His venture in the newspaper business has not been regarded as serious in these parts. While he has been nominal editor of the Omaha World-Herald since Sept. 1, 1894, he has in reality been a mere journalistic figurehead. His name has been paraded at the head of the weekly edition to draw freesilver delusionists, but was soon taken out of the daily, and has not been replaced, Instead of devoting time to the paper he has been traveling about the country five weeks out of six as the paid champion of the Bimetalic league.

As a politician Bryan has displayed no organizing ability. He is a good stump speaker and effective campaigner. But that is all. If he has any executive capacity it has not yet manifested itself. He has never held any executive position, and has never had opportunity to exercise any faculty he may possibly possess in that direction. Taking a period of 30 years, from 1860 to 1890, and representing the values of 1860 at 100, we find that there has been an enormous variation both in prices and in wages. The free coinage of silver and gold at 16 to 1, means the use of silver only. No sensible man is fool enough to take to the mint an ounce of gold to be coined into ounce of gold and get the same number of dollars. Thus the free coinage of silver and gold as per the democratic platform would simply bring us to the single standard of silver. It is a fraud and an imposition to call this bimetalism. # Epilepsy 20 Years.

Cured by Dr. Miles' Nervine.

A few years ago, Mr. L. W. Gallaher, was an extensive, successful expert manufacturer of lumber products. Attacked with epilepsy, he was obliged to give up his bustness. The attacks came upon him most inopportunely. One time falling from a carriage, at another down stairs, and often in the street. Once he fell down a shaft in the mill, his injuries nearly proving fatal. Mr. Gallaher writes from Milwaukee, Feb. 16, 36.

"There are none more miserable than epileptics. For 20 years I suffered with epileptic fits, having as high as five in one night. I tried any number of physicians, paying to one alone, a fee of \$500.00 and have done little for years but search for something to help me, and have taken all the leading remedies, but received no benefit. A year ago my son, Chas. S. Gallaher, druggist at 191 Reed St., Milwaukoe, gave me Dr. Miles' Restorative Nervine, and I tried it with gratifying results. Have had but two fits since I began taking it. I am better now in every way than I have been in 20 years." Dr. Miles' Remedies are sold by druggists on a positive guarantee that the first bottle will benefit or price refunded. Book on the Heart and Nerves, free. Address,
