FELLOWSHIP BAPTIST CHURCH (COBOURG)

*May we introduce to you what we are doing. You can see that this piece of literature is printed in earth tones. That it is simple, homespun, yet warm and attractive. Fellowship Baptist Church is just the same. We are a warm hearted group of down to earth people. We come in all shapes and sizes, from a multitude of backgrounds, and though we are not perfect, our God is and He makes all the difference.*

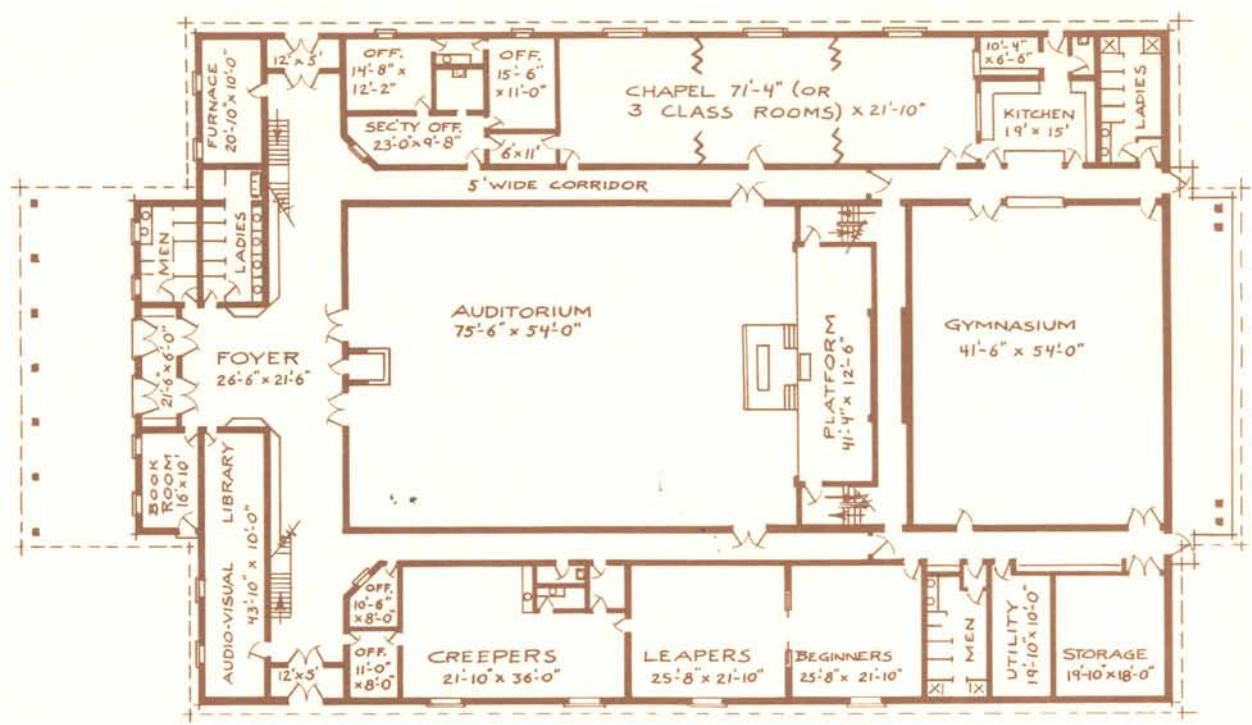

*In the past years we have seen that people respond to the simple honesty of those who are warm with life and who find their answers in a clear cut biblical faith. Because Fellowship Baptist Church is people . . . we have grown. We are people who believe, who pray, study, sing, laugh, and chat together. We meet as families, as men, women, young marrieds, single adults, teens, and children. And we meet for Sunday school, for worship, discussions, schooling, working, eating, recreation, and caring.*

*Because our church is people, a family in faith and action, we need a home. Because we are a growing family we need a new home. This year we have purchased five acres of land on Elgin just east of Burnham, near the Ganaraska Conservation Authority Park. Here we plan to build our home as illustrated on the front cover. It is five times larger than our existing facility with 19,500 square feet of space.*

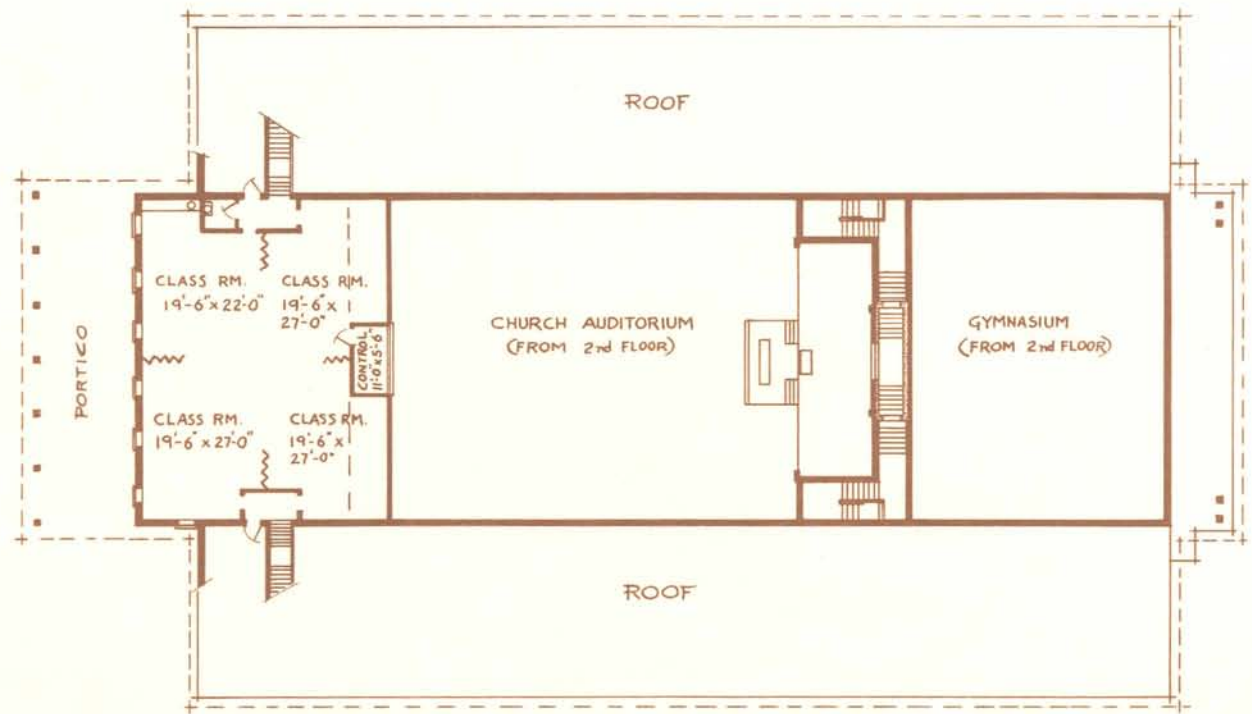

*It is exciting for us to think about being together under one roof again. Our new home will be simple, low cost, and yet at the same time attractive, something to be honestly proud of. We anticipate that it will be a busy place all day long, seven days a week. Our God has done many wonderful things in allowing us to come this far and we are grateful to Him.*

*Fellowship Baptist Church is not ashamed of its belief in the Bible as God's complete and final authority for man to live by, in the Lord Jesus Christ as the virgin born Son of God and the only hope of eternal life, and in the fact that Jesus will some day return for those that are His by faith and faith alone.*

*We are also not ashamed of our past, of those who struggled to give birth to this church or of the reasons that drove them to face the difficulties. Though we are moving from one home to another and though many things may change we are not changing either our faith or our heritage.*

*If there is any way in which we can meet your need or if there are any questions we can answer for you about our faith, our program, or our new facilities, please feel free to ask us.*
