DOWNERS GROVE.

Downer's Grove is situated in DuPage county, Illinois 21 miles west of the Union | cago. Depot in Chicago, on the main line of the C. B. & Q. R. R. It is attractively located on rolling ground in the midst of beautiful groves of natural timber, and contains a population of about 2500. Handsome and costly edifices line its shuded streets and groves, and a wide-awake progressive people are its residents. Its religious and educational advantages are of the best, its suburban train service all that could be desired. A first class system of waterworks is now in operation, also telephone connec- Brode. tion with the city. The surrounding country is settled by thrifty farmers who make this their market.
