A. Gold, by means of which all the silver and all the paper are worth 100

Q. What would be the effect if we should abandon the existing gold standard?

A. All the gold would leave the country in accordance with the never quesioned law that a superior money will not remain in a country where an interior money & the standard. Silverites admit that gold is 16 times more valuable than silver. That is what the 'ratio of 16 to 1" means. In truth, to-day gold is 39 times more valuable than silver.

Q. What amount of money would be thus withdrawn from the country if the silver standard should be substituted for the gold standard?

A misunderstanding on the part of the citizens in regard to the action taken by the board of trustees in the matter of the illegal tap found on E. H. Prince's premises on the North side, has led many to believe that at its last meeting the COUNTY SUPERINTENDENT board fully exhonerated Mr. Prince from using the water in any manner. Such was not the case. The only exhoneration made was from his "using the water continnously for any considerable length of time." A thing that could not have been preven. The fact of the illegal tap, however, was very evident, and the fact of the meter registering 12,600 gallons in three been used at times if not continuously On Mr. Prince's own statement he had used the water several times. The matter was left with the water committee to determine what should be done in regard to the settlement. The tap was made by G. F. Hawkins without a permit, but says Mr. Hawkins, on the authority of the chairman of the water committee, at that time Mr. Moss, who disclaims any knowledge of the existence of such a tap. The

Many good such other business as may probably could bitnest men in the party, as in other great crisis in our country's history, will assert their manhood and patriotism and repudiate the Altgeld's-Vorhies-Turpies-Stevensons and their ilk, but the same old leaders are in the middle that met in the Chicago convention in '64, declared the war a failure and denounced Lincoln. Grast, and those who were engaged in death struggle to preserve the nation, and they will caack their whips over the or ganization as a party and it, including the Chicago Chronicle, will bow to the lash and swallow the dose bitter though it may be to some of them. The Grand Rapids (Mich.) Democrat, the leading democrat paper of western Michigan, says: "The renomination of Altgeld is an illustration of the startling condition of something like political insanity which has come upon certain classes of persons in this country. Altgeld is a man of undoubted ability. He had a fair record as a judge. He is enormously rich. His successful methods of electioneering in his campaign for the governorship showed him to have many elements of personal popularity. The fact that he has been renominated unanimously, in spite of his announcement that he would not be a candidate, proves the tremendous hold that he has on his party in Illinois. His record. however, has been of the order that stamps him as a man out of joint with the best tendencies of the times in matters politi-

### AN EXPLANATION

Having heard it rumored that F. H. Fischer, a republican candidate for the office of county clerk, is a prohibitionist and it is likely that said rumor started from my reporting him so two years ago to the chairman of the republican county central committee, I think it my duty to make an explanation. Being the committeeman from Addison at that time,

heard that O. G. Fischer was selected as a delegate and F. H. Fischer, alternate, to represent the town of Addison in the prehibition county convention. When I heard that, I thought they were prohibitionists and marked them so in my report. Afterward I found out that they took no part in said convention; did not go there; and F. H. Fischer did not vote that ticket-be always voted the republican ticket. I was mistaken in his politics. He is a republican and a good one. If DuPage county sees fit to nominate and elect him he will make a good officer. GEO. A. FISCHER.

### **Heart Disease Cured** By Dr. Miles' Heart Cure.

Fainting, Weak or Hungry Spells, Irregular or Intermittent Pulse, Fluttering or Palpitation, Choking Sensation, Shortness of Breath, Swelling of Feet and Ankles, are symptoms of a diseased or Weak Heart.

Of Fort Wayne, Ind., writes on Nov. 29, 1886: "I was afflicted for forty years with heart trouble and suffered untold agony. I had weak, hungry spells, and my heart would palpitate so hard, the pain would be so acute and torturing, that I became so weak and nervous I could not sleep. I was treated by several physicians without relief and gave up ever being well again. About two years ago I commenced using Dr. Miles' Remedies. One bottle of the Heart Care stopped all heart troubles and the Restorative Nervine did the rest, and now I sleep soundly and attend to my household and social duties without any trouble.
