Wm. H. Johnson, of Wheaton, was over Tuesday visiting his daughter, Mrs. C. F. Davis, who returned with him. Mr. Johnson has been under the weather for the past two months and this is his first visit here since his illness. During his confinement to his home he has been closely studying the political situation, and though a life long democrat, he says his principles will not allow him to support Bryan and the Chicago platform and that he will vote for McKinley.

A bicycle race was run over and killed about 8:30 o'clock Sunday morning near Elmhurst, Ill., by a west-bound Chicago and Northwestern freight train. The rider was going west between the tracks. The engineer sounded the whistle several times as a warning and as the train approached the cyclist attempted to turn, but could not control his wheel and rolled directly in front of the locomotive. The train was at once stopped and the trainmen picked up the mangled remains of the unfortunate rider and brought them to Elmhurst. The town marshal took charge of the body. The dead man was apparently about 24 years old, and about 5 feet 8 inches in height. He was smooth faced and his hair and eyelashes were black. He was dressed in a gray cycling suit. There were no marks of identification other than a plain gold ring with the letters E and M engraved upon the inside. In his pocket was a card of C. B. Blackman, Madison street furnisher. Word was sent to the Chicago police and a detective was detailed to make inquiry of Mr. Blackman, but nothing was known of the cyclist.

W. F. Born has lately invented and patented an adjustable monkey-wrench which he is manufacturing and placing on the market, from the Dicky factory. The principal is entirely new and the tool is a decided improvement over any style of wrench previously invented. The features are the simplicity of adjustment to fit any sized nut, strength and general adaptability for use where other wrenches are too large and clumsy. It will no doubt meet with a large sale.

The scene enacted at the corner of Main and Curtis streets last Saturday afternoon is deeply regretted by the reputable citizens of Downers Grove. That the village authorities who were present should so far forget the duties of their offices as to allow such disgraceful proceedings to continue and assume such proportions, is a matter of much just censure by the people. What ever the facts in the case may be, the public morality demands that the young people of the village should not be allowed to witness such contemptible and degrading scenes as those enacted last Saturday. Only through prompt measures by the bystanders was blood-shed, perhaps, prevented. The whole affair could have been prevented by the immediate action of the authorities who were present. It was entirely within their jurisdiction. Law and order must be upheld and disturbances suppressed.

Veteran McKinley advocates visited, saw, and conquered Burlington Park Saturday. A picnic was held there under the auspices of the Cook County Veterans McKinley club. The members talked of McKinley and Hobart and sound money. These scarred veterans and their sons attested in ringing cheers their fealty to the cause of the Republican nominee for President. They told their own woeful experiences with the currency of war times. Then they pointed out clearly the damage the Popocrats were seeking to work by their silver agitation. George E. Adams stirred up great McKinley enthusiasm. He told the veterans the Republican party stood this year, as always, for the unity of the republic. Gen. Thomas A. Henderson of Princeton, Ill., Ex-Judge J. M. Longenecker and Henry Greenbaum of Chicago, also spoke and they brought out more applause for McKinley. Many from Downers Grove and other parts of the county were present.

### RESOLUTIONS OF SYMPATHY.

Whereas, It has seemed best by an all wise Creator, to take from our midst, our dear friend, and beloved brother, Bert C. Graham.

Be it resolved: That we hereby extend our tenderest sympathy, and heartfelt consolation to the bereaved parents, in this their hour of deepest sorrow. May they be sustained by that presence who has said: "I am the resurrection and the life." May He give them strength to say: "Thy will, not mine, be done."

Be it further resolved that a copy of these resolutions be spread upon the records of our lodge, and a copy furnished to the family of the deceased, and also a copy furnished the Downers Grove Reporter, Odd Fellows Herald and the Illinois Odd Fellow for publication.

Miss Esther May Mills and Walter Hubert Carpenter of Downers Grove, were married on last Wednesday evening at the home of the bride's mother, Mrs. E. D. Wallace. Only the relatives and intimate friends on the contracting parties were present. The ceremony was performed by the Rev. M. N. Praston, the ring being used. The bridal couple stood beneath a large floral horse shoe and were attended by Mr. and Mrs. C. Harold Vaughan. The bridal party entered the room to the strains of Lohengren's wedding march, played by Miss Belle Vaughan of Aurora. The happy couple left amidst showers of rice and good wishes for Chicago on the 10:30 train. After spending a few days in the city, they will leave for Bloomington, Illinois, where they will make their future home. Many handsome and valuable wedding presents were received by Mr. and Mrs. Carpenter.—Doings.
