Mrs. J. F. Bell, Oconomowoc, Wis., wife of the editor of The Graphic, the leading local paper of Miami county, writes: "I was afflicted with heart disease for six years, severe palpitations, shortness of breath, together with such extreme nervousness, that at times I would walk the floor nearly all night. We consulted the best medical talent. They said there was no help for me, that I had organic disease of the heart for which there was no remedy. I had read your advertisement in The Graphic and a year ago, as a last resort, tried one bottle of Dr. Miles' New Cure for the Heart, which convinced me that there was true merit in it. I took three bottles each of the Heart Cure and Restorative Nerve and it completely cured me. I sleep well at night, my heart beats regularly and I have no more smothering spells. I wish to say to all who are suffering as I did, there's relief untold for them if they will only give your remedies just one trial." Dr. Miles' Heart Cure is sold on a guarantee that the first bottle will benefit. All druggists sell it at \$1.00 a bottle, or it will be sent prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

Her impersonations are delightfully natural and whether humorous or pathetic move the audience with equal force each in their way.
