HAVE STRUCK IT RICH.
Miners and Business Men Excited Over the Discoveries in the Black Hills.
Ragged Top, the new Black Hills gold camp, on the Spearfish branch of the B. & M. R. R., is producing some wonderful "finds." Black Hills people are very much excited over the recent discoveries and say it is a second Cripple Creek. The remarkable thing about this district is that it shows on the surface no indications of being a rich mining field, and has been passed over scores of times by experienced miners who never dreamed of its richness.
A typical mining camp has sprung up there within the past few weeks, and people are rushing in from all parts of the Black Hills district. There are said to be good openings at Ragged Top for a bank, bakery, a shoe store and furniture establishment. Two new towns have been laid out and buildings are being erected as fast as the limited facilities at the disposal of the inhabitants will permit.
It is predicted that with the opening of spring there will be a great rush to this new country, which promises such wonderful results.

Dr. Miles' Nervine Cures.
Mrs. Chas. A. Myers, 201 Hanna St., Fort Wayne, Ind., writes Oct. 7, 1894: "I suffered terribly with severe headaches, dizziness, backache and nervousness, gradually growing worse until my life was despaired of, and I thought I would never see the day when I could get on my feet again. I had no relief until I commenced using Dr. Miles' Nervine. I have taken five bottles and believe I am a well woman, and I have taken great comfort in recommending it to all of my friends to use Nervine. You may publish this letter if you wish, and I hope it may be the means of saving some other sick mother's life, as it did mine."

The New York Weekly Tribune
For Farmers and Villagers
For Fathers and Mothers
For Sons and Daughters
For All the Family

With the close of the Presidential campaign THE TRIBUNE recognizes the fact that the American people are now anxious to give their attention to home and business interests. To meet this condition, politics will have far less space and prominence, until another state or national occasion demands a renewal of the fight for the principals for which THE TRIBUNE has labored from its inception to the present day, and won its greatest victories.
Every possible effort will be put forth, and money freely spent, to make THE WEEKLY TRIBUNE preeminently a NATIONAL FAMILY NEWSPAPER, interesting, instructive, entertaining and indispensable to each member of the family.

The Chicago Chronicle
IS FIRST OF ALL
A GREAT NEWSPAPER.
IDENTICALLY it is an advocate of democracy, with no leaning toward socialism or state socialism. The triumph of the republican party in the recent presidential election, as a result of the disruption of the democracy, devolves upon the latter the duty of reconstitution and reorganization on the lines of their own, and not some other party's, faith. To promote genuine democracy, to disorganize the monopolistic tendencies of republican government, and to meet the political mission of THE CHRONICLE in the future as it has been in the past, as a newspaper THE CHRONICLE will continue to be comprehensive and enterprising, sparing neither labor nor expense to make its reports of all noteworthy events of superior interest, and covering exhaustively the entire field of news, discovery, invention, industry and progress.
For one sent a day every family within five hundred miles of Chicago may have on the day of its publication a copy of a great daily newspaper, costing thousands of dollars to produce—a miracle of cheapness and value combined.
