

COBOURG ARCHITECTURE **TIMELINE**

1940-1949

1939-45

These were the dark years
of the Second World War

PARK THEATRE

The curved corner, glass block and chrome details gave this theatre a very futuristic look when it was built. A local paper described it as “the last word in modern design, both from an aesthetic and scientific aspect”. 60 King St. East. 1948
