CASS NEWS.
 Quarterly meeting this week Friday. Elder Burns will be present.
 Rev. Shutz returned Saturday and reported a fine trip and an enjoyable visit.
 Several from Cass attended the dedicatory services of the new courthouse, Saturday. Others went to Burlington Park where the Scotch picnic was held. A good day and a fine time is reported from both places.
 There will be an ice cream social at G. B. Heatt's to-night. It is a joyful break in the monotony to have a social in Cass, and the chairman on literary program is working, so come everyone and enjoy yourself.
 The young people do the work of the Junior League in spite of the warm weather. If starting well is any indication, Cass will have many good practical workers in the near future. Keep it up, young people. Let nothing stand between you and success.

HOW TO FIND OUT
 Fill a bottle or common glass with urine and let it stand 24 hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO
 There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and extraordinary effect of swamp-root is soon realized. It stands highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price 50 cts. and 1 dol. You may have a sample bottle and pamphlet sent free by mail. Mention The Reporter and send your address to Dr. Kilmer & Co., Binghamton N. Y. The proprietors of this paper guarantee the genuineness of this offer.

DRUNKENNESS CAN BE CURED.
 The following is an extract from the United States Health Reports of New York city, with reference to the Ayres Remedy for Dipomania, used by the Orienta Treatment company of New York city and Downers Grove, Ill.:
 "It is a truly wonderful cure. It is strong and powerful, and withal so simple and effective that the helpless drunkard can, by its marvelous curative powers, be lifted up out of the slough of slime, filth and degradation, where excessive indulgence has placed him and land him safely upon the solid ground of sobriety. The patient is not subjected to the dangerous and bad effects of the oft times fatal hypodermic treatment. The simple, safe and strong tonic cure calls into action the secreting and excreting organs, and thereby relieves the system of all alcoholic poisons. It equalizes and stimulates all organs in the healthful performance of their normal functions, and results in the complete restoration of mental and physical manhood. In conclusion, we feel it a duty to add that the treatment of the Orienta Treatment company is the greatest curative agency incident to the use of liquor that ever came under our observation. In the cure of all kinds of liquor habits this remedy is superior to every remedy in the world, and as such we recommend and endorse it editorially and officially in the United States Health Reports."
