Automatic Scrabbing Machine. No more women will need to get Cown on their knees to scrub the floor. iAn Englishman has invented a machine which does the work. It resembles a lawn mower and is propelled in the same way. Hot water is placed in a receptacle, and when the machine is moved, flows forth gently and is automatically gathered up by a wiping cloth and brushes to be found

in the rear. The rapidity with which

the machine scrubs the floor and dries

Maud Muller Revised.

Maud Muller on a summer night, went on her bike in the bright moonlight. She pedaled from six to ten on a trip that would fag the strongest of men. But her heart was light and her spirits gay, for it wasn't work, 'twas nothing but play. Next morning, however, she'd a pain in her head, she was played out and stayed in bed; while her mother hustled in the kitchen below, not to ride a wheel, but to make things "go." Though the morning was hot and she worked by the fire. she didn't collapse with a punctured tire. Alas for the girl and the woman! See? Things are not as they used to be.

WISE WOMEN.

Those Who Heed the First Symme toms of Nervous Derangement

Special from Mrs. Pinkham.

A dull, aching pain at the lower part of the back and a sensation of little rills of heat, or chills running down the spine, are symptoms of general

womb derangement. If these symptoms are not account nied by leucorrhosa, they are precursors of that weakness. It is worse than folly to neglect these symptoms. Any woman of common sense will take steps to sure herself. She will realize that

her generative system is in need of help, and that a good restorative medicine \$ a positive necessity. It must be a medi eine with specific virtues. As a friend, a woman friend, let me advise the was of Lydia E Pinkham's Vegetable

Compound. If your case has progressed so that a troublesome discharge is already established, do not delay, take the Vege etable Compound at once, so as to teme up your whole nervous system: you can get it at any reliable drug storal You ought also to use a local application, or else the corresive discharge will set up an inflammation and hardening of the parts. Mrs. Pinkham's Sanative Wash is put up in packets at 25 cents each. To relieve this painful condition this Sanative Wash is worth

its weight in gold. MRS. GEORGE W. SHEPARD, Waterville, N. Y., says: "I am glad to state that I am cured from the worst form of famale weakness. I was troubled very much with leucorrhoea, bearing down pains and backache. Before using Mrs. Pinkham's Remedies it seems that I had no strength at all. I was in pain all over. I began to feel better after taking the first dose of Vegetable Compound. I have used five bottles, and I feel like a new woman. I know if other suffering women would call try it, it would help them."
