

Top Match Men At Fair

The Ontario Plowmen's Association was well represented at Roseneath Fair on Saturday. Here General Secretary F. A. Lashley, O.P.A., addresses the crowd over the public address

system. To the left of Lashley is Alfred Hall, secretary of the World Championship Plowing Organization, Cumberland, England. Directly behind the golden plow is R. E. Drope, Mayor

of The Tented City at the Big Match this week. At the extreme right, sitting, is F. J. Slade, Creighton Heights, who was president of Roseneath Fair Board for many years.
