Chronic Dyspepsia Cured.

AFTER suffering for nearly thirty years
from dyspepsia, Mrs. H. E. Dugdale,
wife of a prominent business man of
Warsaw, N. Y., writes: "For 29 years, I was
a constant sufferer from dyspepsia and a
weak stomach. The lightest food produced
distress, causing severe pain and the forma-
tion of gas. No matter how careful of my
diet I suffered agonizing pain after eating.
I was treated by many physicians and tried
numerous remedies without permanent help.
Two years ago I began taking Dr. Miles'
Nerve and Liver Pills and Nowine. Within
a week I commenced improving, and per-
sisting in the treatment I was soon able to
eat what I liked, with no evil effects.
I kept them at hand and a single dose dispels
any old symptoms."
Dr. Miles' Remedies
are sold by all drug-
stores under a positive
guarantee, first bottle
benefits or money re-
funded. Book on dis-
eases of the heart and
nerves free. Address,

AN ORDINANCE

Granting the Chicago Telephone Com-
pany certain rights in the village of
Downers Grove, Illinois.

Be it ordained by the president and
board of trustees of the village of Downers
Grove:

Section 1. That the Chicago Tele-
phone Company, its successors, lessees
and assigns, are hereby granted the
right to erect, maintain and renew
upon and along the streets and alleys
of the village of Downers Grove, lines
of poles, wires and cable, and to use
the same for supplying the general
public means of communication by
telephone or other electrical device.

After July thirtieth (30th) 1910, the
said village, upon giving to the Chicago
Telephone Company, its successors
or assigns, thirty (30) days' written
notice of the intention so to do, may ter-
minate all rights hereunder by an or-
dinance of council.

Sec. 2. All poles erected hereunder
shall be located under the supervision
of the committee on streets and alleys
of the village, and the said committee
shall have the right, before the erec-
tion of any line of poles hereunder, to
change said company's plan for locat-
ing the same to some other route which
shall be practicable and reasonably di-
rect to reach telephone subscribers.
And said poles shall be so placed and
maintained as not to interfere with or-
dinary travel or with any water or sewer
pipe; said poles shall be not less than
thirty feet in length, shall be smooth
well-shaped cedar poles, and shall be
neatly painted and kept painted. When
it becomes necessary to dig holes in
the streets to set poles or replace the
same, the company shall immediately
repair such streets in a manner satis-
factory to said village board:

Any pole or poles which interfere
with the public use of any street or al-
ley, or any improvement on or in any
street or alley, shall be promptly and
within ten days after written notice,
moved by said company so as not to in-
terfere therewith.

Sec. 3. No tree or trees in any street
or alley of said village shall be cut or
trimmed by said company, its succes-
sors, lessees and assigns, without the
consent of the abutting property
owner.

Sec. 4. Said company shall always
hold and save said village of Downers
Grove free and harmless from any
damage arising by reason of said use of
said streets, or in any way growing out
of the erection and maintenance of said
poles and wires.

Sec. 5. In consideration whereof
said Chicago Telephone Company shall
allow the village of Downers Grove the
use of its poles and fixtures for the police
and fire alarm wires of said village,
reserving on the top cross arm of each
pole sufficient space to carry such
wires; provided, that the same shall be
so placed and maintained by the village
under the direction of the village
general superintendent, and so as not
to interfere with said company's use of
said poles; said company, its successors
and assigns, shall furnish said village,
after the establishment of an exchange
hereunder, the following telephone
business only, free of charge: One in
the waterworks, one in the village hall,
one telephone in the office of the vil-
lage collector, provided that said col-
lector is not using an exchange tele-
phone of said company in his premises,
and one in each and every fire engine
house maintained by said village, so
long as said company operates its said
exchange hereunder; the usual con-
tract for each telephone shall be pre-
viously signed for the village by the
president.

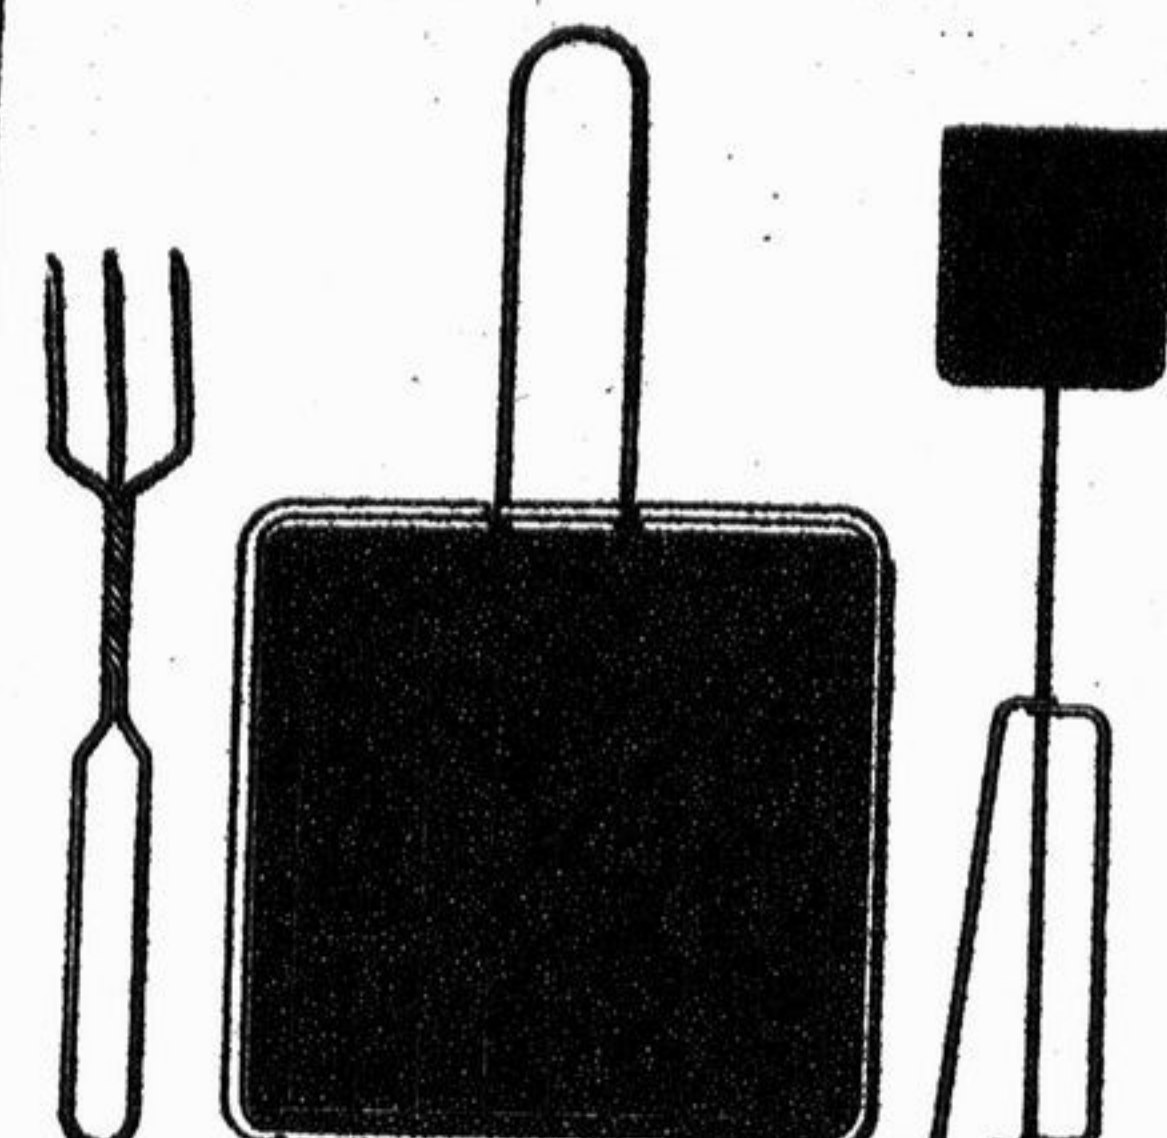

Sec. 6. This ordinance shall be in
force from and after its passage and the
filing in the office of the village clerk
of a written and unconditional accept-
ance of its provisions by said Chicago
Telephone Company.

Passed November 22d, 1907.
Approved November 22d, 1907.
GUY L. BUSH, President.
