therefore, the Municipal Council of the Corporation of the said Township of Raleigh, enacts as follows :

1. That the Mayor and Treasurer of the said Township of Raleigh, may borrow on the credit of the Corporation of the said Township of Raleigh, the sum of one thousand and nine hundred dollars, being the funds required for the purposes hereinbefore recited, together with interest at the rate of 5 per cent. per annum, payable annually, and may issue debentures of the Corporation for that amount, and to cover interest thereon, payable within five years from the date thereof at the Canadian Bank of Commerce, in the Town of Chatham, such debentures to be of the amounts and payable at the times as follows, that is to say :

In 1890, \$343 85,	of Principal, \$95.00,	in Interest, \$438.35	total.
In 1891, 361 05,	"	77.80,	" 438.35 "
In 1892, 370.10,	"	59.75,	" 438.35 "
In 1893, 398.05,	"	40.80,	" 438.35 "
In 1893, 417.95,	"	20.90,	" 438.35 "

2. That for the purpose of paying the said sum of one thousand and nine hundred dollars, and to cover interest thereon at the rate of five per centum per annum for five years, a special rate sufficient to raise the sum of four hundred and thirty-eight dollars and thirty-five cents (\$438.35), shall, over and above all other rates, be levied in the same manner and at the same time as taxes are levied, upon the whole rateable property of the said school section number five for the period of five years after the final passing of this By-law, during which time the said debentures have to run.

3. This By-law shall come into force and take effect on the day of the final passing thereof. Passed in open Council this twenty-third day of April, A. D. 1889.

No. 510—A BY-LAW

To regulate the granting of Licenses and limiting the number thereof to be granted in the Township of Raleigh, in the County of Kent.

WHEREAS, in consequence of the repeal of the "Canada Temperance Act," in the County of Kent, it is expedient to provide for regulating the number of licenses, and the amount for which the same shall be granted in the said Township of Raleigh.

Therefore the Municipal Council of the Corporation of the Township of Raleigh, enacts as follows :

1. That the number of licenses to be granted in the Township of Raleigh, shall not exceed three.

2. That the duties to be imposed for Tavern Licenses in the said Township shall be the sum of one hundred and fifty dollars each.

Read a third time and passed this Twenty-third day of April, A. D. 1889.

No. 511—A BY-LAW

To provide for Draining part of the Township of Raleigh by the construction of the Payne Drain, and for borrowing on the credit of the Municipality the sum of \$370.79 for completing the same.

PROVISIONALLY ADOPTED the 23rd day of April, A. D. 1889.

WHEREAS, a majority in number of the owners, as shewn by the last Revised Assessment Roll of the property hereinafter set forth to be benefitted by the construction of the Payne Drain, have petitioned the Council of the said Township of Raleigh, praying that a drain be constructed commencing on lot 21, in the Second Concession by the Eastern Boundary, thence to the 19 and 20 Side Road; thence along said road and across part of lot 19, in the Fifth Concession, to an outlet in the Backus Drain.

AND WHEREAS thereupon, the said Council procured an examination to be made by W. G. McGeorge, P. L. S., being a person competent for such purpose, of the said Drain proposed to be constructed, and has also procured plans and estimates of the work to be made by the said W. G. McGeorge, and an assessment to be made by him of the real real property to be benefitted by such construction, stating as nearly as he can the proportion of benefit which in his opinion, will be derived in consequence of such drainage by every road and lot or portion of lot; the said Assessment so made, being the Assessment hereinafter in this By-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said W. G. McGeorge in respect thereof, and of the said proposed work being as follows:

CHATHAM, 18th April, 1889.

To the Reeve, Deputy-Reeves and Municipal Council of Raleigh:

GENTLEMEN,—We beg to report to your Honorable Body, that we have made an instrumental examination over the course of the proposed Payne Drain, in the Township of Raleigh, and find that the locality is very much in need of the improvement. The Drain will begin on Lot 21, in the 2d Con., E. B. L., a little east of the line of lots 21 and 23, and a little south of the line between the Se $\frac{1}{4}$ and the Nw $\frac{1}{4}$ of said lot, and it will thence run generally southwesterly to the 19 and 20 Side Road, and thence along the westerly side of this Side Road to the south side of the road between the 5th and 6th Concessions W. B. L., and thence along the easterly side of the Side Road to the westerly angle of lot 20, in the 2nd Concession, E. B. L., thence southwesterly and northwesterly in lot 19, in the 5th Concession, W. B. L., to its termination in the Backus Drain. We estimate the cost of the work to be as follows:

From Stake 0 to Stake 10, a distance of 60 rods, at \$1.00 per rod,	\$60.00
" Stake 10 to Stake 20, a distance of 60 rods, at 95c. per rod,	57.00
" Stake 20 to Stake 30, a distance of 60 rods, at 85c. per rod,	51.00
" Stake 30 to Stake 40, a distance of 60 rods, at 75c. per rod,	45.00
" Stake 40 to Stake 50, a distance of 60 rods, at 75c. per rod,	45.00
" Stake 50 to Stake 60, a distance of 60 rods, at \$1.00 per rod,	60.00
" Stake 60 to Stake 74 and 40 ft., a dist. of 86 $\frac{1}{2}$ rods at 46c. per rod,	29.79—\$306.79
To this add for Survey, Plans, estimates, &c.,	50.00
Assistants in Survey	4.00
Printing By-law	\$20 00
Culverts and repairs	50.00
Letting and Superintending,	20.00
Registering By-laws and Debentures,	3.00
Clerk's fees, say	5.00—222.00
Making a total of	\$488.79

This sum we assess as in the annexed Schedule on the lands and roads benefitted and using the drain as an outlet. The drain when completed to be kept in repair and maintained at the expense of the lands and roads assessed for its construction, said lands and roads paying in the same relative proportion as for construction. We have the honor to be, Gentlemen, your obedient servants,

McGEORGE & FLATER.

And whereas, the said Council are of opinion that the work so reported on by the Engineer is necessary and desirable.

Be it therefore enacted by the said Municipal Council of the said Township of Raleigh, pursuant to the provisions of "The Municipal Act," and amendments thereto.

1st. That the said report, plans and estimates be adopted, and the said Drain and the works connected therewith be made and constructed in accordance therewith.

2nd. That the Reeve of the said Township may borrow on the credit of the Corporation of the said Township of Raleigh, the sum of Three Hundred and Seventy Dollars and Seventy-Nine Cents, being the portion of the funds necessary for the work not hereinafter otherwise provided for; and may issue Debentures of the Corporation for that amount and interest, but subject to consolidation, in sums of not less than One Hundred Dollars each, payable within three years from the date thereof with interest at the rate of five per centum per annum, that is to say, in three consecutive annual payments, to be of such amount that the aggregate amount payable for principal and interest in any year shall be equal as nearly as may be to the amount payable for principal and interest during each of the other years of such period of three years; such Debentures to be made payable at the Branch of the Canadian Bank of Commerce in the Town of Chatham.

3rd. That for the purpose of paying the sum of three hundred and seventy 79-100 dollars being the amount charged against the said lands to be benefitted as aforesaid, other than roads belonging to the Municipality, and to cover interest thereon for three years at the rate of five per centum per annum, the following special rates, over and above all other rates, shall be assessed and levied (in the same manner and at the same time as taxes are levied), upon the undermentioned lots and parts of lots, and the amount of the said special rates and interest assessed as aforesaid against each lot or part of lot respectively, shall be divided into three equal parts, and one such part shall be assessed and levied as aforesaid, in each year for three years, after the final passing of this By-law, during which said debentures have no run.

SCHEDULE of Assessment on Lands and Roads in the Township of Raleigh, for the construction of the Payne Drain, for benefit and for outlet.

No. 512—A BY-LAW

Do raise by way of loan the sum of two thousand dollars for the purpose of building a school house required in and for School Section number three, of the Township of Raleigh, in the County of Kent.

Whereas the Public School Trustees of School Section number three, in the Township of Raleigh, have in terms of the one hundred and twenty-ninth section of the "Public Schools Act" by requisition dated the seventh day of May, A. D. 1889, and certified as having been submitted to and approved by the duly qualified school electors of the said school section, at a special meeting called for that purpose on the seventh day of May, A. D. 1889, made application to the Municipal Council of the said Township of Raleigh, to raise by way of loan the sum of two thousand dollars, for the purpose of building a school house required in and for the said school section.

And whereas the total amount required to be raised annually by special rate to discharge the several instalments of principal and interest accruing due on such debt, is the sum of two hundred and fifty-nine 1-100 dollars.

And Whereas, the amount of the whole rateable property in the said School Section, according to the last revised Assessment Roll, in the sum of Two Hundred and Fifty Seven Thousand, Two Hundred and Forty Dollars.

And whereas there is no existing debenture debt of the said school section.

Therefore, the Municipal Council of the Corporation of the said Township of Raleigh, enacts as follows :

1. That the Reeve and Treasurer of the said Township of Raleigh, may borrow on the credit of the Corporation of the said Township of Raleigh, the sum of two thousand dollars, being the funds required for the purpose hereinbefore recited, together with interest at the rate of five per cent. per annum, payable annually; and may issue debentures of the Corporation for that amount, and to cover interest thereon, payable within ten years from the date thereof, at the Canadian Bank of Commerce, in the Town of Chatham; such debentures to be for the amounts; and payable at the times following, that is to say :

Year when due.	Principal.	Interest.	Amount of Debenture
1890.....	159 01	100 00	259 01
1891.....	166 97	92 04	259 01
1892.....	175 31	83 70	259 01
1893.....	184 07	74 94	259 01
1894.....	193 27	65 74	259 01
1895.....	202 94	56 07	259 01
1896.....	213 08	45 93	259 01
1897.....	222 74	35 27	259 01
1898.....	234 93	24 08	259 01
1899.....	246 68	12 33	259 01
	\$2000 00	\$590 10	\$2590 10

2. That for the purpose of paying the said sum of two thousand dollars, and to cover interest thereon at the rate of five per cent. per annum, during the said period of ten years, a special rate sufficient to raise the sum of two hundred and fifty-nine 01-100 dollars, shall over and above all other rates be levied in the same manner, and at the same time as taxes are levied, upon the whole rateable property of the said school section number three, in each and every year for the period of ten years, during which the said debentures have to run.

3. This By-law shall come into force and take effect on the day of the final passing thereof.

Passed in open Council this tenth day of June, A. D. 1889.

J. G. STEWART, Clerk.

T. L. PARDO, Reeve.

NO. 513—A BY-LAW

To amend By-law No. 507, entitled "A By-law to appoint certain Municipal Officers, in the Township of Raleigh."

Be it enacted by the Municipal Council of the Corporation of the Township of Raleigh,

1. That By-law numbered 507 be amended and the appointment of certain Municipal Officers confirmed as follows :

That John C. Bell be appointed overseer in Statute Labor Division No. 6, in place of Richard Allen; that Alexander Dolsen be appointed overseer in Statute Labor Division No. 19, in place of R. P. Dolsen; that G. H. Morrison be appointed overseer in Statute Labor Division No. 27, in place of John McCombie; that James Rhodes be appointed overseer in Statute Labor Division No. 29, in place of G. H. Morrison; that John J. Doyle be appointed overseer in Statute Labor Division No. 51, in place of F. W. Wilson; that William Gill be appointed overseer in Statute Labor Division No. 68, in place of Samuel Irving; that Farmer Bennett be appointed poundkeeper in R. R. Division No. 1, in place of Thomas Irwin; that Joseph Sharon be appointed overseer in Statute Labor Division No. 67, in place of John Sullivan; that Geo Johnston be appointed poundkeeper in R. R. Division No. 5, in place of William Hamlet.

2. That Statute Labor Division No. 30 be abolished and that lots 16 to 18 in said division be added to Statute Labor Division No. 29; and that lots 19 and 20 in said division be added to Division No. 31.

Passed in open Council, this twenty fourth day of June, A. D. 1889.

J. G. STEWART, Clerk.

[SEAL]

T. L. PARDO, Reeve.

BY-LAW No. 514

As amended by 520. A By-law to provide for the Repair of the Stewart Drain in the Township of Raleigh, in the County of Kent, and for borrowing on the credit of the Municipality, the sum of \$479 for completing the same.

Provisionally adopted the 27th day of May, A. D. 1890

Whereas, the Municipal Council of the Corporation of the Township of Raleigh, did on the Twenty-third day of August, A. D. 1875, pass a By-law to provide for the construction of the Stewart Drain, and known as the "Stewart Drain By-law."

And whereas the said drain was completed in terms of the said By-law. And whereas complaint has been made that the said drain has become filled up and in need of repair.

And whereas, thereupon, the said Council procured an examination to be made by W. G. McGeorge, P. L. S., being a person competent for such purpose, of the said locality proposed to be drained, and has also procured plans and estimates of the work to be made by the said W. G. McGeorge, and an assessment to be made by him of the real property to be benefitted by such proposed work, stating as nearly as he can the proportion of benefit which, in his opinion, will be derived in consequence of such proposed work, by every lot or portion of lot; the said Assessment so made being the assessment hereinafter by this By-law enacted to be assessed and levied upon the lots and parts of lots, hereinafter in that behalf specially set forth and described, and the report of the said W. G. McGeorge in respect thereof, and of the said proposed work being as follows:

CHATHAM, 3rd May, 1889.

To the Reeve, Deputy-Reeves and Municipal Council of Raleigh:

GENTLEMEN,—We beg to report to your Honorable Body that we have made an instrumental examination over the course of the Stewart Drain, with a view to having it improved in order to its efficiency. The drain in its present state is quite insufficient, and we recommend that it be enlarged in accordance with the data given on the profile accompanying this report.

The drain begins at a point on the south-easterly side of the road between Concession 5 and Concession 6, of Raleigh, near the middle of the front of lot number two, and thence runs north-easterly along the south-easterly side of said concession road to the Government Drain No. 2, of Raleigh, at the Drake Road.

It will greatly benefit said concession road and the lands on either side.

Our estimate of the cost is as follows:

From Stake 0 to Stake 10, a distance of 60 rods, at \$1.50 per rod.....	\$90 00
“ 10 “ 20, “ “ 1.50 “	90 00
“ 20 “ 30, “ “ 1.25 “	75 00
“ 30 “ 40, “ “ 1.00 “	60 00
“ 40 “ 50, “ “ 90 “	54 00
“ 50 “ 60, “ “ 90 “	54 00
“ 60 “ 70, “ “ 75 “	45 00
“ 70 “ 80, “ “ 75 “	45 00
“ 80 “ 90, 5½ rods, a distance of 65½ rods, at \$1.05 per rod....	68 50

\$581 50

To this add for survey, Plans, Estimates, &c.....	\$22 50
Assistants in Survey.....	5 25
Publishing By-law.....	20 00
Letting and Superintending.....	25 00
Clerk's fees, say.....	7 00
Registering By-law and Debentures.....	3 00—82 75

Making a total of..... \$664 25

This sum we assess as in the annexed schedule against the lands and roads benefitted and using the drain as an outlet. The drain, when completed, to be kept in repair and maintained at the expense of the lands and roads assessed for the work herein reported on, said lands and roads paying in the same relative proportion as for said work.

(Signed),

MCGEORGE & FLATER.

And whereas, the said Council are of opinion that the work so reported on by the Engineer is necessary and desirable.

Be it therefore enacted by the said Municipal Council of the Township of Raleigh, pursuant to the provisions of “The Municipal Act,” and amendments thereto.

1st. That the said report, plans and estimates be adopted, and the said Drain and the works connected therewith be made and constructed in accordance therewith.

2nd. That the Reeve of the said Township may borrow, on the credit of the Corporation of the said township of Raleigh, the sum of Four Hundred and Seventy-nine Dollars, being the funds necessary for the work not hereinafter otherwise provided for; and may issue Debentures of the Corporation for that amount and interest, in sums of not less than One Hundred Dollars each, payable within five years from the date thereof with interest at the rate of five per centum per annum, that is to say, in five consecutive annual payments, to be of such amount that the aggregate amount payable for principal and interest in any year shall be equal as nearly as may be to the amount payable for principal and interest during each of the other years of such period of five years, such Debentures to be made payable at the Branch of the Canadian Bank of Commerce, in the Town of Chatham.

3rd. That for the purpose of paying the sum of Four Hundred and Seventy-nine Dollars, being the amount charged against the said lands so to be benefitted as afore-

said, other than roads belonging to the Municipality and to cover interest thereon for five years at the rate of five per centum per annum, the following special rates, over and above all other rates, shall be assessed and levied (in the same manner and at the same time as taxes are levied), upon the undermentioned lots and parts of lots, and the amount of the said special rates and interest assessed as aforesaid against each lot or part of lot respectively, shall be divided into five equal parts, and one such part shall be assessed and levied as aforesaid, in each year for five years after the final passing of this By-law during which the said Debentures have to run.

SCHEDULE of Assessment on Lands and Roads in the Township of Raleigh for the improvement of the Stewart Drain for benefit and for outlet, as amended by County Judge.

4th. That the sum of One Hundred and Eighty-five 25/100 Dollars, being the total amount assessed against the said roads of the said Municipality, shall be paid by the Treasurer of this Corporation out of the general funds of the Municipality.

5th. That Elbert S. Dyke be and he is hereby appointed Commissioner to let the contract or contracts for the repairing of the said drain and works connected therewith, by public sale to the lowest bidder (not exceeding the estimate), but every such contractor, with one good and sufficient surety, shall be required forthwith to enter into bonds for the due performance and completion of such contract according to said plans and specifications, and within the time mentioned in such bond (unless otherwise ordered by the Council); and it shall be the duty of the said Commissioner to cause the said works to be made and completed in accordance with such plans and specifications; and to grant orders on the Treasurer to each contractor, less twenty per cent. of the amount due, until the contract is fully completed and duly accepted by the Council; and for the due performance of these and all duties of Commissioner, he the said Commissioner shall be entitled to receive a sum of Twenty Dollars, and shall be held personally responsible for the completion of the work and payment of the money as hereinafter provided.

6th. That this By-law shall be published as provided in Sec. 571, Sub.-Sec. 2, of the Municipal Act, three weeks previous to the final passing thereof, and may be cited and referred to as "The Stewart Drain By-law," and shall take effect on and after the final passing hereof.

Read a third time and passed this Twenty-fourth day of June, A. D. 1889.

J. G. STEWART, Clerk.

(Seal.)

T. L. PARDO, REEVE.

All earth excavated from the drain to be thrown 3 feet outwards from the upper margin of the drain. All fences along the line of the proposed drain to be removed out of contractors' way and replaced by and at the expense of the owners of the land. A culvert shall be constructed across the road between the 14th and 15th Concessions, to be made 4½ feet wide in the clear, and raised up sufficiently high for grading the road properly; to be constructed of good oak or cedar plank on each side, spiked properly to oak or cedar piles, sufficient to support the structure properly, and to contain three oak stringers sufficient to support the covering, which shall be of oak or cedar plank, and the length thereof shall be 18 feet. A similar culvert shall be constructed across the roadway between the 13th and 14th Concessions, only this structure shall be five feet wide in the clear. I have assessed on the lands and roads to be improved in the locality, the necessary amount to cover the expense of construction. When this proposed drain has been fully completed it shall be kept and maintained by an assessment on the lands and roads herein assessed by me for construction, and at the same ratio as I have assessed them.

(Signed),

SHERMAN MALCOLM, D. & P. L. S.

And whereas, the said Council are of opinion that the work so reported on by the Engineer is necessary and desirable.

Be it therefore enacted by the said Municipal Council of the said Township of Raleigh, pursuant to the provisions of "The Municipal Act," and amendments thereto.

1st. That the said report, plans and estimates be adopted, and the said Drain and the works connected therewith be made and constructed in accordance therewith.

2nd. That the Reeve of the said Township may borrow, on the credit of the Corporation of the said Township of Raleigh, the sum of Nine Hundred and Eighty-seven Dollars, being the funds necessary for the work not hereinafter otherwise provided for; and may issue Debentures of the Corporation for that amount and interest, in sums of not less than One Hundred Dollars each, payable within five years from the date thereof with interest at the rate of five per centum per annum, that is to say, in five consecutive annual payments, to be of such amount that the aggregate amount payable for principal and interest in any year shall be equal as nearly as may be to the amount payable for principal and interest, during each of the other years of such period of five years; such Debentures to be made payable at the Branch of the Canadian Bank of Commerce, in the Town of Chatham.

3rd. That for the purpose of paying the sum of Nine Hundred and Eighty-seven Dollars, being the amount charged against the said lands so to be benefitted as aforesaid, other than roads belonging to the Municipality and to cover interest thereon for five years at the rate of five per centum per annum, the following special rates, over and above all other rates, shall be assessed and levied (in the same manner and at the same time as taxes are levied), upon the undermentioned lots and parts of lots, and the amount of the said special rates and interest assessed as aforesaid against each lot or part of lot respectively, shall be divided into five equal parts, and one such part shall be assessed and levied as aforesaid, in each year for five years after the final passing of this By-law during which the said Debentures have to run.

NO 516—A BY-LAW

To amend By-law numbered 510 entitled "A By-law to regulate the granting of licenses, and limiting the number thereof to be granted in the Township of Raleigh, in the County of Kent."

Whereas, on the twenty-third day of April, A. D. 1889, the Municipal Council of Raleigh did pass a By-law, to provide for imposing a license fee of one hundred and fifty dollars, on all tavern licenses in the said Township. And whereas the License Commissioners have levied the said sum of one hundred and fifty dollars, in addition to the sum required to be paid under the provisions of the "Liquor License Act." And whereas it was the intention of the said Council that the said sum of one hundred and fifty dollars should be inclusive of the sum required to be paid under the said Liquor License Act.

And whereas, in order to remove doubt and to prevent misapprehension, it is expedient to amend the said By-law, and to provide for the refunding of such sums as may have been so overpaid to the said License Commissioners.

Be it therefore enacted by the said Municipal Council of the said Corporation of the Township of Raleigh.

1. That the said By-law numbered 510 be, and the same is hereby amended, by adding to the second clause thereof the words "inclusive of the sum required to be paid under the provisions of the 'Liquor License Act.'"

2. That the sum of ninety dollars, or such sum as may have been paid by the holders of licenses in this Township, in excess of the said sum of one hundred and fifty dollars, be refunded. [Read a third time and passed, this fifth day of August, A. D. 1889.

No. 517—A BY-LAW

To divide the Municipality of Raleigh into Polling Subdivisions for the election of Municipal Officers and Members of the Legislative Assembly of Ontario.

Be it enacted by the Municipal Council of the Corporation of the Township of Raleigh, in the County of Kent, that from and after the passing of this By-law the Municipality of Raleigh shall be divided into Polling sub-divisions for Municipal and Legislative purposes as follows, that is to say:

1. Polling subdivision number One—Shall comprise and consist of all that portion of the Township of Raleigh northwest of the line between the 4th and 5th Concessions W.B.L., and the 1st and 2nd Concessions E.B.L., from lots one to twenty-two inclusive.

2. Polling subdivision number Two—Shall comprise and consist of lots one to twelve inclusive, from the line between the 4th and 5th Concessions to the line between A and 8th Concessions.

3. Polling subdivision number Three—Shall comprise and consist of lots 13 to 19 inclusive, in the 5th, 6th, 7th and A Concession, and lots 20 to 23 inclusive, in the 2nd Concession E.B.L., and lots 20 to 24 inclusive, in the 3rd and 4th Concessions E.B.L.

4. Polling subdivision number Four—Shall comprise and consist of lots 1 to 6 inclusive, from the line between Concessions A and 8, to the line between Concessions 14 and Talbot Road lots.

5. Polling subdivision number Five—Shall comprise and consist of lots 7 to 11 inclusive, from the line between Concessions A and 8, to the line between Concessions 14 and 15 and Talbot Road lots.

6. Polling subdivision number Six—Shall comprise and consist of lots 12 to 19 inclusive, from the line between Concession A and 8 to the line between Concessions 15 and 16 and Talbot Road lots.

7. Polling subdivision number Seven—Shall comprise and consist of lots 20 to 25 in-

clusive, from the line between Concessions 4, E. B. L., and 8, W. B. L., to the line between Concessions 15 and 16:

8. Polling subdivision number Eight—Shall comprise and consist of all lots south-east of the line between Concessions 14 and 15 and Talbot Road lots from lots 1 to 11 inclusive, and the line between Concessions 15 and 16 and Talbot Road lots, from lots 12 to 25 inclusive. No. 518—A BY-LAW

To provide for deepening and enlarging the Backus Drain, in the Township of Raleigh, in the County of Kent, and for borrowing on the credit of the Municipality the sum of \$514.64, for completing the same.

Provisionally adopted the 5th day of August, A. D. 1889.

Whereas on the Eighteenth day of September, A. D. 1884, the Municipal Council of the Township of Raleigh did pass a By-law to provide for the deepening and enlargement of the Backus Drain in the said Township of Raleigh and known as "The Backus Drain By-law." And Whereas the said drain was not completed in terms of the said By-law. And Whereas complaint has been made that the said drain is in need of repair.

And Whereas, also, in consequence of the construction of the Payne Drain, and the waters therefrom finding an outlet and causing an additional body of water to flow into the said Backus drain which was not contemplated in its construction, and for the discharge of which the present capacity of the Backus drain is insufficient, and therefore liable to flood and injure the lands along its course.

And Whereas, it has therefore been deemed expedient to deepen and enlarge the said Backus drain so as to provide a sufficient discharge for the waters so caused to flow into it.

And whereas, thereupon, the said Council procured an examination to be made by W. G. McGeorge, P. L. S., being a person competent for such purpose, of the said locality proposed to be drained, and has also procured plans and estimates of the work to be made by the said W. G. McGeorge, and an assessment to be made by him of the real property to be benefited by such proposed work, stating as nearly as he can the proportion of benefit which, in his opinion, will be derived in consequence of such proposed work, by every lot or portion of lot; the said Assessment so made being the assessment hereinafter by this By-law enacted to be assessed and levied upon the lots and parts of lots, hereinafter in that behalf specially set forth and described, and the report of the said W. G. McGeorge in respect thereof, and of the said proposed work being as follows:

CHATHAM, 10th July, 1889.

To the Reeve, Deputy-Reeves and Municipal Council of Raleigh:—

GENTLEMEN,—Having made an instrumental examination over the route of the Backus drain in the Township of Raleigh, we beg to report to your honorable body that we find the drain much in need of repairs. This drain has not much fall, and runs through a friable soil, very liable to fall and settle in the bottom of the drain until the sides become sodded over with grass, and what we now recommend is that the drain be deepened, with a bottom width of three feet, to the depths given on the profile herewith sent in, leaving the top width the same as at present and sloping uniformly from the top to the bottom, and disturbing the sides where grassed over as little as possible, and casting the excavated earth three feet clear of the sides of the drain. The bottom to have a uniform fall of (1-10) one-tenth of a foot from the line of roots 19 and 20 downwards to the outfall, and not disturbing the tile drain at the head in Lot 20, as Mr. Perry Dolson has notified us of his intention to drain his farm. No half lot 20, by a tile drain to the river, which we consider the best for him. Our estimate of the cost of repairs is as follows:

From sta. 12 to sta. 20, a distance of 48 rods, at 20c. per rod,	\$9 60
" 20 " 30, " 60 " 20c. "	12 00
" 30 " 40, " 60 " 20c. "	12 00
" 40 " 50, " 60 " 20c. "	12 00
" 50 " 60, " 60 " 20c. "	12 00
" 60 " 70, " 60 " 40c. "	24 00
" 70 " 80, " 60 " 50c. "	30 00
" 80 " 90, " 60 " 50c. "	30 00
" 90 " 100, " 60 " 60c. "	36 00
" 100 " 110, " 60 " 75c. "	45 00
" 110 " 120, " 60 " 75c. "	45 00
" 120 " 130, " 60 " \$1 50. "	90 00
" 130 " 140, " 69 " 2 00, "	132 00 \$489 60

To this add for survey, plans, estimates, etc	\$25 00
Assistants in survey	6 00
Publishing By-law	20 00
Letting and superintending	35 00
Clerk's fees, say	6 00
Registering By-law and Debentures	3 00
	95 00

Making a total of.....\$584 60

This sum we assess, as in the annexed Schedule, against the lands and roads benefitted and using the drain as an outlet. The drain, when completed, to be kept in repair and maintained at the expense of the lands and road assessed for the work herein reported on, said lands and roads paying in the same relative proportion as for said work. We have the honor to be, gentlemen, McGEORGE & FLATER.

And whereas, the said Council are of opinion that the work so reported on by the Engineer is necessary and desirable.

Be it therefore enacted by the said Municipal Council of the Township of Raleigh, pursuant to the provisions of "The Municipal Act," and amendments thereto.

1st. That the said report, plans and estimates be adopted, and the said Drain and the works connected therewith be made and constructed in accordance therewith.

2nd. That the Reeve of the said Township may borrow, on the credit of the Corporation of the said township of Raleigh the sum of Five Hundred and Fourteen 64-100 Dollars, being the funds necessary for the work not hereinafter otherwise provided for; and may issue Debentures of the Corporation for that amount and interest, in sums of not less than One Hundred Dollars each, payable within four years from the date thereof with interest at the rate of five per centum per annum, that is to say, in four consecutive annual payments, to be of such amount that the aggregate amount payable for principal and interest in any year shall be equal as nearly as may be to the amount payable for principal and interest during each of the other years of such period of four years, such Debentures to be made payable at the Branch of the Canadian Bank of Commerce, in the Town of Chatham.

3rd. That for the purpose of paying the sum of Five Hundred and Fourteen 64-100 Dollars, being the amount charged against the said lands so to be benefitted as aforesaid, other than roads belonging to the Municipality and to cover interest thereon for four years at the rate of five per centum per annum, the following special rates, over and above all other rates, shall be assessed and levied (in the same manner and at the same time as taxes are levied), upon the undermentioned lots and parts of lots, and the amount of the said special rates and interest assessed as aforesaid against each lot or part of lot respectively, shall be divided into four equal parts, and one such part shall be assessed and levied as aforesaid, in each year for four years after the final passing of this By-law during which the said Debentures have to run.

No. 519—A BY-LAW

To assess and levy rates for County, Township and School purposes for the year 1889.

Be it enacted by the Municipal Council of the Corporation of the Township of Raleigh, in the County of Kent:

1st. That the following sums shall be levied and collected upon and from all the ratable property of the Township of Raleigh for the year of our Lord 1889.

The sum of two thousand eight hundred and forty-two 96/100 dollars, (\$2842.96), is hereby levied upon and shall be collected from all the ratable property of the said Township of Raleigh for the general purposes of the County of Kent for the year 1889, by a rate of 1 14/100 mills in the dollar.

The sum of six thousand two hundred and thirty-six dollars, for the general purposes of the Township of Raleigh, as per Schedule A, hereunto annexed, by a rate in the dollar of 2 1/2 mills.

The sum of four hundred and fifty-six dollars, being a sum equivalent to the Legislative School grant for the year A. D. 1889 (exclusive of the property assessed to certain supporters of Separate Schools), by a rate in the dollar of 21/100 of a mill.

2nd. That the Clerk of this Corporation is hereby required to levy a special rate (over and above all other rates) upon, and which shall be collected from all the ratable property included in each and every School Section the Trustees of which shall furnish him, on or before the 24th day of August, with a written statement signed by the Secretary-Treasurer, and certified by the seal thereof, of the amount required for Public or Separate School purposes in each School Section, such a rate pro rata as will amount to the sum so required, as near as may be; and the Treasurer of this Corporation is hereby authorized and instructed to pay to the order of the Secretary-Treasurer or Trustees of each School Section all moneys so levied and credited to such School Section.

3. That the rates imposed by this By-law shall be collected by the Collector of rates for the said Township of Raleigh, and paid over to the Treasurer of this Corporation in bankable funds, on or before the 14th day of December, A. D. 1889, in so far as the law will enable him so to do; unless otherwise ordered by this Council.

Read a third time and passed this Sixteenth day of September, A. D. 1889.

B. Drain, for roads, \$175.50; Roads and Bridges, \$1500; Miscellaneous, &c., \$1334.

BY-LAW No. 520.

(See By-law No. 514).

No. 521—A BY-LAW

To provide for repairing the Doane Drain and Gilhula Branch Drain in the Township of Raleigh, in the County of Kent, and for borrowing on the credit of the Municipality the sum of \$1060.19 for completing the same.

PROVISIONALLY ADOPTED the 16th day of Sept'r, A. D. 1888

WHEREAS on the fifteenth day of November, A.D. 1876, the Municipal Council of Township of Raleigh did pass a By-law, numbered 295, to provide for the construction of the Doane drain, the outlet for said Drain being the branch of the Gilhula drain.

And Whereas the said drain was completed in terms of the said by-law. And whereas a complaint has been made that the said drain and outlet are in need of repair. And whereas the said Council are required to preserve and maintain the said drain so as fully carry out the conditions contemplated in its construction.

AND WHEREAS thereupon, the said Council procured an examination to be made by W. G. McGeorge, P. L. S., being a person competent for such purpose, of the locality proposed to be drained, and has also procured plans and estimates of work to be made by the said W. G. McGeorge, and an assessment to be made by him on the real property to be benefitted by such proposed work, stating as near as he can the proportion of benefit which in his opinion, will be derived in consequence of such proposed work by every road and lot or portion of lot; the said Assessment made, being the Assessment hereinafter by this By-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said W. G. McGeorge in respect thereof, and of said proposed work being as follows :

CHATHAM, 31st July, 1889.

To the Reeve, Deputy-Reeves and Municipal Council of Raleigh :

GENTLEMEN,—Having under instruction from your Honorable Body made an examination of Doane Drain and Gilhula Drain Branch, with a view to having them repaired. We beg to report that we find these drains very much in need of repair, as they are not now sufficient to do the work they were intended to do, and, although, some work has recently been done on the branch to the Gilhula Drain more is required to be done to make it effective.

The Doane Drain begins on the westerly side of the road between Lots 7 and 6, and on the south side of the road between Concessions 13 and 14, and thence runs along the south-easterly side of Concession Roads, south-westerly to the line of Lots 5 and 6, thence north-westerly along the line of Lots 5 and 6 in the 13th Concession to the road between Concessions 12 and 13, then south-westerly along the south-easterly side of this Concession Road, a distance of about seventy-eight rods to the Gilhula Drain Branch; thence the Gilhula Drain Branch runs north-westerly through Lot 5 in the 12th Concession to the south-easterly side of the Middle Road, then north-easterly along the south-easterly side of the Middle Road about 37 rods, then generally westerly through Lot 5 in the 11th Concession, and in Lot 4 in the 11th Concession to its junction with the Gilhula Drain, in the north half of said Lot 4. The data for work is given on the profile accompanying this report, the excavated earth to be cast two feet clear of drain, and where the drain runs along a road to be spread evenly on the road.

We estimate the cost of the work to be as follows :—

From Stake 0 to Stake 10, a distance of 60 rods, at 50c. per rod,	\$30.00
" Stake 10 to Stake 20, a distance of 60 rods, at \$1.10 per rod.....	66.00
" Stake 20 to Stake 30, a distance of 60 rods, at \$1.30 per rod.....	78.00
" Stake 30 to Stake 40, a distance of 60 rods, at \$1.20 per rod.....	72.00
" Stake 40 to Stake 50, a distance of 60 rods, at \$1.10 per rod.....	66.00
" Stake 50 to Stake 60, a distance of 60 rods, at \$1.10 per rod.....	66.00
" Stake 60 to Stake 70, a distance of 60 rods at \$1.50 per rod.....	99.00
" Stake 70 to Stake 80, a distance of 60 rods, at \$1.25 per rod.....	75.00
" Stake 80 to Stake 90, a distance of 60 rods at \$1.30 per rod.....	78.00
" Stake 90 to Stake 100, a distance of 60 rods, at \$1.00 per rod.....	60.00
" Stake 100 to Stake 110, a distance of 60 rods, at \$1.50 per rod.....	90.00
" Stake 110 to Stake 120, a distance of 60 rods, at \$1.20 per rod.....	72.00
" Stake 120 to Stake 130, a distance of 60 rods, at 90c. per rod.....	54.00
" Stake 130 to Stake 140, a distance of 60 rods at 90c. per rod.....	54.00
" Stake 140 to Stake 150, a distance of 60 rods at 25c. per rod.....	15.00
" Stake 150 to Stake 160, a distance of 60 rods, at 60c. per rod.....	36.00
" Stake 160 to Stake 170, a distance of 60 rods, at 80c. per rod.....	48.00
" Stake 170 to Stake 179 in Gilhula Drain, dis, 54 rods, at 20c. per rod.	10.80—\$289.90
To this add for Survey, Plans, estimates, &c.,	35.00
Assistants in Survey	8.20
Letting and Superintending,	35.00
Clerk's fees, say	12.00
Culverts and repairs	50.00
Publishing By-law	\$25.00
Registering By-laws and Debentures,	3.00—168.20
Making a total of	\$458.00

This sum we assess as in the annexed Schedule against the lands and roads benefitted and using drain as an outlet. The drain when completed to be kept in repair at the expense of the lands and roads assessed for construction. Said lands and roads paying in the same relative proportion as for construction. We have the honor to be, Gentlemen, your obedient servants,

McGEORGE & FLATE

And whereas, the said Council are of opinion that the work so reported on by Engineer is necessary and desirable.

Be it therefore enacted by the said Municipal Council of the said Township of Raleigh, pursuant to the provisions of "The Municipal Act," and amendments thereto

1st. That the said report, plans and estimates be adopted, and the said Drain and the works connected therewith be made and constructed in accordance therewith.

2nd. That the Reeve of the said Township may borrow on the credit of the Corporation of the said Township of Raleigh, the sum of One Thousand and Sixty Dollars and Nineteen Cents, being the funds necessary for the work not hereinafter otherwise provided for; and may issue Debentures of the Corporation for that amount and interest, in sums of not less than One Hundred Dollars each, payable within five years from the date thereof with interest at the rate of five per centum per annum, that is to say, in five consecutive annual payments, to be of such amount that the aggregate amount payable for principal and interest in any year shall be equal as nearly as may be to the amount payable for principal and interest during each of the other years of such period of five years; such Debentures to be made payable at the Branch of the Canadian Bank of Commerce in the Town of Chatham

3rd. That for the purpose of paying the sum of one thousand and sixty 69-100 dollars being the amount charged against the said lands to be benefitted as aforesaid, other than roads belonging to the Municipality, and to cover interest thereon for five years at the rate of five per centum per annum, the following special rates, over and above all other rates, shall be assessed and levied (in the same manner and at the same time as taxes are levied), upon the undermentioned lots and parts of lots, and the amount of the said special rates and interest assessed as aforesaid against each lot or part of lot respectively, shall be divided into five equal parts, and one such part shall be assessed and levied as aforesaid, in each year for five years, after the final passing of this By-law, during which said debentures have to run.

SCHEDULE of Assessment on Lands and Roads in the Township of Raleigh, for the repair of the Doane Drain and Gilhula Branch Drain, for benefit and for outlet.

No. 522—A BY-LAW

To provide for the construction of the Phipps Drain, in the Township of Raleigh, in the County of Kent, and for borrowing on the credit of the municipality the sum of \$1360.00 for completing the same.

Provisionally adopted the 10th day of Sept., A. D. 1890

WHEREAS a majority in number of the owners, as shewn by the last Revised Assessment Roll of the property hereinafter set forth to be benefitted by the construction of the Phipps Drain, have petitioned the Council of the said Township of Raleigh, praying that a drain be constructed on the south side of the line between the Fourth and Fifth Concessions; and a Fap Drain therefrom in or near a certain swale or water-course about the line of Lots 3 and 4, in the Fourth Concession, and that the lands and roads benefitted og using the same as an outlet be assessed therefor.

And Whereas, thereupon, the said Council procured an examination to be made by W. G. McGeorge, P. L. S., being a person competent for such purpose, of the said locality proposed to be drained, and has also procured plans and estimates of the work to be made by the said W. G. McGeorge, and an assessment to be made by him of the real property to be benefitted by such proposed work, stating as nearly as he can the proportion of benefit which, in his opinion, will be derived in consequence of such proposed work, by every lot or portion of lot; the said assessment so made, being the assessment hereinafter by this By-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of said W. G. McGeorge in respect thereof and of the said work being as follows:

To the Reeve, Deputy Reeves and Municipal Council of Raleigh:

CHATHAM, SEPT. 4th, 1890.

GENTLEMEN,—We beg to report to your honorable body that we have in compliance with instructions made an instrumental examination and survey for the drain petition for along the road between the 5th Concession and 4th Conces'n from a point near the Drake Road to a point a little east of and near the outlet to Gov't Drain number one of Tilbury East, without continuing the work to the Tilbury and Raleigh Town Line, as we found that the work of improving the road and draining it west of the Gov't Drain had been let by Mr. Dyke. We also made a survey for a tap drain about the line of lots 3 and 4 from the Catchwater Drain to Jeannette's Creek, through what is known as Robinson's Creek. We have found great difficulty in working a line along the Concession Road for the drain stakes as the timber and brush in clearing have been piled on the road and a heavy growth of small saplings has since grown up and the time taken to get through has been very much more than would have been the case had the road been cleared up or the heavy timber left standing. We find it almost impossible also to correctly locate the line of lots 3 and 4 in the 4th Concession owing to there having been a brush fence made near it, and a very heavy second growth sprung up where the timber was cut and our stakes on the top are located not exactly on the true line, but merely for the purpose of an estimate, and we would recommend that the commissioner placed in charge of the drain be allowed a very liberal commission to look after the work, as it will be very tedious to overlook and it will be necessary for him to get Mr. D. W. Crowe who owns lands on both sides of the tap to go over the ground to locate the line to his wishes and the same level stakes will answer for the work. The drain is quite expensive but it will be the making of the road and will greatly improve the lands in this vicinity and it is a necessary work and will be the outlet for the drainage of the lands enclosed by embankment from the Stewart Drain to Jeannette's Craek, it being contemplated we believe to place an embankment on the west side of the Drake Road which will prevent Drainage in that direction. Our estimates of the cost of the work is as follows:

From Stake	0 to Stake	10, of the Catchwater drain,	60 rods, at \$1.00 per rod,	\$60 00
"	10	" 20, a distance of 60 rods,	at \$1.00 per rod	60 00
"	20	" 30, " "	1.25 "	75 00
"	30	" 40, " "	2.00 "	120 00
"	40	" 50, " "	2.25 "	135 00
"	50	" 60, " "	2.50 "	150 00
"	60	" 70, " "	2.50 "	150 00
"	70	" 80, " "	2.50 "	150 00
"	80	" 94, a distance of 84 rods,	at \$2.50 per rod	210 00
				<u>\$1110 00</u>

TAP DRAIN.

From Stake 0 to stake 15, a distance of 90 rods at \$1.25 per rod.....	\$112 50	
From stake 15 to stake 36 $\frac{1}{2}$, a distance of 127 rods, at \$3.75 per rod ..	476 25	\$588 75
To this add for survey, Plans, Estimates, &c.....	40 00	
Assistants in Survey.....	13 50	
Publishing By-law.....	25 00	
Letting and Superintending.....	60 00	
Clerk's fees, say.....	20 00	
Culvert.....	35 00	
Registering By-law and Debentures.....	3 00	196 50
Making a total of.....		<u>\$1895 25</u>

This sum we assess as in the annexed Schedule. The drain and tap to be kept in repair and maintained at the expense of the Municipality of the Township of Raleigh and of the lands assessed for the construction of the work, said Municipality paying one-tenth of the cost of the repairs, and the lands the other nine-tenths in the same proportion relatively amongst said lands as for construction. We have the honor to be, Gentlemen, your obedient servants,

McGEORGE & FLATER.

And whereas, the said Council are of opinion that the work so reported on by the Engineer is necessary and desirable.

Be it therefore enacted by the said Municipal Council of the said Township of Raleigh, pursuant to the provisions of "The Municipal Act," and amendments thereto.

1st. That the said report, plans and estimates be adopted, and the said Drain and the works connected therewith be made and constructed in accordance therewith.

2nd. That the Reeve of the said Township may borrow, on the credit of the Corporation of the said Township of Raleigh, the sum of One thousand three hundred and sixty Dollars, being the funds necessary for the work not hereinafter otherwise provided for; and may issue Debentures of the Corporation for that amount and interest, in sums of not less than One Hundred Dollars each, payable within five years from the date thereof with interest at the rate of five per centum per annum, that is to say, in five consecutive annual payments, to be of such amount that the aggregate amount payable for principal and interest in any year shall be equal as nearly as may be to the amount payable for principal and interest, during each of the other years of such period of five years; such Debentures to be made payable at the Branch of the Canadian Bank of Commerce, in the Town of Chatham.

3rd. That for the purpose of paying the sum of One thousand three hundred and sixty Dollars, being the amount charged against the said lands so to be benefitted as aforesaid, other than roads belonging to the Municipality and to cover interest thereon for five years at the rate of five per centum per annum, the following special rates, over and above all other rates, shall be assessed and levied (in the same manner and at the same time as taxes are levied), upon the undermentioned lots and parts of lots, and the amount of the said special rates and interest assessed as aforesaid against each lot or part of lot respectively, shall be divided into five equal parts, and one such part shall be assessed and levied as aforesaid, in each year for five years after the final passing of this By-law during which the said Debentures have to run.

SCHEDULE of Assessment on Lands and Roads in the Township of Raleigh, for the construction of the Phipps Drain and Tap, for benefit and for outlet.

NO 523—A BY-LAW

To provide for the construction of the Simpson Drain in the Township of Raleigh, in the County of Kent, and for borrowing on the credit of the Municipality the sum of \$9063 for completing the same.

Provisionally adopted the 30th day of September, A. D. 1889.

WHEREAS a majority in number of the owners, as shewn by the last Revised Assessment Roll of the property hereinafter set forth to be benefitted by the construction of the proposed Simpson Drain have petitioned the Council of the said Township of Raleigh praying that a drain be constructed to commence at the line of lots 9 and 10, thence along the southerly side of the road allowance at rear of Talbot Road lots, to the Town line between Raleigh and Tilbury East, with a tap ditch at centre of lot 163 south-easterly to the outlet of the Goulet drain; thence through said outlet to Lake Erie, and that all the lots from the west half of lot 151 to lot 164, both inclusive, and the road allowance in rear of Talbot Road lots be assessed therefor.

And whereas, thereupon, the said Council procured an examination to be made by Sherman Malcolm, P. L. S., being a person competent for such purpose, of the said locality proposed to be drained, and has also procured plans and estimates of the work to be made by the said Sherman Malcolm, and an assessment to be made by him of the real property to be benefitted by such proposed work, stating as nearly as he can the proportion of benefit which, in his opinion, will be derived in consequence of such proposed work, by every lot or portion of lot; the said assessment so made being the assessment hereinafter by this By-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said Sherman Malcolm in respect thereof, and of the said proposed work being as follows:

The Honorable Municipal Council of the Township of Raleigh in Council:

GENTLEMEN,—In accordance with your instructions I have examined the locality of the Simpson Drain, made plans, planted posts and made estimates of the same, which are herewith handed in; what the Simpson Drain proposes to accomplish is to commence at Stake 0, planted on the west side of the centre line road which divides lot 151 into two equal parts at the southerly limit of the rear road or within three feet of the same, and construct a dam across the westerly ditch or drain of said centre road some 10 or 12 feet northwest of the said stake; thence to construct a drain following along a line within eight feet of the southerly limit of the road in rear of the west half of lot 151, the whole of lots 152, 153, 154, 155, 156, 157, 158, 159, 160, 161, 162 and the east half of lot 163 Talbot Road survey, sufficient to carry the waters off of said lots, and the west half of the centre line road and off of the road in rear of said lots as far as Stake No. 49 (shewn on field plan) which stands within three feet of the rear angle of the centre line of lot 163.

Secondly. To commence and construct a dam across the easterly drain of the west Township line some 12 feet northwesterly of stake 0, planted at that place, and from said stake to construct a drain in a north-easterly direction, along a line 9 or 10 feet from the southerly limit of the road in rear of lot 164 and the west half of lot 163 to stake 49, sufficient to carry off the waters of lot 163, the west half of lot 164, and of the east half of the Town Line, and the rear road to stake No. 49.

Thirdly. To commence again at stake No. 49 and construct a sufficient drain to carry away the waters that may be brought down to said stake, to stake No. 62 at its junction with the Goulet Drain outlet, and also from this last named stake, or point it indicates, so to improve the said outlet or to be able to carry off the waters of the entire block of land and roads embraced by or within the limits of the one half of the Centre Road, from Rear Road to Lake Erie, or ridge near the same, and the rear road from stake 0 at centre line to stake 0 at Town Line (or one half of it) and the east half of the Town Line from stake 0 at Talbot Road.

In order to accomplish this it will be necessary to construct the several sections of this drainage system shewn on the plans attached hereto.

First. The drain commencing opposite stake 0 on the west side of the centre line road shall be made

along five feet northerly of the line of stakes 0 planted from 0 in a southwesterly direction, keeping away northerly said distance to a point indicated by stake No. 14 on the profile, with a bottom width of two feet and six inches and a top width of seven feet, and made various depths shown opposite the places of the stakes marked on the profile (marked section No. 1) from 0 to 14, and shall be made with an even inclination from stake to stake, and the road shall be cleared of all timber and brush, with stumps cut off close to the ground where the earth is to be graded, and all removed from the road for the space of 66 feet wide and the earth excavated from the drain shall be lodged at least three feet if not more northerly of the drain, and graded on the road bed say 14 feet wide.

Thence to stake 49 a drain shall be made with a bottom width of three feet, the depths of the various stakes marked opposite each of them on the profile and have an average top width of ten feet, and be made with an even inclination in and along the bottom of the drain, in order to give the drain all the fall indicated by the stakes on the profile (marked section No. 1) and a space of at least 66 feet wide shall be cleared of all timber and brush with stumps cut off close to the earth, where grading takes place, and all removed from the road, and the excavated earth shall be lodged three feet if not more from the northerly side of the drain and graded on the road bed fit for travelling purposes say 14 feet wide.

Thirdly. The drain to commence opposite stake 0 planted on the easterly side of the west town line, shall be made in a northeasterly direction, along seven feet away northerly from the stakes, to stake No. 49 shall have a bottom width of two feet six inches by eleven feet across the top, cut the various depths marked opposite the places of the stakes shown on the profile (marked 3rd section) and shall be made of an even inclination along the bottom of the drain from stake to stake from 0 to 49, all excavated earth in this section to be placed at least 3 feet, if not more, northerly of the north margin of the drain, when the entire breadth of the road allowance along this section has been cleared of all stumps, timber, brush or rubbish. The earth to be placed and graded on the road bed, making it suitable for travelling purposes.

Fourthly. The drain to commence at stake 49, shall follow the centre line of lot 163 in a southeasterly direction as far as stake No. 62, a distance of 200 rods, to the Goulet Drain Outlet; the centre of the drain to be made along the centre of said line, and shall be made five feet across the bottom by 22 feet on an average across the top, with an average depth of eight feet one inch, or the various depths marked opposite the places of the Stakes on the profile, (marked as Section No. 2), and made with an even inclination in and along the drain bottom, all grubbing necessary to be done for the drain must be done by the contractor or contractors, but the places on either side of the drain to lodge the excavated earth on shall be cleared off by the owners of the lands along the line of the drain on each side thereof, and the excavated earth shall be lodged three feet clear away from the drain margins, and graded back in even proportions 12 feet wide on top of grade; at least the half of the excavated earth shall be placed on the west side thereof and half of it on the easterly side thereof.

And lastly, the drain to commence at Stake No. 62, shall mostly be widened the required width on the northeasterly side of the drain so as not to cut away the places of the stakes which are planted on the westerly side thereof, and shall be made with a bottom width of seven feet and have an average top width of 34 feet, not to be less in any one place than 30 feet and then only as the various depths of the stakes many require more than that breadth to give the drain a proper slope, except the section beginning midway between stakes No. 78 and 79 and extending to stake No. 83, may be made a few feet narrower, say 26 feet wide at top, by seven feet across the bottom, in consequence of its proximity to the gully at the drain mouth which will be capable of clearing itself of all land slides as the volume and velocity of the water will be very greatly increased at that point; to be made the various depths marked opposite the places of the stakes to be found on a portion of the profile (marked section No. 2), and to be given an even inclination in and along the bottom of this section of the drain also; and the excavated earth of this section of this system of drainage shall be placed (the one-third of it) three feet away southwesterly from the southwesterly margin of this part of the drain, and properly graded back for a lane road 15 feet wide, while the remaining two-thirds of the excavated earth in the section shall be lodged three feet clear and further away easterly from the easterly margin of the drain, and graded there sufficiently wide for a lane road at least 18 feet wide; all fences that may be in the way of the operations of the contractors shall be removed by the respective owners.

And when the drain is made and completed it shall be maintained jointly at the expense of the roads and lands herein assessed for the construction thereof.

Two culverts shall be constructed at the rear ends of side roads between lots 158 and 159, and between lots 153 and 154, Talbot Road lots, and a bridge across the drain where it crosses the Talbot Road, the cost of which shall be taken out of the estimates herein.

The following are my estimates for the construction of the Simpson Drain, Raleigh:—	
Section from stake 0 to 14 a distance of 280 rods, will cost including clearing the track and grading earth on road.....	\$ 286 00
Section No. 2 from stake 14 to stake 49 a distance of 689 rods including clearing track and grading the road, will cost.....	1475 00
Section No. 3 from stake 49 to stake 62 a distance of 200 rods, including grubbing and clearing the space for the drain.....	2292 00
Section No. 4 from stake No. 62 to stake No. 83, a distance of 209 rods will cost.....	4450 00
Section No. 5, from stake 0 at west town line to stake 49 a distance of 143½ rods, including clearing and grading the road will cost.....	270 00
For Municipal Clerk, preparing By-law and publication of same.....	100 00
Engineering, assistance, &c.....	80 00
Three culverts will cost.....	80 00
Selling, superintending, receiving and registering By-law.....	100 00
Total.....	\$9063 00

I have the honor to be, gentlemen, your most obedient servant,

Elmhurst, 7th September, 1889.

(Signed)

SHERMAN MALCOLM, D. & P. L. S.

And whereas, the said Council are of opinion that the work so reported on by the Engineer is necessary and desirable.

Be it therefore enacted by the said Municipal Council of the Township of Raleigh, pursuant to the provisions of "The Municipal Act," and amendments thereto.

1st. That the said report, plans and estimates be adopted, and the said Drain and the works connected therewith be made and constructed in accordance therewith.

2nd. That the Reeve of the said Township may borrow on the credit of the Corporation of the said township of Raleigh the sum of Nine Thousand and Sixty-three Dollars, being the funds necessary for the work not hereinafter otherwise provided for; and may issue Debentures of the Corporation for that amount and interest, in sums of

not less than One Hundred Dollars each, payable within ten years from the date thereof with interest at the rate of five per centum per annum, that is to say, in ten consecutive annual payments, to be of such amount that the aggregate amount payable for principal and interest in any year shall be equal as nearly as may be to the amount payable for principal and interest during each of the other years of such period of ten years; such Debentures to be made payable at the Branch of the Canadian Bank of Commerce, in the Town of Chatham.

3rd. That for the purpose of paying the sum of Seven Thousand and Sixty-three Dollars, being the amount charged against the said lands so to be benefitted as aforesaid, other than roads belonging to the Municipality and to cover interest thereon for ten years at the rate of five per centum per annum, the following special rates, over and above all other rates, shall be assessed and levied (in the same manner and at the same time as taxes are levied), upon the undermentioned lots and parts of lots, and the amount of the said special rates and interest assessed as aforesaid against each lot or part of lot respectively, shall be divided into ten equal parts, and one such part shall be assessed and levied as aforesaid, in each year for ten years after the final passing of this By-law during which the said Debentures have to run.

SCHEDULE of Assessment on Lands and Roads in the Township of Raleigh for the construction of the Simpson Drain.

No. 524—A BY-LAW

To appoint an Arbitrator in the matter of appeal by the Corporation of the Township of Harwich, against the Assessment of A. McDonell, P. L. S., levied for the improvement of the Raleigh Plains Drain and Outlet.

Whereas, the Corporation of the Township of Harwich have appealed against the assessment of A. McDonell, P. L. S., for the proposed improvement of the Raleigh Plains Drain and Outlet, in the Township of Raleigh, on the ground that the assessment levied in the said Township of Harwich, is too high, and for other reasons.

And whereas, the Council of the said Township of Harwich have nominated and appointed an arbitrator in the said matter.

Be it therefore enacted by the Municipal Council of the Corporation of the Township of Raleigh, under and by virtue of "The Municipal Act" and amendments thereto :

1. That Robert Fleck, Esquire, of the Township of Moore, in the County of Lambton, be, and he is hereby appointed an arbitrator on behalf of the said Township of Raleigh, to hear, arbitrate upon, and determine all matters so in dispute, between this Corporation and the said Corporation of the Township of Harwich, in reference to the said assessment for the improvement of the Raleigh Plains Drain and Outlet.

Read a third time and passed this fourth day of November, A. D. 1889.

No. 525—A BY-LAW

To appoint Deputy Returning Officers, and to provide Polling places for holding Elections during the year 1890; also, to appoint a place for holding Nominations therefor.

BE IT ENACTED by the Municipal Council of the Corporation of the Township of Raleigh, under and by virtue of "The Municipal Act" and amendments thereto.

1. That in case a poll be demanded by any candidate or elector at the nomination of candidates for the offices of Reeve, Deputy-Reeves and Councillors of the Municipality during the year 1890, the election shall take place and be held in the several polling subdivisions of the Municipality, as provided by law, and at the following places, viz:— In Polling Subdivision No. 1, at the School house in Union School Section No. 6. No. 2, at South School house in S. S. No. 4. No. 3, at Union Hall, on Lot 19 in 6th Con. No. 4, at the School house in Union S. S. No. 5. No. 5, at the house of Jas. Gilhuly, in the Village of Buxton. No. 6, at the Township Hall. No. 7, at the Grange Hall, on Lot 22 in 12th Con. No. 8, at the house of William Little, Lot 142, Talbot road.

2. That the following persons be and they are hereby appointed Deputy Returning Officers to hold any Municipal election required to take place in the several Polling subdivisions as aforesaid during the year 1890. In Polling subdivision No. 1, Robert Williams. In Polling subdivision No. 2, Garrison Shadd. In Polling subdivision No. 3, James Rhodes. In Polling subdivision No. 4, Jas. Phelan. In Polling subdivision No. 5, D. C. Echlin. In Polling subdivision No. 6, S. F. White. In Polling subdivision No. 7, Oliver J. Fuce. In Polling subdivision No. 8, Wheeler DeClute.

3. And it is further enacted, that the public meeting required to take place for the purpose of nominating candidates as aforesaid, at noon on the last Monday of December 1889, shall take place and be held at the Township hall in the said Township of Raleigh on Monday the 30th day of December, A. D. 1889.

Read a third time and passed this 4th day of November, 1889.

No. 526—A BY-LAW

To provide for the construction of the Moore Drain, in the Township of Raleigh, in the County of Keat, and for borrowing on the credit of the municipality the sum of \$397.00 for completing the same.

Provisionally adopted the 9th day of Dec'r, A. D. 1889

Whereas a majority in number of the owners as shown by the last Revised Assessment roll of the property hereinafter set forth to be benefited by the construction of the Moore Drain have petitioned the Council of the said Municipality of Raleigh, praying that a

drain be constructed under the provisions of "The Municipal Act," commencing at the road in rear of the Talbot Road lots; thence northwesterly along the line of lots 8 and 9 in the 15th concession and 14th concession to the line between concessions 13 and 14; and that the lands benefitted be assessed therefor.

And Whereas thereupon, the said Council procured an examination to be made by Sherman Malcolm, P. L. S., being a person competent for such purpose, of the said locality proposed to be drained, and has also procured plans and estimates of the work to be made by the said Sherman Malcolm, and an assessment to be made by him of the real property to be benefitted by such proposed work, stating as nearly as he can the proportion of benefit which in his opinion, will be derived in consequence of such proposed work by every lot or portion of lot; the said Assessment so made being the Assessment hereinafter by this By-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said Sherman Malcolm in respect thereof, and of the said proposed work being as follows:

To the Municipal Council of the Township of Raleigh, in Council assembled.

GENTLEMEN, I have the honor to report that I have examined the locality of the proposed Moore Drain, mentioned in the petition of Alexander Moore and others, asking for drainage in said locality. And I find the said locality much in need of a drain, to enable the proper cultivation of the lands of the same. That I have made a survey, planted stakes, taken levels, made plans, estimates and assessments for the construction of the drain as follows: Commencing at a stake planted (marked 0) just one rod northwest of the road in rear of the Talbot Road lots, and northwesterly from the corner post between lots Nos. 8 and 9 in the 15th concession, just five chains and eighty links; thence northwest 78 $\frac{1}{2}$ rods to stake No. 5; thence southwest 23 rods 3 $\frac{1}{2}$ feet to stake No. 7, planted on the line between lots Nos. 8 and 9; thence northwest along the line between said lots to stake No. 19, planted on the south edge of the Larabee Drain, on the road between the 13 and 14th concessions of the Township of Raleigh, 201 rods to the end of this proposed drain. I have given the size or capacity of the drain proposed in my estimates attached hereto. All fences along the route of the proposed drain, that may prove to be in the way of construction, to be removed and replaced at the expense of the owners of the adjoining lands on either side thereof; my plans, estimates and assessment for the construction of the drain, you will find attached hereto.

And when the proposed drain is made and completed, it shall be kept and maintained, at the joint expense of the land herein assessed for the construction of the same, and in the same relative proportion as herein assessed for the construction thereof. I have the honor to be, your obedient Servant,

Blenheim, 29th November, 1880.

(Sig'd)

SHERMAN MALCOLM, P. L. S.

My estimates for the construction of the Moore Drain are as follows:

1st. Section No. 1 from 0 to stake 5, distance 78 $\frac{1}{2}$ rods; to be made two feet across the bottom, 7 $\frac{1}{2}$ feet across the top, and the various depths marked opposite the places of the stakes from 0 to 5 inclusive, with an even inclination along the bottom; all excavated earth to be lodged three feet away outwards from the upper edges of the drain, and will cost \$60.00.

2nd. From stake No. 5 to No. 7, a distance of 23 rods and 3 $\frac{1}{2}$ feet; to be made 2 $\frac{1}{2}$ feet across the bottom, by seven feet 9 inches across the top, by the depth marked in the places of the stakes Nos. 5, 6 and 7, on the profile attached for the drain, with an even inclination to and along the bottom of the drain; all excavated earth to be lodged three feet northerly of the upper edge of the drain, will cost \$20.00.

3rd. From stake No. 7 to stake No. 19 a distance of 201 rods; to be made three feet across the bottom by 8 feet 9 inches across the top, by the depths marked opposite the places of the stakes on the profile for the said drain, with an even inclination in and along the bottom of the drain; all excavated earth to be lodged three feet away from the westerly side of the drain, will cost \$203.00.

4th. For grubbing trees and extra items, \$30.00. Total for construction, \$313.00.

For By-law, \$25.00; for survey, plans, reports, etc., \$29.00; for other engineering, \$30.00. Total cost, \$397.00.

(Signed),

SHERMAN MALCOLM, D. & P. L. S.

And whereas, the said Council are of opinion that the work so reported on by the Engineer is necessary and desirable.

Be it therefore enacted by the said Municipal Council of the said Township of Raleigh, pursuant to the provisions of "The Municipal Act," and amendments thereto.

1st. That the said report, plans and estimates be adopted, and the said Drain and the works connected therewith be made and constructed in accordance therewith.

2nd. That the Reeve of the said Township may borrow on the credit of the Corporation of the said Township of Raleigh, the sum of Three hundred and ninety-seven Dollars, being the funds necessary for the work; and may issue Debentures of the Corporation for that amount and interest, in sums of not less than One Hundred Dollars each, payable within three years from the date thereof with interest at the rate of five per centum per annum, that is to say, in three consecutive annual payments, to be of such amount that the aggregate amount payable for principal and interest in any year shall be equal as nearly as may be to the amount payable for principal and interest during each of the other years of such period of three years; such Debentures to be made payable at the Branch of the Canadian Bank of Commerce in the Town of Chatham.

3rd. That for the purpose of paying the sum of three hundred and ninety-seven dollars being the amount charged against the said lands to be benefitted as aforesaid, other than roads belonging to the Municipality, and to cover interest thereon for three years at the rate of five per centum per annum, the following special rates, over and above all other rates, shall be assessed and levied (in the same manner and at the same time as taxes are levied), upon the undermentioned lots and parts of lots, and the amount of the said special rates and interest assessed as aforesaid against each lot or part of lot respectively, shall be divided into three equal parts, and one such part shall

be assessed and levied as aforesaid, in each year for three years, after the final passing of this By-law, during which said debentures have to run.

No. 527—A BY-LAW

To appoint certain Municipal Officers in the Township of Raleigh.

Be it enacted by the Municipal Council of the Corporation of the Township of Raleigh, in the County of Kent.

1. That the following named persons be and they are hereby appointed Commissioners of Rural Road Divisions and Watercourses, viz:— In the First R. R. Division, Gilbert H. Dolson. In the Second R. R. Division, R. J. Morrison. In the Third R. R. Division, S. L. Wellwood. In the Fourth R. R. Division, N. H. Shepley. In the Fifth R. R. Division, A. G. Robertson.

2. That the following named persons be and they are hereby appointed a Local board of Health under the provisions of the "Public Health Act," R. S. O., and amendments thereto, viz:—Robert J. Morrison, Chairman, ex officio; J. G. Stewart, Secretary, ex officio; S. L. Wellwood, N. H. Shepley and A. G. Robertson.

3. That the said Secretary shall be paid a salary of fifteen dollars per annum; the said Medical Health Officer, a salary of twenty dollars per annum; and that each member of the Board shall, for each day he is called upon to act, receive the sum of two dollars.

4. That the following named persons be and they are hereby appointed Auditors, viz: Milton Backus, nominated by the Reeve, and George Foxton, nominated by the Council, who, in consideration of the sum of ten dollars each per annum, shall perform all the duties required by Section 263 of "The Municipal Act," and amendments thereto.

5. That Albert Williams be and he is hereby appointed Assessor and Collector of dog tax, subject to the provisions of the "Assessment Act" and the By-laws of this municipality, and the said Assessor for such duties duly performed, shall receive the sum of \$100.

6. That W. G. McGeorge, P. L. S., be and he is hereby appointed Engineer under "The Ditches and Watercourses Act," and shall be paid by the usual fees for services rendered.

7. That the aforesaid officers shall hold office until their successors have been duly appointed and qualified, or until otherwise relieved by this Council.

Read a third time and passed this Twentieth day of January, A. D. 1889.

J. G. STEWART, Clerk.

No. 528—A BY-LAW

Respecting Footpaths and ditches on Public Highways.

WHEREAS it is expedient to make better provision for the regulation of the traffic on the Public Highways; to set apart a portion thereof for the purpose of a footpath, and to preserve and maintain the same, and the ditches on each or either side thereof.

Be it therefore enacted by the Municipal Council of the Corporation of the Township of Raleigh, in the County of Kent, by authority of and subject to the restriction and provisions contained in "The Municipal Act," and amendments thereto.

1. That from and after the passing of this By-law, all that portion of any and every highway in the said Township of Raleigh situate, lying and being between the boundary lines and the road ditch, on each or either side thereof, be, and the same is hereby set apart as a footpath, for the use and convenience of travellers on foot only.

2. That all horses or other animals, led, ridden or driven, whether or not attached to any carriage, wagon, sleigh, machine, engine or any vehicle when passing along any public highway in the said Township of Raleigh, shall occupy only the portion of such highway which is situated between the ditches on either side thereof, and in case there is no ditch on any or either side thereof, shall then occupy only such portion as lies between lines drawn fifteen feet from the boundary line of such highway, and all such traffic, other than persons travelling on foot, shall be restrained and wholly prohibited from trespassing upon, injuring or in any way using or occupying, for the purpose of such traffic, any portion of any highway, as is used for the purpose of, or occupied by any ditch, footpath or reserved space as aforesaid.

3. It shall be the duty of the Overseer in each and every Statute Labor division, or other officers appointed by the Municipality, to prosecute in the name of the Corporation, any person or persons violating or infringing any of the provisions of this By-law who, if found guilty on the oath or affirmation of a credible witness, shall, in the discretion of any Justice of the Peace having jurisdiction, forfeit and pay a penalty not exceeding ten dollars, nor less than two dollars and costs, to be levied by distress and sale of goods and chattels; and if no sufficient distress can be found on which to levy it shall and may be lawful for the convicting or other Justice to commit the offender to gaol for any period not exceeding twenty days, or until the fine and costs of committal shall be paid. One half of such fine to be paid to the informant and the other half to the Treasurer of the Municipality.

4. Any person other than the Overseer of Highways may, for the purposes of prosecution under this By-law, be the informant or complainant.

5. Any Overseer of Highways may expend a portion of the Statute Labor fund in his division in improving and keeping in repair the said footpaths, and may erect such posts, rails, fences and bridges as he may deem necessary to protect the said footpaths from injury or trespass.

6. This By-law shall take effect on and after the first day of May, A. D. 1890.

Read a third time and passed, this fifth day of February, A. D. 1890.

J. G. STEWART, Clerk.

R. J. MORRISON, Reeve.

No. 529—A BY-LAW

(As Amended by By-law No. 536), respecting Statute Labor.

Be it enacted by the Municipal Council of the Corporation of the Township of Raleigh, in the County of Kent, under and by virtue of the powers in them vested by the Municipal and Assessment Acts.

1. From and after the passing of this By-law, all By-laws heretofore passed, providing for the performance of Statute Labor, and the appointment of Officers to superintend and enforce the same, are hereby repealed; and the performance of Statute Labor in the said Municipality is hereby abolished, except as hereinafter provided.

2. In lieu of the performance of Statute labor as aforesaid, a commutation tax of fifty cents for each days' labor, shall be assessed and levied in each year, and shall be placed upon the Collector's Roll, and shall be collected and accounted for as other taxes.

3. From and after the passing of this By-law all persons appearing by the last Revised Assessment Roll, to be rated for property liable to taxation, shall commute for the Statute Labor in respect of such property, and pay the commutation levied thereon, in proportion to, and in accordance with the scale of service hereinafter set forth, that is to say: \$500 and under, 2 days; above \$500 and up to \$1000, 3 days; and for every additional \$1000, 1 day.

4. All persons appearing on the said Assessment Roll, rated otherwise than for taxable property, and who are not bona fide taxpayers, and all other male inhabitants of the Township between the ages of 21 and 60 years, whether or not their names appear on the Assessment Roll, shall, in lieu of the performance of Statute Labor, pay a Poll

x of \$1 each, which shall be placed on the Collector's Roll by the Clerk, and shall be paid to the Collector of Rates, or other officer of the municipality appointed for that purpose, whether so placed on the Collector's Roll or not, within six days from the date thereof, and in case of neglect or refusal so to do, shall, without further notice, incur a penalty not exceeding five dollars and costs, exclusive of the Poll Tax aforesaid, which, on complaint of the said Collector or other officer, and in name of the Corporation, may, on summary conviction before any Justice of the Peace having jurisdiction, and on his order, be recovered, together with the costs of prosecution and distress, by distress of the offender's goods and chattels, and in case there is no sufficient distress, such offender may be committed to the Common Gaol of the County, and there he shall remain until the costs and the costs of the warrant of commitment and of conveying the said person to the gaol be sooner paid; and all such fines shall be paid to the Treasurer of this Corporation, and form part of the Statute Labor fund thereof.

5. It shall be the duty of the Commissioners of Rural Road Divisions, or other officers appointed by the municipality for the purpose, to expend the moneys so collected to be collected, in their respective divisions, as reported by the Clerk, for the improvement and repair of the roads, bridges, ditches and footpaths, and for the performance of all work hitherto performed by Statute Labor. All such work to be sold by public sale to the lowest bidder, after notice of such sale having been posted in the locality thereof for at least four days previously, unless in cases of urgency, when such notice and sale may be dispensed with, and such work shall not necessarily be restricted to any particular road or Statute Labor Division; and for the purposes of this By-law, the Statute Labor Divisions of the Township shall be the same as the Rural Road Divisions. And the said Commissioners or other officers may grant orders on the Treasurer for such work, and shall report to the Council the amounts so paid for such work, and when and where performed, and the nature of such work; and for the faithful discharge of these and all duties connected therewith, the said Commissioners or other officers shall be paid six per centum on such expenditure.

6. The Treasurer of this Corporation shall account for all moneys so received or paid by him, separate and distinct from all other moneys, and may be designated as the Statute Labor Account."

Read a third time and passed this Fifth day of February, A.D. 1890.

J. G. STEWART, Clerk.

R. J. MORRISON, Reeve.

No. 530—A BY-LAW

To provide for aiding and assisting the Amherstburg, Lake Shore & Blenheim Railway, and for issuing Debentures therefor for the sum of Ten Thousand Dollars to be given by way of bonus to the said Amherstburg, Lake Shore and Blenheim Railway Company by the Municipality of the Township of Raleigh, in the County of Kent.

WHEREAS a portion hereinafter described of the said Municipality of Raleigh is desirous of aiding by way of bonus the Amherstburgh, Lake Shore and Blenheim Railway Company, subject to the conditions hereinafter mentioned

2. And Whereas seventy-six of the persons rated on the last assessment roll of the Township of Raleigh as freeholders in that portion hereinafter described of the said Municipality desiring to grant said bonus, and who are qualified voters under the Municipal Act in said portion of the Municipality of Raleigh, have petitioned the Council of the said Municipality according to the statutes in that behalf made and provided, to pass a By-law granting the sum of Ten Thousand Dollars by way of bonus to said Railway Company, and to be assessed therefor.

3. And Whereas it is necessary, in order to provide the said sum of Ten Thousand Dollars, to issue Debentures of the said Municipality of Raleigh to the said amount, and to provide for the payment of the same and of the interest thereon in the manner hereinafter mentioned.

4. And Whereas the portion of the said Municipality of Raleigh so desirous of granting aid, as aforesaid, to the said Railway Company is all that part of the said Township of Raleigh lying south of the line between the Tenth and Eleventh Concessions, from lots 1 to 12 inclusive, and south of the line between the 12th and 13th Concessions from lots 13 to 18 inclusive, and south of the line between the 13th and 14th Concessions from lots 18 to 25 inclusive, more particularly described as follows:

Commencing at the intersection of the limit between said Township of Raleigh and the Township of Tilbury East, with the southerly limit of the Tenth Concession, thence northeasterly following said southerly limit to the easterly limit of lot number twelve in said concession; thence southeasterly following the easterly limit of lot 12 in the 11th and 12th concession to the southerly limit of the road between the 12th and 13th concessions; thence northeasterly following said southerly limit to the easterly limit of lot number 18 in said Thirteenth concession; thence southeasterly following said east-

erly limit to the southerly limit of the road between the 13th and 14th concessions; thence northeasterly following said southerly limit to the limit between the Townships of Raleigh and Harwich; thence southeasterly following said Township limit to the water's edge of Lake Erie; thence westerly following said water's edge to the limit between the Townships of Raleigh and East Tilbury; thence northerly following said last mentioned limit to the place of beginning.

5. And whereas, the amount of the whole rateable property of the said municipality of Raleigh, irrespective of any future increase of the same, according to the last revised assessment roll of the said municipality, being for the year One Thousand Eight Hundred and Eighty-nine, was two millions four hundred and ninety-four thousand four hundred and twenty-three dollars, and the amount of the whole rateable property as aforesaid of the said portion of the said portion of the said Municipality desiring to aid the said Railway according to the same roll was seven hundred and sixty-three thousand eight hundred and ninety-seven dollars.

6. And whereas, the existing debenture debt of the said municipality is the sum of fifty-one thousand six hundred and ninety-nine dollars and seventeen cents, and there is no principal or interest due or in arrears.

7. And whereas, it will require the sum of six hundred and fifty dollars and fifty-two cents to be raised annually by a special rate for the payment of the said sum of ten thousand dollars and interest thereon, at the rate of five per centum as herein provided.

8. And whereas, the said municipality of Raleigh is desirous of paying a portion of the said principal of ten thousand dollars and the interest thereon every year, and to avoid the necessity of keeping a sinking fund it is necessary to issue thirty debentures of the said municipality for the amount of six hundred and fifty dollars and fifty-two cents each, without interest, payable in one, two, three, four, five, six, seven, eight, nine, ten, eleven, twelve, thirteen, fourteen, fifteen, sixteen, seventeen, eighteen, nineteen, twenty, twenty one, twenty-two, twenty-three, twenty-four, twenty-five, twenty-six, twenty seven, twenty-eight, twenty-nine and thirty years from the date hereinafter mentioned on which said by-law is to take effect.

9. And whereas, for paying the said sum of ten thousand dollars and interest at five per centum, as aforesaid, it will require an annual special rate in the dollar in addition to all other rates levied, in each year on the rateable property in the said portion of the said Township of Raleigh, sufficient to raise yearly the said sum of \$650.52.

Be it therefore enacted by the Corporation of the said Township of Raleigh:

1. That it shall and may be lawful for all that part of the said Township of Raleigh lying south of the line between the 10th and 11th concessions, from lots one to 12 inclusive, and south of the line between the 12th and 13th concessions, from lots Thirteen to Eighteen inclusive, and south of the line between the 13th and 14th concessions, from lots eighteen to twenty-five inclusive, more particularly described as follows: Commencing at the intersection of the limit between the said Township of Raleigh and the Township of Tilbury East with the southerly limit of the Tenth Concession; thence northeasterly following said southerly limit to the easterly limit of lot number twelve in said concession; thence southeasterly, following the easterly limit of lot twelve in the 11th and 12th concessions to the southerly limit of the road between the 12th and 13th concessions; thence northeasterly following said southerly limit to the easterly limit of lot number eighteen in said 13th concession; thence southeasterly following said easterly limit to the southerly limit of the road between the 13th and 14th concessions; thence northeasterly following said southerly limit to the limit between the Townships of Raleigh and Harwich; thence southeasterly following said Township limit to the water's edge of Lake Erie; thence westerly following said water's edge to the limit between the Townships of Raleigh and East Tilbury; thence northerly following said last mentioned limit to the place of beginning; to assist the said Amherstburg, Lake Shore and Blenheim Railway Company by giving thereto by way of free grant or bonus the sum of ten thousand dollars, upon conditions as hereinafter provided.

2. That in order to procure the said sum of ten thousand dollars, as aforesaid, the Municipal Corporation of the Township of Raleigh shall issue thirty debentures of the said corporation for the sum of six hundred and fifty dollars and fifty-two cents each, without interest, payable, as aforesaid, yearly and every year for thirty years, the said debentures to be sealed with the corporation seal of the said Township of Raleigh, and to be signed by the Reeve and Treasurer thereof.

3. That the said debentures shall be made payable at the agency of the Canadian Bank of Commerce in the Town of Chatham, in the County of Kent, Province of Ontario.

4. That for the purpose of paying said debentures an equal special rate on the dollar sufficient to pay the said annual sum or debentures of six hundred and fifty dollars and fifty-two cents shall be in addition to all other taxes assessed, raised, levied and collected in each year upon all the rateable property in the said portion of the said Municipality during the continuance of the said debentures or any of them or any part thereof.

5. That the Reeve and Council of the said Municipal Corporation of the Township of Raleigh shall, within one month after the final passing of this By-law, deliver to the Trustees for the said Municipality and Railway Company, to be appointed in pursuance of the statutes of the Province of Ontario in that behalf, for receiving and holding the same, and for the purpose of realizing the sum of ten thousand dollars, the said debentures granted by way of bonus to the said Amherstburg, Lake Shore and Blenheim Railway Company.

6. That the said sum of ten thousand dollars or said debentures shall be paid by the said Trustees to the said Amherstburg, Lake Shore and Blenheim Railway Company as soon as the works and railroad of the Company from Leanington shall have been completed, and the regular freight and passenger trains are running as far as the eastern limit of the said Township of Raleigh for at least ten days after the completion of such works and road at least as far easterly as such easterly limit of Raleigh.

7. That this By-law shall take effect on the first day of February one thousand eight hundred and ninety.

8. That on the thirtieth day of December one thousand eight hundred and eighty-nine, at the hour of eleven o'clock in the forenoon, at the Township Hall of the Township of Raleigh, the appointment of persons to attend at the polling places and at the final summing up of the votes by the Clerk respectively, on behalf of the persons interested in and promoting or opposing the passage of the said By-law respectively shall be made.

9. That the votes of the duly qualified electors in the hereinbefore described portions of the said Municipality of the Township of Raleigh shall be taken on this By-law on Monday the Sixth day of January one thousand eight hundred and ninety, commencing at the hour of nine o'clock in the forenoon and closing at the hour of five o'clock in the afternoon of the same day, at the polling places in Polling sub-division No. 4 at the school house in Union School Section No. 5, at Merlin; in Polling sub-division No. 5, at the house of James Gilhuly in the Village of Buxton; in Polling sub-division No. 6, at the Township Hall; in Polling sub-division No. 7, at the Grange Hall on lot 22 in the 12th Concession; in Polling sub-division No. 8 at the house of William Little on lot 142, Talbot Road, all in the Township of Raleigh.

10. That the following persons shall be Returning Officers to take the votes:—At the said Polling sub-division No. 4, James Phelan; at the said Polling sub-division No. 5, Daniel C. Echlin; at the said Polling sub-division No. 6, Sylvester F. White; at the said Polling sub-division No. 7, Oliver J. Fuce; at the said Polling place No. 8, Wheeler DeClute, in the Township of Raleigh.

11. That John G. Stewart, Esquire, Clerk of the said Municipal Corporation of the Township of Raleigh, shall, on the Seventh day of January, one thousand eight hundred and ninety, at the Town Hall of the said Township of Raleigh, sum up the number of votes given for and against this By-law.

Read a third time and passed this Fifth day of February, 1890.

NO 531—A BY-LAW

To appoint certain Municipal Officers in the Township of Raleigh.

Be it enacted by the Municipal Council of the Township of Raleigh, in the County of Kent.

1. That the following named persons be, and they are hereby appointed Poundkeepers, viz:—In the First Rural Road Division, David Smith, Thomas Burk, A. R. Mumery and Farmer Bennett. In the Second Rural Road Division, John R. Travis, Alexander Peck, Arthur McFadden, John Kearns and David Martin. In the Third Rural Road Division, James Gilhuly, George Lewis, Samuel Hitchcock, George Foxton and Patrick Hickey. In the Fourth Rural Road Division, John Boyes, Sidney S. White, Andrew Pardo, Duncan Ritchie and Frederick Towl. In the Fifth Rural Road Division, Malcolm Toll, George H. Johnston, Samuel Irving and James Miller.

2. That the following named persons be and they are hereby appointed Fenceviewers, viz:—In the First Rural Road Division, James Rhodes, John Clarkson and Alexander A. Dalsen, jr. In the Second Rural Road Division, E. S. Dyke, Patrick T. Barry and William H. Clements. In the Third Rural Road Division, James H. Gilhuly, William Barry, sr., and James Ross. In the Fourth Rural Road Division, Sylvester F. White, Thomas Jenner and Charles F. Harvey. In the Fifth Rural Road Division, Wheeler DeClute, Edward Murdock and William H. Pardo.

3. That for and in consideration of the due performance of all duties pertaining to the aforesaid offices respectively, the said Poundkeepers and Fenceviewers shall be paid the usual fees, subject to, and as provided by the By-laws of this Municipality, and the Statutes of Ontario.

4. That William H. White be, and he is hereby appointed Collector of rates for

the current year, conditionally upon his furnishing bonds, duly executed by himself, and good and sufficient sureties, to be approved by this Council, in the sum of twenty thousand dollars. And for the due performance of all duties of Collector, as provided by the Statutes of Ontario, and the By-laws of this municipality, he shall be paid the sum of one hundred dollars, inclusive of all duties that do, or may pertain thereto.

No. 532—A BY-LAW

To alter the existing boundaries of Union School Section No. Four, united with Harwich, and Union School Section No. Two and a-half, of Harwich, united with Raleigh.

Whereas, certain ratepayers of Union School Section No. 4, united with Harwich, and Union School Section No. Two and a-half, of Harwich, united with Raleigh, have petitioned the Municipal Council of the Corporation of the Township of Raleigh, to pass a By-law to detach the northwest half of lot number 25, in the 13th concession of Raleigh, from said Union School Section No. 4, and to attach the same to Union School Section No. 2½. And whereas the Secretary-Treasurer and Trustees of the said School Section respectively, and the Clerk and Council of the said Corporation of the Township of Harwich have been duly notified of the proposed alteration. And whereas, all persons interested have had an opportunity of being heard who desired to be so heard. And whereas all the provisions of "The Public Schools Act," have been duly complied with.

Be it therefore enacted by the said Municipal Council of the Corporation of the Township of Raleigh.

1. That the northwest half of lot number twenty-five, in the 13th concession of the said Township of Raleigh, be and the same is hereby detached from the said Union School Section No. 4, of Raleigh united with Harwich, and attached to Union School Section number two and a half of Harwich, united with Raleigh.

2 That this By-law shall come into force and take effect from and after the 23th day of December, A D. 1890 Read a time and passed this third day of March, A D. 1890.

No. 533—A BY-LAW

To raise by way of loan the sum of \$3000, for the purpose of building a schoolhouse required in and for Union school section number Six, united with Dover, in the Township of Raleigh in the County of Kent.

WHEREAS the Public School Trustees of school section number six, united with Dover, in the Township of Raleigh, have, in terms of the 129th Section of "The Public Schools Act," by resolution dated the 20th day of February, A.D. 1890, and certified as having been submitted to, and approved by the duly qualified School Electors of the said School Section, at a special meeting called for that purpose on the 31 day of January, A.D. 1890, made application to the Municipal Council of the said Township of Raleigh, to raise by way of loan the sum of \$3000, for the purpose of building a school house, required in and for the said School Section. And whereas the total amount required to be raised annually by special rate to discharge the several instalments of principal and interest accruing due on such debt is the sum of \$289 And whereas there is no Debenture debt of the said school section. And whereas it will require the sum of \$259 to be raised annually by special rate for the payment of the said sum of \$3000 and interest thereon at the rate of five per centum per annum, as herein provided.

And whereas, to avoid the necessity of keeping a sinking fund, it is necessary to issue fifteen debentures of the said corporation for the sum of \$289 each, payable in one, two, three, four, five, six, seven, eight, nine, ten, eleven, twelve, thirteen, fourteen and fifteen years from the date thereof. Be it therefore enacted by the Municipal Council of the Corporation of the said Township of Raleigh :

1. That the Reeve and Treasurer of the said Township of Raleigh, may borrow on the credit of the Corporation of the said Township of Raleigh the sum of three thousand dollars, and may issue fifteen debentures of the said Corporation for the sum of two hundred and eighty-nine dollars each, without interest, being equal to the said sum of three thousand dollars and interest thereon at five per cent. for fifteen years; such debentures to be payable at the Canadian Bank of Commerce, in the Town of Chatham.

2. That for the purpose of paying the said debentures an equal special rate on the dollar sufficient to pay the said annual sum or debentures of two hundred and eighty-nine dollars, shall, in addition to all other rates, be levied in the same manner, and at the same time as taxes are levied, upon the whole rateable property of the said Union school section number six, in each year during the continuance of the said debentures, or any of them or any part thereof.

3. This By-law shall come into force and take effect on the day of the final passing thereof. [Read a third time and passed this third day of March, A D. 1890

J. G. STEWART, Clerk.

[SEAL]

R. J. MORRISON, Reeve.
