TOURJE HOME - Chapel Street - Cobourg, Ont. App 1880
Ella , William Sarah and Dora

The Tourje Home as it was in 1885 and as it is to-day. It is now a heritage home and is rented out as offices.

It is still known as the Tourje Home and seems in fairly good condition although it needs a good paint job.

In the background is shown the present Cobourg Public Library which was the Methodist Sunday School built in 1883 .
