

**CASS.**

Mrs. J. F. Smart spent Friday and Saturday in the city.

Mr. Winbolt has been quite sick with influenza.

The foundation of Mr. Albert Smart's residence is slowly appearing above the ground.

Most of the Cassites spent a rainy Sunday in their own homes.

Miss Eloise Leonard and Mr. Paul Warden spent the Sabbath in Cass, guests of their cousin, Miss Clara Smart.

A number of Cass people took in the school entertainment at the Grove Saturday evening. It was pronounced by them exceedingly fine.

The attendance at the choir practice Saturday at the home of Miss Emily Heartt was decidedly small owing to the attraction at the Grove on that evening.

A rain at last,—  
"How the glad earth smiles  
And the breezes of heaven grow sweeter."

Those enrolled on the sick list are Mr. and Mrs. John Sinyard, and our teacher.

Again that midnight serenade. Never mind, boys, you needn't sing so loudly, we know you.

We have been indulging a hope that the weather man had some winds for us now from the south part of his sack.

Mr. Reuben Littleford has removed to his own farm.

Well, well, Mr.—them—but take courage. Borrow a pacer; better luck next time.

Mr. Albert Smart laid the cornerstone of his new residence Wednesday morning. We suppose that the jottings which lie buried there will be read by some future generation with pride and curiosity.

This is vacation week and some people we know of are very glad of it too.

We are sorry to be called upon to record the death of our young friend, Lillie Oldfield. She was taken about eight weeks ago with influenza, and after suffering from this dread disease and its effects, passed away last Tuesday at 12:30 o'clock. She became conscious of the fact that she would die, over a week ago and seemed willing, and expressed a wish that all members of the family meet her in heaven. Funeral occurred yesterday (Thursday) at 2:00 o'clock. Many members of the family have been sick during Lillie's illness. Mr. and Mrs. Oldfield, also Charley and Grace, are not able to be about. The bereaved family has the sympathy of the neighborhood.

**LISLE SIFTINGS.**

Wm. Weaver has moved into the new butcher shop, and will be ready for business in a few days.

F. Schwartz will soon build a new barn, in place of the one that burned last fall.

Miss Lizzie Allen has come home to spend the summer with her sister.

Mr. John Remmers and Mable Hatch attended a theater in the city last Tuesday night.

**A Noted Doctor**

Once said "most women lose their freshness and good looks much earlier in life than necessary because of inattention to nature's requirements. Because of their peculiar habits all should make a practice of using some simple laxative."

There is no laxative so simple, so pleasant to take and yet so potent as Caldwell's Syrup Pepsin. Get a 10c bottle (10 doses 10 cts) of W. S. Carpenter.

**DANGERS OF THE BICYCLE.**

French Physicians Find That It Aggravates Certain Diseases.

Young women who are contemplating the "bicycle fad" may be interested in the following, from *Le Temps*, Paris: "At the academy of medicine M. Cadet de Gassicourt reviewed at length a work of M. le Docteur L. H. Petit upon the maladies provoked and caused by the immoderate and excessive use of the bicycle. The author enumerates in detail a great number of well-established clinical observations.

"In the greater number of cases, overuse of the velocipede revives or aggravates latent or pre-existing affections, and exerts an injurious influence upon the parts of the body having the least resisting power. It produces or increases inflammation of the lungs (and hysteria). It revives inflammations of the uterus and its attachments and arthralgias, which have for a longer or shorter time been incompletely cured. It aggravates the existing lesions or inflammations of the lungs, the heart, the kidneys, the vermiform appendix, etc.

"Several other affections are directly attributable to the excessive muscular effort and fatigue. In consequence, it is necessary to totally abstain from the use of the bicycle to accomplish a complete cure of various chronic affections, under the penalty of accidents more or less serious. Persons included in the various pathologic states enumerated, particularly those afflicted with diseases of the heart, of the kidneys, etc., and very nervous and delicate women should also abstain. And finally young people of both sexes, of slender figure and feeble development, growing rapidly, should be careful of their position upon the bicycle to prevent a curvature of the spine."

How to Cure Yourself While Using It.

**HEART DISEASE,** like many other ailments when they have taken hold of the system, never gets better of its own accord, but constantly grows worse. There are thousands who have a defective heart, but will not admit the fact. They don't want to believe it, and they have been told time and time again that heart disease was incurable. This was the case of Mr. Silas Farley of Dyesville, Ohio who writes June 16, 1904, as follows:  
"I had heart disease for 22 years, my heart hurting me almost continually. The first 15 years I doctored all the time, trying several physicians and remedies until my last doctor told me that I was a question of time as I could not be cured. I gradually grew worse, very weak, and completely discouraged, until I lived, propped half up in bed, because I couldn't lie down nor sit up. Thinking my time had come I told my family what I wanted done when I was gone. But on the first day of March on the recommendation of Mrs. Fannie Jones, of Anderson, Ind., I commenced taking **Dr. Miles' New Cure for the Heart** and wonderful to tell, in ten days I was working at light work and on March 19 commenced framing a barn, which is heavy work, and I haven't lost a day since. I am 55 years old, 6 ft. 4 1/2 inches and weigh 200 lbs. I believe I am fully cured, and I am now only anxious that everyone shall know of your wonderful remedies."  
Dyesville, Ohio. **SILAS FARLEY.**  
Dr. Miles' Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at 50c bottles for \$5 or \$10 will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.
