Dear Sir, -

The only information
I can obtain with regard to the
establishment of a Grammar School
in Cobourg between the years 1791
& 1876 is as follows: -

Some time previous to the year
1836, a Grammar School, called
the Cobourg Grammar School,
was built on the spot where
the C. C. I. now stands. The
first Principal, so far as I can
learn, was - Mr. Crofton, of Trinity
Univ. Dublin. The next was
Mr. Hudspeth from Edinburgh
and after him Mr. Barron who
was once Principal of Upper Canada
College.

Yours respectfully

G. W. Mitchell
