DOWNERS GROVE.

Downer's Grove is situated in DuPage county, Illinois 21 miles west of the Union Depot in Chicago, on the main line of the C. B. & Q. R. R. It is attractively located on rolling ground in the midst of beautiful groves of natural timber, and contains a population of about 2500. Handsome and costly edifices line its shaded streets and groves, and a wide-awake progressive people are its residents. Its religious and educational advantages are of the best. Its suburban train service all that could be desired. A first class system of waterworks is now in operation, also telephone connection with the city. The surrounding country is settled by thrifty farmers who make this their market. Our merchants are bright and enterprising business men, all doing a thriving business. The population of the town has more than doubled in the last 4 years and many costly buildings are now in the course of construction. A healthy religious atmosphere pervades the community. Saloons are prohibited by law as well as by public sentiment, and we challenge any town in Illinois to compete with us as a place to invest in either a home or a business location.
