**CASS.**

Corn is doing well.  
Earnest Heartt of Chicago was in Cass a few days.  
Mr. Elisha Smart is making an extended visit in the city.  
The Misses Leonard and Courtright returned home Saturday.  
Mrs. McClintock and daughter of Hinsdale visited at L. Smart's a couple of days.  
Miss Cora Heartt accompanied her cousin, Miss Evans, home, where she will spend a week or so.

Mr. and Mrs. Winbolt have gone to Wheaton to attend the teachers' institute, which will begin the 19th.

The regular business meeting of the Epworth League will be held at Mr. Ira Heartt's next Saturday evening. Choir practice also 7:00 o'clock sharp.

Mrs. G. B. Heartt, Miss Bertha Heartt, and Messrs. Frank Gregory, Irving Heartt, and Reuben Littleford, attended camp meeting at New Lenox, Sunday.

Did you mark that young fellow who came to the church (door) Sunday evening and failing to discern his sweet heart in the audience wisht away the hours outside the door.

G. B. Heartt has another well but no more water. After digging thirty-five feet and boring six or seven feet farther, he is stoning it up and intends to wait patiently for a rain or two.

Some of our young people are at a loss, whether to ride their bicycle on Sunday or not. Might we suggest that the bicycle is a carriage. If we want to go to church we do not hesitate to get into our carriage and ride there. Of course we would not go to a picnic or any place of pleasure on the sabbath day, but any necessary trip is made on Sunday as rightly with a bicycle as with any other vehicle.

**HINSDALE.**

The Hinsdale Guards gave their first open exhibition drill, at Gardner's hall, Tuesday evening of this week. Quite a number of visitors were present, some from La Grange and other surrounding towns. The Guards show rapid progress and will doubtless become the best drilled company in Du Page county.

On the evening of Sunday, August 4th, a sneak thief entered the basement of Donald Smith's residence and took possession of a '93 Waverly bicycle. The wheel was No. 16,538 and was the property of R. P. Graham. It will doubtless soon be recovered, as the police are hot on the thief's trail.

Another of our business houses is going to retire from the ranks. Within a few weeks the Hinsdale Restaurant will be no more, and its former patrons will be compelled to look elsewhere for meals. In the closing of this place Hinsdale will lose an institution that was a credit to the town and which should have had the most liberal support of its people.

Residents from the Fresh Air Home, who were having a picnic, started fires in the woods across the road from them on Tuesday last, causing great trouble and annoyance to the residents of the neighborhood. Two young men who have been residing there for a few days have also proved themselves very objectionable by their carelessness in using rifles, as bullets have been whizzing in all directions. We think a little better management on the part of those in charge would remedy these troubles, and make the home a little more endurable to the neighbors than it now is.—Beacon.

**LISLE SIFTINGS.**

The rain of Saturday night was a great help to the corn crop.

Owing to a scarcity of water a number of people are having new wells drilled.

Mrs. Walter Willard and daughter, left for Fairmont, Minn., Wednesday morning.

The Misses Lulu and Fay McConnell, of the city, are spending several days with their friends.

Messrs Stearns and H. Hatch, had business in Naperville, Tuesday evening. They made the trip on their wheels.

Mr. Chas. Kidder spent Sunday at the home of Fred Hatch. He returned from Hammond, La., a few weeks ago and is again at his work in Aurora. Mr. Kidder spent about a year in the south raising fruit. His wife and son will return this fall.

**LISTENERS NEVER HEAR ANY GOOD.**

He just was curious to know  
What they would say and he not near  
And so he paused outside the door,  
To overhear.  
But when he heard himself discussed,  
In truth all unadorned and clear,  
He somehow wished, he had not stayed,  
To overhear.  
Our vanity would seek to know  
Just how to others we appear,  
But for our peace it is not best  
To overhear.  
—ELSIE WHITE GAYNOR.

At a meeting of the vice president of the County Fair association last week Monday, the privilege for eatables, etc., were let to Emil Elinger. The balloon ascension part of the program was considered unworthy of notice and a new speed race placed. The purse for the green race was changed from \$100 to \$75 and will be confined strictly to horses which have never entered a race. A new race was opened for horses without a record; purse \$75, both confined to the county. The clause, "No horse can compete for more than one purse," was ordered stricken out.

is the magnet that draws cash from the pockets of the public.

Judicious advertising means several things. The REPORTER reaches nearly all of the people in this vicinity. We have had years of experience in preparing advertisements and can assist you in preparing trade catchers. We charge nothing for writing advertisements.

**Dr. Miles' Nervine.**

Worth Its Weight in Gold.

MISS RATHBURN.

**DR. MILES' NERVINE RESTORES HEALTH.** When the nerves are worn and weak, and vitality is at a low ebb. The brain force is weakened and the intellectual powers dulled. Courage is lost, the mind becomes timorous and melancholia takes possession. The digestive organs fail to fully perform their functions, the heart's action is painful and irregular, the blood becomes thin and watery and the entire system is threatened with collapse. Under these conditions there is nothing like **Dr. Miles' Nervine** to restore health.

"I feel it my duty to inform you what your Nervine has done for me. I have been an invalid and doctoring for nine years. I lost my dear mother last March, and just after I was taken down with a very severe nervous trouble, which gradually grew worse, notwithstanding I was under the care of a physician. I finally became discouraged and gave up, thinking I never would be better. I cannot tell you how great a sufferer I was. I had hysterical fits, sometimes two or three a day, an oppressed feeling through my chest. I was troubled with palpitation, and could scarcely stand on my feet, and was totally unable to walk alone. Not even the lightest kind of food would digest. My nerves were in such condition that I could not write, and I was reduced to but the ghost of my former self.

I saw an advertisement and purchased a bottle of Dr. Miles' Restorative Nervine and from the first I noticed a change for the better. In a month's time there was a great improvement, in my looks as well as my feelings. The oppressed feeling in my chest entirely disappeared, my food digested much better and I could walk a short distance. It is over two months now and I can walk a half mile, and I am happy to say I am better than I have been for two years and am just beginning to feel like my old self; and I owe all this to you for Dr. Miles' Restorative Nervine. It is my best friend. I often make the remark that it is worth its weight in gold."

**Nothing in This World**

Is so cheap as a newspaper, whether it be measured by the cost of its production or by its value to the consumer. We are talking about an American, metropolitan, daily paper of the first class like THE CHICAGO RECORD. It's so cheap and so good you can't afford in this day of progress to be without it. There are other papers possibly as good, but none better, and none just like it. It prints all the real news of the world—the news you care for—every day, and prints it in the shortest possible space. You can read THE CHICAGO RECORD and do a day's work too. It is an independent paper and gives all political news free from the taint of party bias. In a word—it's a complete, condensed, clean, honest family newspaper, and it has the largest morning circulation in Chicago or the west—140,000 to 150,000 a day.

Prof. T. J. Hatfield of the Northwestern University says: "THE CHICAGO RECORD comes as near being the ideal daily journal as we are for some time likely to find on these mortal shores."

Sold by newsdealers everywhere, and subscriptions received by all postmasters. Address THE CHICAGO RECORD, 181 Madison-st. (3)
