## FAREWELL RECEPTION.

During the past four years Rev. A. E. Saunders has faithfully and studiously looked after the spiritual welfare of the members of the M. E. church of this village. He and his estimable wife have done much to further the christian work in the village; and it was mainly through Mr. Saunders persistent efforts that their beautiful church edifice was built. Recently he decided to apply to conference for a change of charge at the annual meeting held this week. Monday evening a farewell reception to Mr. and Mrs. Saunders was held at Mrs. Dan Austin's pleasant home, in recognition of their efficient labors. The house was crowded with the members of the church and friends who came to bid them good-by and God-speed in their new field of labor where they will shortly remove. After a pleasing program, the members of the church presented Mr. Saunders with a purse containing about forty dollars. Mr. Saunders was greatly overcome and with difficulty controlled his emotions. He at last found words and replied feelingly to the presentation. These people have many sincere friends in the village both in and outside of the church, who deeply regret their departure. Their relations in the church and in a social way have always been the most pleasant during their residence here, but Mr. Saunders decided on the change thinking he could do more good in a new field, than to remain here, as he could, for another year.
