Mr. and Mrs. Edward Willard spent Sunday with relatives in Lisle.

Ladies' and gentlemens' footwearthe satisfactory kind at Thompson's.

Thompson has the largest stock of drygoods in the village. His prices are right, too.

If you pay more than Thompson charges for gloves and mittens, you pay too much.

We are pleased to note that George F. Steere has sufficiently recovered to be about again.

XM. Olson of East Grove had his leg badly injured one day this week by falling from a wagon.

Gloves and mittens at Thompson's at the lowest kind of prices consistent with good quality. All kinds.

Mrs. P. E. Holp of Rogers Park, Chicago, visited Taggday and Wednesday with her brother, Hugh M. White, and family.

Duluth Shamrock flour. Best for bread and pastry. Guaranteed to be superior to any other Minnesota flour, at Colville's. Mertz & Mochel have just received a

car of slabs, sawed in 12-inch lengths, Just the thing for kindling, which they nell at reasonable rates. An account of the fire at Wheaton,

which resulted in the death of two firemen, is given in the correspondence from that village this week.

Mesars, Gallup and Chilvern attended church services last Sunday. The minister noted the fact and stated that he would be pleased to see other aldermen follow their shining example.

Maple Camp, Modern Woodmen, will publicly install their new officers at the Auditorium this evening. A program will be rendered. This popular order is gaining in strength and numbers and much interest is manifested in their work.

We are showing the latest | Considerable bad feeling between two members of the Downers Grove Club resulted one evening last week in a "scrap," in which one of the parties received a black eye. The hostilities were continued the following day on the morning suburban train. The little difficulty has since been amicably

The contract for the steam heating plant at the North side building was awarded to the Morgan Boiler Co. of Chicago. They have already commenced work and have now nearly half completed the job. The school *board should see to it that the heating 1yn tem is fully adequate to the demands made upon it.

installation of the R. P.'s Master Chas. LaBerge, with the assistance of J. I. Rounds, rendered two violin duets in a highly commendable manner, which pleased his hearers and brought forth a hearty encore. Master Charles is young and deserves a great deal of plays. We hope to have the pleasure of hearing him again soon,

G. T. Holcombe's old parishioners to greet him last Sunday morning, as he stood in the pulpit of the Congregationat church. Hearing him again took will hardly permit of an exclusive boot the collector holding any other village the church was new, and he, a young man the first paster.
