Mrs. Leura C. Phoenix, flitwankee, Wis.

"Matron of a Benevolent Home and knowing the good Dr. Miles' Nervine has done me, my wish to help others, overcomes my dislike for the publicity, this letter may give me. In Nov. and Dec., 1893, The inmates had the "LaGrippe," and I was one of the first. Resuming duty too soon, with the care of so many sick, did not regain my health, and in a month I became so debilitated and nervous from sleeplessness and the drafts made on my vitality, that it was a question if I could go on. A dear friend advised me to try Dr. Miles' Restorative Nervine. I took 2 bottles and am happy to say, I am in better health than ever. I still continue Its occasional use, as a nerve food as my work is very trying. A letter addressed to Milwaukee, Wis., will reach me." June 6, 1894. MRS. LAURA C. PHOENIX. Dr. Miles' Nervine is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at \$1,6 bottles for \$5, or it will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

rain very appropriately? Mr. Albert Smart has a valuable relic. Above one of the windows of the sitting room, in his new residence, is a casing that was sawed from Georgia pine, which thirty years ago was the recipient of a rifle ball. This leaden messenger was probably hurled at or by a Union soldier, and finding a lodgement in the tree, it has found its way to Cass, where it will be prized by the owner.

The quick work of the fire department saved what might have proven quite a conflagration Thursday last week. As it was, Madam Andrews' barn suffered slight damages.

The new Hinsdale well for water supply after standing a 15 hour test of 190 gallons per minute, was accepted by the village board last Wednesday as complete at a depth os 205 feet. The water is very fine.

The river at Fullersburg with its high and wooded banks and picturesque surroundings is becoming a popular Sunday resort, not only for Hinsdale people, but also for parties from Downers, LaGrange and other neighboring villages.

Not long since a Wheaton gentleman

was in Hinsdale, comparing the improvements of the two places. In the course of the conversation he said Wheaton had paid out only \$200 attorney's fees, where Hinsdale had paid out over \$1500 on sewer suits, etc. since learn that Wheaton had a Chica go engineer get up a sewer system plan, to cost something less than \$500, 000 and paid him about \$1200 for it. and then were compelled by the votes of Wheaton to reject the plans, Speaking of attorney's fees, we think the management of Wheaton had much better paid more attorney's fees and saved their \$1200 to apply on practical sewer system the county seat so much needs and hasn't got yet.

How to Cure Yourself While Using It.

The tobacco habit grows on a man

until his nervous system is seriously affected, impairing health, comfort and happiness. To quit suddenly is too severe a shock to the system, as tobacco, to an inveterate user becomes a stimulant that his system continually craves. Baco-Curo is a scientific cure for the tobacco habit, in all its forms, carefully compounded after the formula of an eminent Berlin physician who has used it in his private practice since 1872, without a failure, purely vegetable and guaranteed perfectly harmless. You can use all the tobacco you want, while taking Baco-Curo, it will notify you when to stop. We give a written guarantee to permanently cure any case with three boxes, or refund the money with 10 per cent, interest. Baco-Curo is not a substitute, but a scientific cure, that cures without the aid of will power and with no inconvenience.
