Commemoration

There are many interesting opportunities for permanent evidence of goodwill provided in the funding campaign of the Restoration of Victoria Hall.

Your generosity will be suitably acknowledged on a handsome plaque displayed in perpetuity in the restored Hall. Certain major gifts may have separate plaques. Kindly make your selection from the Commemoration List inside.

FRIENDS OF VICTORIA HALL

ALL donations of \$100 or more will be recorded with your name (or a name you request) in a "Friends of Victoria Hall" book which will be permanently displayed in a prominent place.

Windows - \$1,000 each

There are 96 windows on the North, East and West aspects of Victoria Hall.

Each of these windows may be "bought" for a \$1,000 gift, and the name of the subscriber (or a name requested) will be inscribed on a Benefactors' Plaque. The name will also appear in the "Friends of Victoria Hall" Book.
