TO OLIVE WOOD DROM FIANCE FREDERICK FIELD.
WOODLAWN, SUNDAY MORNING, MARCH 20, 1898

My own darling Olive:

...Darling I am glad to say the Crossen Car shops in town are booming. They shipped two fine cars on Tuesday costing about \$7500 each. They have 270 men on the payroll and the whole town is feeling the beautiful effects of this humming industry.....

Love Frederick

WOODLAWN, SUNDAY MORNING, MARCH 27, 1898

My own darling Olive:

...The lovely house down our street "Cedarmere" the summer residence of Mr. James Crowther of Toronto is to be opened as a hotel for the reception of Summer Tourists. I think this place the prettiest in town situated as it is on the lake with beautifully laid out grounds bordering on the water's edge with tennis and croquet lawns and beach safe for boating and bathing purposes. If you know of any one darling in Rochester who would like to spend the summer in a pretty town and a lovely cool place just tell them about the "Cedarmere". The old North American Hotel on Division St. is being all pulled down and made over for a grand summer hotel and I am sure in the near future Cobourg will be the gayest place on Lake Ontario in the summer.

Darling we are going to have one of the finest bands in the world in Cobourg in June...Lt. Dan Godfrey, Prussian Military Band of England. Did you ever hear of this noted band love? We would never have had such a fine band in Cobourg but for Mr. Harriss who married the rich Mrs. Shoenberger of our town. It is he who has the management of the band in America...

Your true and devoted lover Frederick
