## HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand 24 hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

## WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp Root, the great kidney remedy fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-root is soon realized. It stands highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price 50 cts. and 1 dol. You may have a sample bottle and pamphlet sent free by mail. Mention The Reporter and send your address to Dr. Kilmer & Co., Binghamton N. Y. The proprietors of this paper guarantee the genuineness of this offer.
