WASHINGTON

REPORT OF DAILY CONGRES-SIONAL DOINGS.

Committee Appointed by the Senate to Investigate Into the Causes of the Recent Floods-Plan to Take the Tariff Question Out of Politics.

The senate Monday agreed to the resolution directing the commerce committee to inquire into the causes of the sociation which was held at Denrecent Mississippi floods and to report | ver two years ago, and last year next December.

Cuban resolution, and closed by saying ing more convenient to the teachers that 600 men had gone to aid Cuba.

speech in favor of the resolution. I hope it may last long enough to drive the last remnant of monarchy from the American continent."

To Settle Tariff Question. Congressman Fowler of New Jersey introduced in the house Monday a bill to establish a tariff commission to "investigate federal taxation, recommend changes therein and adjust any inequalities in existing laws." The bill provides for the appointment of seven commissioners by the president for a term of office of twenty-one years. The purpose is to take the tariff question out of politics.

Bell Telephone Company Wins. The Bell telephone company won the States to annul the last Perliper patent. This decision has the effect of continuing the control of the telephone by the Bell company for seventeen

SCHOOL-TEACHERS IN COUN-CIL.

The Great Educational Gathering to Be Held in Milwaukce in July.

It is the expectation of those who have charge of the preparations for the convention of the National Educational Association, which will be held at Milwaukee next July, that the gathering will be the largest meeting of teachers ever assembled on this continent. The session w'H begin July 6 and close July 9. E.even thousand people attended the meeting of the asat Buffalo, the attendance was Senator Hale opposed the Morgan upward of 9,000. Milwaukee, be-

of the great states of Illinois and Senator Turpie made a vigorous Iowa, will get a vastly larger attendance from those states than Buffalo is the age of revolutions," he said, "and secured. In fact, all the western and southern states are expected to send more delegates than they sent to Buffalo. Some of the most gifted writers and speakers in the United States will contribute to the discussions, and there is a possibility that President McKinley will lend his presence to the occasion.

The railroads have agreed to make a half-fare excursion rate for the round trip to all who purchase tickets with the associate membership coupon attached. This costs only \$2.50, and admits the holder to all meetings of the association. A great many people who are not teachers may be expected to take advantage of the opportunity which this rate will afford for securing a cheap summer excursion.

There is no pleasanter summer outing country in the world than in the state of Wisconsin. Milwaukee alone presents a long list of summer attractions to strangers, commencing with her invigorating, delightful climate, and aling with her parks, her firstyears from the date of the last patent, class emusement enterprises, and her

HORROR OF THE SEA.

SIXTEEN PERSONS BURNED TO DEATH.

Passengers and Sallors of the Steamship Leona Die in the Steerage Cargo of Cotton Bursts Out Into Flames -All Escape Is Cut Off,

The Mallory line steamer Leona. which left her pier on Saturday, bound for Galveston, took fire at sea, put back and arrived at New York Sunday night with sixteen corpses on board.

The dead were thirteen steerage passengers and three members of the crew, who succumbed to a terrible fire which occurred off the Delaware capes at an early hour Sunday morning.

The horror of the story can hardly be told. Those who are dead were penned up below decks, and although frantic efforts were made by the officers of the vessel to save them, the fire had gained such terrible headway before the danger was discovered that all escape was cut off.

The steamer carried in her cargo many bales of cotton. It is not certain how the fire originated, but when it was discovered it burst forth with such fury that it was impossible to reach the steerage. Even then the steerage passengers apparently were unmindful of the danger, else the smoke and flames would not have reached them.

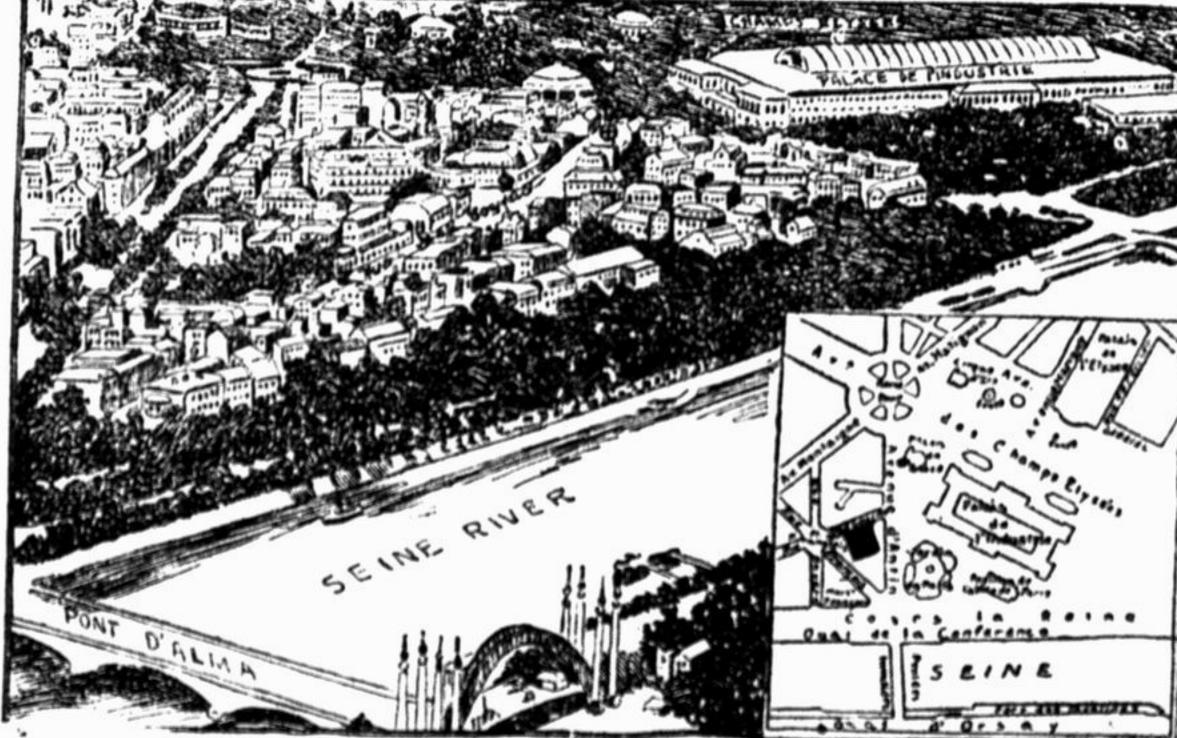

The saloon passengers were all
