Library Budget Was Reduced In Year 1967

Treasurer, T. P. Cushing informed the Library Board, Tuesday, that disbursements were \$17,979.60, and balance \$12,802.20. The September financial statement was adopted.

Budget from Province last year was \$8,413, this year cut to \$6,437; which made reduced receipts, \$28,805.80.

In September financial report, Library equipment, insurance and art gallery program were overspent.

The sum \$2,000 did not seem realistic for fees, fines and miscellaneous, said G. Barnett. It takes three months to make this up and it is unwise to overbudget. Sometimes the Provincial Library Grant has a surplus. This surplus is allocated to deserving libraries and the Cobourg Library may get a little more.

An increase in fees for a family ticket was to commence in 1968. The increase, it was decided, would apply to non-resident subscribers.

Principal C. A. Hagen, CDCI East, was presented an award for ten years service to Boy Scouts of Canada. The annual dinner meeting of Cobourg District Council was held at St. Peter's Church Hall. Mr. Hagen began with Boy Scout movement as Group Committee Chairman of 3rd Cobourg (Baptist) Pack. As a member of the local council he moved to the office of President, he is present Secretary of 6th Cobourg (Trinity) Group Committee. Mr. Hagen's sons are Scouts in 6th Troop.
