OBEDIENCE SHOULD BEGIN AT HOME.

The REPORTER'S attention has been called to an urgent and withal a very deserving case of a family almost destitute—and there may be more—within the limits of Downers Grove.

Some time since donations of provisions, clothing and other necessities of life were sent to Chicago to relieve the poor and destitute in that city, which was a very commendable act, deserving of credit, but the REPORTER is not alone in the opinion that the first care we should take is of our own poor and unfortunate.

The case referred to is of a very deserving family, who through continued sickness are lacking the wherewith to procure the necessary articles of sustenance. It would be an excellent opportunity for charitable minded persons who have an abundance of this world's goods to exercise their inclinations and render assistance to a very worthy christian family.

In the appointment of general assembly committee chairmanships, both in the senate and house, DuPage county's senator and representative were neatly but effectively shelved, simply because it has pleased his excellency the governor to give the plums to those of his party to whom he could dictate.

The conferees on the immigration bill have reached a second agreement which removes every objection which its critics have made against it. Instead of providing that the immigrant must be able to read the English language or the language of their native or resident country, it now requires him only to read "the English language or some other language."

The Geneva Republican's edition for January 30th, issued in honor of the 80th anniversary of the establishment of that paper, is a commendable piece of journalistic enterprize. The edition is printed on heavy plate paper and consists of forty pages, 9 x 12 inches, of carefully compiled matter relating to the history of Geneva and Kane county, which is attractively set off by fine half-tone engravings of buildings, places and prominent residents of that county.

Someone calls attention at the curious fact that a man may be elected vice president of the United States, who could not serve as president in the case of the death of the president. The reason for this is that a vice president may legally serve as much as 30 years old, while the president must be 35.

According to statistics Illinois now stands second in Masonic membership in the United States. At the last session of the grand lodge held recently in Chicago there were over 1,000 representatives from different lodges in the state present.

Easy to Take Easy to Operate. Are features peculiar to Hood's Pills. Small in size, tasteless, efficient, thorough. As one man Hood's Pills.

"Billingsville is the dearest town on the B. & O." So the conductors and brakemen unimpaired of grammar declared; and the average stranger was sure to agree with them when in taking his first stroll around the village he came to the cemetery on Main street.

The sight of the white head-stones, the broken columns, the marble slabs with the puffy-cheeked cherubs pointing heavenward, and especially the arch over the gateway, with "Welcome" inscribed in eight-inch evergreen letters, was apt to unsettle people of neurotic temperament.

The ministers, too, thought the cemetery a good thing. Walking past that solemn place seemed to have a quieting effect on giddy worshippers and put them in a proper frame of mind for the morning sermon.

Once the feeling ran so high that a Billingsville cemetery association was organized, and it really seemed that something would be done. At the meeting to complete the arrangements for moving, old Sam Barker, the largest stockholder in the old cemetery zone and said, "I've had fifty dollars invested in that there bone orchard for twenty years and ain't got a cent of interest on it yet, and I'll be darned if I'll move till I've had some use out of that lot!"

In spite of that silent square in the middle of the town Billingsville is not entirely dead. Every evening a wide awake circle gathers 'round the red-hot stove at Burnett's store. They are the village prophets and consider themselves responsible for the way things are run.

Of course there is another circle down at Hodge's, for Billingsville is divided politically and the crowd at Burnett's is republican to the backbone, and since the election have scarcely recognized the existence of the other crowd.

Last fall they put in their time "restoring confidence" and "ensuing" Bryan, but lately they have resumed the war anecdotes and the fish stories of the cold winters we had back in the '50's.
