D. H. Merrill, the editor of the *Doings*, hurt the fore finger on his left hand quite seriously on Monday, by catching it in his new press. It is hoped that by good care the finger may be saved.  
Two new 13-foot flags have been purchased by the board of education from Murray & Co. to replace the tattered remains of those now over the two buildings. They will be floated to the breeze for the first time on Washington's birthday.

Martin Miller of South Lincoln street is a victim of unfortunate circumstances, and rightly mourns his ill luck. All of his five small children are ill with influenza, and the parents themselves are also in poor health.  
Considerable excitement and discussion was aroused in the school circles, this week, over the resignation of Miss Berk, as teacher in the Center school building. She goes to take a higher position in Benton Harbor, Mich. Miss Tucker is filling the vacancy temporarily.

**WHEATON.**  
Three bob-sleigh loads of merry makers went to the home of County Treasurer McKee last Saturday evening and spent an evening of rare enjoyment. These sleigh-ride parties promise to be more numerous if the sleighing don't wear out.  
A sleighload of school boys and girls had a tip-over near John Christie's last Saturday and as the team came home with the wheelless carriage, the pupils took a lesson in walking. The sport of that part of the trip was on the wrong side of the department card.

Died—On January 31, at his home near York Center, Peter C. Maas, aged 92 years. He came to this county in 1834, and has been a resident of this county since that time. He leaves two sons—Fred, residing here in Wheaton and Frank occupies the home farm. The funeral was on Tuesday, the remains being interred in the Catholic cemetery at Elmhurst.

Only four weeks to inaugural ceremonies at Washington. There are six or eight Wheatonites who have already made a date for the occasion, and the DuPage County band would not object to a "Canton contract." Could not enough in the county make arrangements for a special car or train and thus make the trip doubly pleasant by all going together?  
For the third time Fred Wilson of Lombard, a former telegraph operator at our station, was adjudged insane Tuesday and sent to Elgin. When Deputy Sheriff Andrew Christie, went to Lombard to bring Wilson to Wheaton, he received several gashes in his arm from a knife in the hands of the prisoner. Wilson was promptly disarmed, but he got in work enough to cause Andrew to wear his arm in a sling.—Illinoisian.

With the close of the Presidential campaign THE TRIBUNE recognizes the fact that the American people are now anxious to give their attention to home and business interests. To meet this condition, politics will have far less space and prominence, until another state or national occasion demands a renewal of the fight for the principles for which THE TRIBUNE has labored from its inception to the present day, and won its greatest victories.  
Every possible effort will be put forth, and money freely spent, to make THE WEEKLY TRIBUNE preeminently a NATIONAL FAMILY NEWSPAPER, interesting, instructive, entertaining and indispensable to each member of the family.

**The Chicago Chronicle**  
IS FIRST OF ALL  
**A GREAT NEWSPAPER.**  
ACCIDENTALLY it is an advocate of democracy, with no leaning toward populism or state socialism. The triumph of the republican party in the recent presidential election, as a result of the disruption of the democracy, devolves upon the latter the duty of reconquering and reorganization on the lines of their own, and not some other party's, faith. To promote genuine democracy, to discountenance populism, and to resist the monopolistic tendencies of republicanism will be the political mission of THE CHICAGO CHRONICLE in the future as it has been in the past.  
As a newspaper THE CHRONICLE will continue to be comprehensive and enterprising, springing neither labor nor expense to make its reports of all noteworthy events of superior importance, and covering exhaustively the entire field of news, discovery, invention, industry and progress.  
For one cent a day every family within five hundred miles of Chicago may have on its table a copy of a great daily newspaper, costing thousands of dollars to produce—a miracle of cheapness and value combined.
