HEART DISEASE,

like many other ailments when they
have taken hold of the system,
never gets better of its own accord, but
constantly grows worse. There are
thousands who know they have a defective
heart, but will not admit the fact. They
don't want their friends to worry, and
don't know what to take for it, as
they have been told time and again that
heart disease was incurable. Such was the
case of Mr. Silas Farley of Dyserville, Ohio
who writes June 19, 1904, as follows:

"I had heart disease for 23 years,
my heart hurting me almost continually.
The first five years I doctored all the time,
trying several physicians and remedies,
until my last doctor told me it was only a
question of time as I could not be cured.
I gradually grew worse, very weak,
and completely discouraged, until I
lived, propped half
up in bed, because I
couldn't lie down
nor sit up. Think-
ing my time had
come I told my fam-
ily what I wanted
done when I was
gone. But on the first day of March on
the recommendation of Mrs. Fannie Jones,
of Anderson, Ind., I commenced taking
Dr. Miles' Heart Cure for the Heart
and wonderful to tell, in ten days I was
working at light work and on March 19 com-
menced framing a barn, which is heavy
work, and I haven't lost a day since. I am 56
years old, 4 ft. 4 1/2 inches and weigh 200 lbs.
I believe I am fully cured, and
I am now only anxious that everyone shall
know of your wonderful remedial."
Dyserville, Ohio. SILAS FARLEY.

Dr. Miles' Heart Cure is sold on a positive
guarantee that the first bottle will benefit.
All druggists sell it at 50c. 4 bottles for \$2.00,
it will be sent prepaid, on receipt of price
by the Dr. Miles Medical Co., Elkhart, Ind.

SCISSORS AND PASTE

Wheat and Chaff Gleaned from Our

Esteemed Contemporaries.

Boylton's hardware store at Turner,
was entered by burglars one night last
week, and a number of revolvers, knives
and razors were stolen. Tramps and
officers had a fight near the Northwestern
coal chutes in which several shots were
fired, the tramps receiving broken heads
as a result of the encounter.

Tramp tickets are being distributed to
every householder in Naperville, and one
is to be given to every man asking for
something to eat. This ticket, with the
marshal's signature, will entitle the bearer
to a meal at the city's expense, but the
recipient of this favor will have to perform
some necessary labor on the streets.—
Clarion.

A young lady took her watch to the
jeweler the other day, telling him it was
all out of fix and would not run at all.
The jeweler opened the case and found
stuck inside the picture of a Hinsdale
young man. You could almost here the
blood rushing to the young lady's face,
and the jeweler closed the watch with a
pleasant snap remarking, "That's what's
the matter with it, miss. That face is
enough to stop any watch."

Heretofore the C. B. & Q. has been
carrying bicycles in baggage cars free of
charge, but they have become so numer-
ous of late that an order has been issued
to take effect July 1. All bicycles must
be paid for as excess baggage according to
distance. They are not classed as baggage
and will not be accepted as such, nor will
the company be held responsible for damage
or loss. If a wheel is lost, it is at the
owner's risk. This seems rather an arbi-
trary decision on the part of the railroad
company, but the resource the riders have
is to ride to their destination and save fare.

GOD BLESS THEM.

Two fashionably dressed young ladies
were walking hurriedly up Burlington
avenue the other day, says the LaGrange
News, when an old man started to cross
the thoroughfare near the station. Watts'
express wagon crossed in front of him and
he returned to the sidewalk. He looked
hesitatingly around undecided whether to
try it again or not. The girls saw his
hesitation and one of them remarked,
"wait a moment, Mary, I'll be right
back," and she left her friend hurriedly.
Going up to the old gentleman she said,
"can't I help you across the street?" The
old gentleman glanced at her gratefully
and replied, "thank you Miss, I was
afraid to venture across alone as my eye-
sight is very poor, and I am getting so
feeble that I can't get out of the way of
teams even if I did see them." The
young lady piloted the old gentleman out
of danger, and her bright face grew more
radiant as the old fellow poured out his
thanks to her. As she joined her com-
panion we heard a gentleman exclaim ad-
miringly, "what a capital wife that girl
will make for somebody!" We agreed
with him, and the incident, which was
witnessed by a score of people, was the
most eloquent argument in favor of
woman's nobility that has ever been ad-
vanced. God bless our girls, they are the
salvation of the nation.

DON'T STOP TOBACCO.

How to Cure Yourself While Using It.

The tobacco habit grows on a man
until his nervous system is seriously
affected, impairing health, comfort and
happiness. To quit suddenly is too se-
vere a shock to the system, as tobacco,
to an inveterate user becomes a stimu-
lant that his system continually craves.
Baco-Curo is a scientific cure for the
tobacco habit, in all its forms, carefully
compounded after the formula of an
eminent Berlin physician who has used
it in his private practice since 1872,
without a failure, purely vegetable and
guaranteed perfectly harmless. You
can use all the tobacco you want, while
taking Baco-Curo. It will notify you
when to stop. We give a written guar-
antee to permanently cure any case
with three boxes, or refund the money
with 10 per cent. interest. Baco-Curo
is not a substitute, but a scientific cure,
that cures without the aid of will
power and with no inconvenience. It
leaves the system as pure and free from
nicotine as the day you took your first
chew or smoke. Sold by all druggists,
with our ironclad guarantee, at \$1.00
per box, three boxes (thirty days treat-
ment) \$3.00, or sent direct upon receipt
of price. Send six two-cent stamps for
sample box, booklet and proofs free.
