

Mr. Brian Baxter,  
Chief Administrative Officer,  
The Town of Cobourg,  
55 King Street West,  
Cobourg, Ontario. K9A 2M2.

Dear Mr. Baxter :

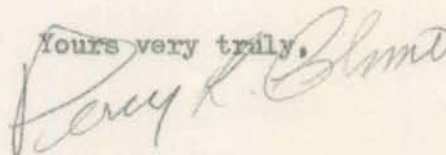

This is a very late letter in reply to yours of August 17, 1990,  
and the Factory Creek Abatement of floods.

You kindly enclosed a copy of Mr. Rumball's report.

Mr. Rumball is a keen observer and his report is of a high  
order.

The Town authorities are now well informed of the dangers of  
a severe flood and the remedies that can be taken to abate  
flood conditions on that creek.

Yours very truly,

Percy L. Climo.
