Dr. Miles' Heart Cure
Restores Health

Mrs. J. F. Bell, Oswatimie, Kan.
wife of the editor of The Graphic, the leading local paper of Miami county, writes "I was troubled with heart disease for six years, severe palpitations, shortness of breath, together with such extreme nervousness, that, at times I would walk the floor nearly all night. We consulted the best medical talent. They said there was no help for me, that I had organic disease of the heart for which there was no remedy. I had read your advertisement in The Graphic and a year ago, as a last resort, tried one bottle of **Dr. Miles' New Cure for the Heart**, which convinced me that there was true merit in it. I took three bottles each of the Heart Cure and Restorative Nervine and it completely cured me. I sleep well at night, my heart beats regularly and I have no more smothering spells. I wish to say to all who are suffering as I did; there's relief untold for them if they will only give your remedies just one trial."
Dr. Miles' Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at 25¢, 50¢ bottles for \$1.00. It will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

THE TURKEY'S THANKSGIVING.
Little Tommie went to bed Thinking of the morn'g; 'Twould be glad Thanksgiving day What joy to him to borrow Visions of what the day would bring; Indeed he was not able, To keep his mind off pumpkin pies, And the turkey on cook's table.
But soon, 'twas something else he saw, The barn-yard seemed a flutter And every gobbler, hen and chick Seemed making such a splutter; And soon 'twas plain that little Tom Was cawing the commotion, But why, or wherefore, little man, He'd not the slightest notion.
Up marched the largest gobbler then Unto our little hero, "We'll have you for tomorrow's feast," "Iow Tommie quaked for fear, Oh! Rushed straight at him, when scream- How very strange and good to find. He had been only dreaming."
ELSIE WHITE GAYNOR.

Thanksgiving.
We have no saloons.
Upwards of fifty new houses in our village the last year.
Help to build up your own village by patronizing home industries.
Downers Grove business firms stand high in the estimation of city wholesale houses.
More building will be done the coming year than ever before in the history of the village.
We have the best suburban train service of any town on the "Q." Fifty passenger trains a day.
Our educational advantages are great. We have fine public schools with an efficient corps of teachers in charge.
Owing to its natural drainage and high altitude Downers Grove enjoys an enviable reputation as a healthy place.
Downers Grove is headquarters for florists. We have three well equipped green houses doing a flourishing business.
Downers Grove can show more good walks and better streets without the usual large bonded indebtedness, of any of Chicago's suburbs.
The various benevolent lodges and secret orders are fully represented in Downers Grove and the membership and standing is above the average.
Six flourishing church organizations, Baptist, Catholic, Episcopal, Congregational, Methodist, German Evangelical, all with church buildings, except the Episcopal, who have a lot and building in contemplation.
For nice rolling ground, beautiful shade, natural drainage, good water, general good health, good schools, churches, well established business of various kinds, rapid suburban railroad service, for an intelligent, progressive, yet conservative, law abiding people, Downers Grove is second to none of Chicago's suburbs.
The Downers Grove Loan and Home- stead Association is among the best in the state; its stock shows as great a gain as any that has been reported. It is handled with care and very little expense. It has confined its operation to this vicinity and has met the demands made upon it, and has enabled many of our people that are working on a salary to get themselves homes. John Holland is president; Guy L. Bush, secretary; J. W. Rogers.
The Ladies' Library Association is one of the best secular institutions in Downers Grove. They have a fine assortment of the best of reading matter and are constantly adding to it. Their charges are so very low that the benefits of this choice collection are within the reach of every family. It is a progressive, permanent institution and we cannot do too much in its encouragement. It is not and was not intended as a money making institution, but is a great success in accomplishing the object for which it was formed.
Downers Grove is fortunate in having one of the best railroads running out of the city, pass through it and gives to it the best of suburban service, over 25 trains each way, most of them making no stops east of Riverside. The cars are kept neat and comfortable. The conductors and train men are accommodating and gentlemanly in their demeanor, and the constant efforts that are being put forth by the officials of the C. B. & Q. to improve the service, removes all cause for complaint and gives to us the assurance that the road will always keep up with the times and the improvements of the age will be given to us.
The Downers Grove Club is a considerable factor in the social life of the village. They are continually on the look-out for novel entertainments for their members and friends. The club rooms in the Hathaway building on the corner of Foots and Belmont streets, are nicely fitted up with all modern conveniences. Piano, pool and billiard tables add to the means of amusement. The rooms are so arranged that they can be thrown together when desired, making a large hall for dancing or other entertainment. Every other Friday evening during the winter season, is given over to the entertainment of the ladies of the members and their friends. The best talent is secured in musical, elocutional, or other lines, for their amusement. The "smokers" on alternate Friday evenings, always find a large number of members and friends present. Just now their pool tournament engrosses the particular attention. Twenty-five entries have so far been made, and some high scoring is expected.

CORRESPONDENCE.
LACE.
Our blacksmith is kept busy at present preparing horses for the icy roads. Mutton seems to be in great demand. Geo. Rohmer is kept busy—killing sheep.
Winter is making an early appearance this year. Snow storms are every day occurrences at present.
We hear that our neighbor J. F. Smart, returned home from his sporting tour loaded with a deer and the loin of a black bear—a lucky trip for him, to be sure.
At the residence of Mr. John Behm, at Luce, the wedding ceremonies of one of Hinsdale's well known young men were solemnized. The active participants were Mr. J. H. Rohmer, and Miss Mamie Trapp, also of this village. The groom is the treasurer of the Chicago, Peoria & Southwestern R. R., which is one of our coming institutions. The bride is most highly thought of by the residents of our village, for the heroic part she took in that awful scourge of diphtheria which devastated so many happy homes here some time ago, when she nobly stood at her post of duty, and saw a mother and four children die by the hand of the fell destroyer in one of his most horrible forms.—Hinsdale Beacon.

CASS.
A blizzard to begin with, this week. Mr. James Colman was in Cass lately. Arrangements were made Sunday, for a rousing Christmas tree entertainment to take place Christmas eve, (good!) We'll be sure to be there.
Miss Custon of Colorado is visiting at Ira Heart's. When she arrived there last week Wednesday evening she was surprised to find a number of her Cass friends awaiting her, and an enjoyable time ensued.
A hand and glove social will be given at Jesse Oldfield's next Friday night. Everybody is invited to attend this social. The ladies are asked to bring a glove or mitten which will disguise the hand, also cake and pie. The rest will be disclosed when you are there.
The pile of lumber in the church Sunday did not seem to bother any one. We all consoled ourselves with the strong probability that the church is to be made comfortable. The work could have better been done a month ago, but "better late than never" is the old adage and we are glad it is to be fixed anyhow.
J. F. Smart returned from his hunt Thursday. Of course we expected some exciting stories and were not disappointed. But the best of it was that it took a trunk instead of a cigar box in which to bring his game, aside from a fine deer which his party shot the day before his return. One of his lucky shots brought down a buck, the head, antlers and skin of which he has as trophies of his hunt.
A business meeting of the Epworth League was appointed to be held at J. F. Smart's next Saturday evening, to follow immediately after the choir practice, which meets promptly at 7.30 and with no delays, there will be ample time for both. Every member of the league should be present at this meeting. Some sacrifice will be necessary as the hand and glove social comes Friday evening. But leaguers, is not our aim in life to look to the best interest of our community? Surely we will show ourselves loyal members of a worthy organization and come to the meeting with a prayerful preparation to do anything in our power to help.
