Nothing in This World
Is so cheap as a newspaper, whether it be measured by the cost of its production or by its value to the consumer. We are talking about an American, metropolitan, daily paper of the first class like **THE CHICAGO RECORD**. It's so cheap and so good you can't afford in this day of progress to be without it. There are other papers possibly as good, but none better, and none just like it. It prints all the real news of the world—the news you care for—every day, and prints it in the shortest possible space. You can read **THE CHICAGO RECORD** and do a day's work too. It is an independent paper and gives all political news free from the taint of party bias. In a word—it's a complete, condensed, clean, honest family newspaper, and it has the largest morning circulation in Chicago or the west—140,000 to 150,000 a day.
Prof. T. J. Hatfield of the Northwestern University says: "**THE CHICAGO RECORD** comes as near being the ideal daily journal as we are for some time likely to find on these mortal shores."
Sold by newsdealers everywhere, and subscriptions received by all postmasters. Address **THE CHICAGO RECORD, 181 Madison-st.**
