In Nov. and Dec., 1893, The immutes had the "LaGrippe," and I was one of the first. Resuming duty too soon, with the care of so many sick, did not regain my health, and in a month I became so debilitated and servous from sleeplessness and the drafts made on my vitality, that it was a question if I could go on. A dear friend advised me to try Dr. Miles' Restorative Nervine, I took 2 bottles and am happy to say, I am in better health than ever. I still continue as my work is very trying. A letter addramed to Milwaukee, Wis., will reach me." June 6, 1896. Mrs. LAURA C. PHORNIX. Dr. Miles' Nervine is sold on a positive guarantee that the first bettle will benefit.
