The ladies of the guild of St. Andrew's Episcopal church, gave a bag party at the residence of W. S. Waples on Franklin street, last Thursday evening which was well attended. An interesting and varied program was presented, consisting of instrumental and vocal solos, recitations and selections by the mandolin club. Little Miss Florence Lamburne delighted the audience with her clever recitations and readings.

The Chicago Telephone Company are making contracts with subscribers for instruments on a local telephone exchange in Downers Grove, with the provision that a sufficient number be secured to warrant applying to the village board for a franchise. About fifteen instruments have been subscribed for and the indications are that a number of others will shortly be added to the list. The benefits of such a system are many and well understood. The rates charged by the company for the rental of the instruments are low and there is small doubt that many will avail themselves of this opportunity to secure telephone connections with their neighbors and the outside world. Professional and business men will find it especially desirable.

GRAND JURY REPORT.

Your grand jury respectfully reports that it has found thirteen true bills and five no bills, and would further report that it has carefully inspected the poor farm, the jail and the court house, and finds them all in excellent condition. Your grand jury wishes further to state that the most sincere thanks are due from this county to its board of supervisors, not only for the good care of the county property, but also for the handsome, commodious and complete home afforded for the courts and county records. We deem especial praise is due the board for the intelligence it has shown, the pains taken and the diligence exercised in the performance of its duties in this regard; the particular design and general convenience of our new court house deserving special commendation. Your grand jury would also further recommend the erection of a new building on the poor farm for the insane. Also that the old building for county offices be removed and that a vote of thanks be extended to the officers in charge, including the states' attorney, sheriff, deputies, etc.

OCTOBER PIANO SALE.

We urge an early call from every intending piano buyer in Downers Grove and vicinity. We are making during October, a general clearance sale. It includes second hand, shopworn, old style cases, rental stock and exchanged pianos of many makes, including several Bradburys. Some of these clearance sale pianos rank high musically. We recommend them for beginners. Our wholesale and retail departments have both contributed largely to this notable sale.

Every visitor is invited to inspect our complete line of Bradburys in uprights and cabinet and parlor grands, the foremost of all pianos. But we especially urge these cheap but serviceable "Clearance Sale" pianos just now. We need the room badly for new stock. Terms—A proper discount for cash. But times are good, money easy, our own capital perhaps the largest in our line, (see Dunn or Bradstreet) salaries positions secured, hence time buyers will be equally favored and may practically make their own terms. Our prices include free delivery. Selections now may be delivered later. If you cannot call, write for "Clearance Sale" list. F. G. Smith, Mr. Bradbury pianos, J. M. Hawxhurst, western manager, 355 257 Wabash ave. Telephone Harrison 771. Factories: Brooklyn, N. Y., Leominster, Mass.

THE BEST FAMILY CATHARTIC.

For a general home medicine, Hood's Pills are unequalled. They were prepared for family use and they have been found entirely satisfactory whenever they have been used. Their sale has gradually extended until today the demand for them leads the trade to look upon Hood's Pills as "the coming pill." They relieve and cure so many troubles that they are really a whole medicine chest. They are mild and yet efficient.
