Headache Destroys Health

Resulting in poor memory, irritability, nervousness and intellectual exhaustion. It induces other forms of disease, such as epilepsy, heart disease, apoplexy, insanity, etc.

Dr. Miles' Nervine Cures.

Mrs. Chas. A. Myers, 201 Hanna St., Port Wayne, Ind., writes Oct. 7, 1904: "I suffered terribly with severe headaches, dizziness, backache and nervousness, gradually growing worse until my life was despaired of, and try what we would, I found no relief until I commenced using Dr. Miles' Nervine. I have taken five bottles and believe I am a well woman, and I have taken great comfort in recommending all of my friends to use Nervine. You may publish this letter if you wish, and I hope it may be the means of saving some other sick mother's life, as it did mine."

Quite a number attended the plowing match at Wheatland and the Buffalo Bill show at Joliet Saturday.

Forty degrees fall in the temperature makes everybody sneeze. Why don't you put on warmer clothes?

There was an accident last week. The little folks at J. F. Smart's thought they would toast their toes by the light of the straw stack. But said stack was near the barn and the telephone rattled the news to W. H. Smart's and to Messrs. Cleveland and Winbolt's, and the news thus spread resulted in moving bicycles, wagons, buggies, horses, etc., and there were soon enough men on the scene to hold the fire in check, so as to save the barn. Had the wind blown from the west instead of from the north the task of the fire-fighters would have been much more difficult. As it was a serious conflagration was happily averted.
