THE AYRES TREATMENT.

Des Moines, Ia., July 17, 1897. M. M. Farmer, Esq., Downers Grove, Ill.

Dear Sir:—Your favor of the 15th inst. and a copy of the REPORTER received. If the citizens of Downers Grove organize a company and establish an institute they will be the means of giving that village a national reputation; for the Ayres One Day Cure for Dipomania is the most marvelous remedy of this age—almost miraculous in effect. You are authorized to say that I will take the worst case of delirium tremens—raving and crazy and crying for liquor—and guarantee in six to twelve hours to quiet the patient and in twenty-four hours to remove the appetite for liquor without the least harm or bad effects whatever. Can any physician with any other remedy do as much? No! A thousand times so! I have experimented and cured hundreds of cases and never failed in a single instance.
 Yours truly,
 L. E. AYRES.
