Epilepsy 20 Years.

Cured by Dr. Miles' Nervine.

A few years ago, Mr. L. W. Gallaher, was an extensive, successful export manufacturer of lumber products. Attacked with epilepsy, he was obliged to give up his business. The attacks came upon him most opportunely. One time falling from a cart, he was thrown down stairs, and often in the street. Once he fell down a shaft in the mill, his injuries nearly proving fatal. Mr. Gallaher writes from Milwaukee, Feb. 25, '96.

"There are none more miserable than epileptics. For 20 years I suffered with epileptic fits, having as high as five in one night. I tried any number of physicians, paying to one alone, a fee of \$50.00 and have done little for years but search for something to help me, and have taken all the leading remedies, but received no benefit. A year ago my son, Chas. S. Gallaher, druggist at 191 Reed St., Milwaukee, gave me Dr. Miles' Restorative Nervine, and I tried it with gratifying results. Have had but two fits since I began taking it. I am better now in every way than I have been in 20 years."

Dr. Miles' Remedies are sold by druggists on a positive guarantee that the first bottle will benefit or price refunded. Book on the Heart and Nerves, free. Address, Dr. Miles Medical Co., Elkhart, Ind.
