WHITE & WILLIAMS,

W. J. Herring,

Carpenter and General Contractor

Downers Grove, Ill.

The eminent journalist and orator, Henry Waterson, spoke to a large audience in Aurora Saturday evening. His subject was, "Abraham Lincoln," and the lecture is regarded as a rare literary treat by those fortunate enough to be present.

An exchange says a little parental authority is better than all the curfew bells in existence. True, but what are you going to do with the parents who lack the authority, and allow their children to do as they please? Its for the children of just such parents that the curfew bell is established, whereas if the parental authority was exercised in all families the curfew law would never have been thought of.

An exchange thus talks about a habit to which many people must plead guilty: "Young man don't swear. There is no occasion for it outside of a printing office where it is useful when the paper is behind time. It also comes in handy in proof reading, and it is indispensable when the ink works bad and the press begins to buck. It is sometimes brought into use when the foreman is mad, and it has been known to entirely remove that tired feeling of the editor when he looks over the paper after it is printed. Outside of a printing office it is a foolish habit."

George Kessner of Earlville was fined \$35 on Tuesday of last week for committing the most inhuman, brutal and fiendish act we ever heard of. He saturated the body of a shepherd dog with kerosene and touched a match to the oil. In an instance the poor animal was enveloped with flames and to make his cruel work more effective he kicked the dog and made him run. Blind by the flames the dog dashed away from the hard-hearted fiend yelping at every jump and dodging into every building it came to with hopes of extinguishing the flames, which were burning him alive and making it wild with intense pain. It finally dropped with exhaustion and rolling into the snow extinguished the flames, which had burned the hair off and charred the hide of the suffering animal. Anyone who will commit such a dastardly deed is not fit to live in a civilized community.

MOVE YOUR FRIENDS.

A handsome pamphlet has been prepared by the C. B. & Q. R. R., setting forth in type and appropriate photographs, the advantages of the suburbs. Our citizens are requested to send the names and addresses of their friends in Chicago, most likely to be interested, to F. S. Eastis, General Passenger Agent, C. B. & Q., Chicago, and he will send copy of the pamphlet without charge.

THE HABITS OF CHILDREN.

Should be closely watched and regulated by mothers. Carelessness in childhood often leads to serious troubles in after life. The digestive organs and bowels should be kept in the best possible condition to insure good health not only for the present, but for years to come. Dr. Caldwell's Syrup Pepsin, a harmless but potent remedy, corrects all such evils in children. Twenty doses (for children) 10c at Carpenter's

A TRUE SAYING.

It has been said that habitual constipation is the cause of fully one-half of the diseases that flesh is heir to. Keep your bowels regular by Caldwell's Syrup Pepsin, and your system will be in proper condition to keep off diseases of all kinds. Get a sample bottle (10 doses) 10 cents of W. S. Carpenter, and you will bless the day you did.

A COAL MINER.

William Gilbridge of Assumption, Ill., writes: "Caldwell's Syrup Pepsin is the best remedy I have ever used for stomach troubles. I never felt better in my life, and I think every family should keep it on hand. It does more than is claimed for it."

TO THE SUFFERERS OF RHEUMATISM.

After using Groff's Rheumatic Cure for some time in my practice I take great pleasure in saying that it is a most wonderful remedy for rheumatism; in fact, it is the only one I have found for the cure of this disease in all its various forms.

Nothing in This World

Is so cheap as a newspaper, whether it be measured by the cost of its production or by its value to the consumer. We are talking about an American, metropolitan, daily paper of the first class like THE CHICAGO RECORD. It's so cheap and so good you can't afford in this day of progress to be without it. There are other papers possibly as good, but none better, and none just like it. It prints all the real news of the world—the news you care for—every day, and prints it in the shortest possible space. You can read THE CHICAGO RECORD and do a day's work too. It is an independent paper and gives all political news free from the taint of party bias. In a word—it's a complete, condensed, clean, honest family newspaper, and it has the largest morning circulation in Chicago or the west—140,000 to 150,000 a day.

Prof. T. J. Hatfield of the Northwestern University says: "THE CHICAGO RECORD comes as near being the ideal daily journal as we are for some time likely to find on these mortal shores."

Sold by newsdealers everywhere, and subscriptions received by all postmasters. Address THE CHICAGO RECORD, 181 Madison-st.
