CHICAGO

AN EPIDEMIC OF DIARRHOEA.

Mr. A. Sanders, writing from Coconut Grove, Fla., says there has been quite an epidemic of diarrhoea there. He had a severe attack and was cured by four doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy. He says he also recommended it to others and they say it is the best medicine they ever used. For sale by Bush & Simonson.

A THOUSAND TONGUES

Could not express the rapture of Annie E. Springer of 1125 Howard street, Philadelphia, Pa., when she found that Dr. King's New Discovery for consumption had completely cured her of a hacking cough that for many years had made life a burden. All other remedies and doctors could give her no help, but she says of this royal cure—"It soon removed the pain in my chest and I can now sleep soundly, something I can scarcely remember doing before. I feel like sounding its praises throughout the universe." So will everyone who tries Dr. King's New Discovery for any trouble of the throat, chest or lungs. Price 50c and \$1.00. Trial bottles free at Bush & Simonson's. Every bottle guaranteed.

IS IT RIGHT?

From Sylvan Valley News, Brevard, N. C.

It may be a question whether the editor of a newspaper has the right to publicly recommend any of the various proprietary medicines which flood the market, yet as a preventative of suffering we feel it a duty to say a good word for Chamberlain's Colic, Cholera and Diarrhoea Remedy. We have known and used this remedy in our family for twenty years and have always found it reliable. In many cases a dose of this remedy would save hours of suffering while a physician is awaited. We do not believe in depending implicitly on any medicine for a cure, but we do believe that if a bottle of Chamberlain's Diarrhoea Remedy were kept on hand and administered at the inception of an attack much suffering might be avoided and in very many cases the presence of a physician would not be required. At least this has been our experience during the past twenty years. For sale by Bush & Simonson druggists.

UNPARALLELED OFFER.

All our farmer readers should take advantage of the unprecedented clubbing offer we make this year, which includes with this paper, the Iowa Homestead, its Special Farmers' Institute editions, the Poultry Farmer and the Farmers' Mutual Insurance Journal. These four publications are the best of their class and should be in every farm house. To them we add for local county and general news our own paper and the Chicago weekly Inter Ocean and make the price for the six for one year \$2.25. Never before was so much superior reading matter offered for so small an amount of money. The five papers named which we club with our own are well known throughout the west and commend themselves to the readers favorable attention upon mere mention. The Homestead is the great agricultural and live stock paper of the west; the Poultry farmer is the most practical poultry paper for the farmer published in the country; the Farmers' Mutual Insurance Journal is the special advocate of farmers' co-operative associations and the special Farmers' Institute editions are the most practical publications for the promotion of good farming ever published. Take advantage of this great offer.

Encouraging Words for Others.

"My gratitude for the benefit received from Dr. Miles' Nervine prompts me to write, that others may learn of the efficacy of this grand medicine. I suffered extreme nervous exhaustion, which rendered me unable to work. My nerves seemed to be 'on edge' and I had much lassitude. I began taking Dr. Miles' Nervine and steadily improved and now am enjoying good health."

WHAT TO READ.

Some Prominent Chicagoans
Express Opinions.

In these enlightened times every person who pretends to keep in touch with the progress of the world must read a first-class daily metropolitan newspaper. They who would select the best should be guided by the opinions of prominent newspaper-men who know. Read the following:

"There is no question as to the position occupied by The Chicago Tribune. Its enterprise has been too often demonstrated. As a local and American news-gathering institution it has no superior and few equals in the matter of foreign cables, no other paper west of New York can be compared to it. These are the things, of course, that go to make a complete and great newspaper."
CARTER H. HARRISON,
Now Mayor of Chicago, formerly publisher Chicago Times.

"The Chicago Tribune is the best newspaper in the world. I consider it make up and facilities for gathering news unequalled, although I do not agree with it politically."
WASHINGTON WHEATON,
The late Postmaster, Chicago, and publisher Staats Zeitung.

"The Chicago Tribune is beyond question the greatest newspaper in the West, if not in the country."
MARTIN J. RUSSELL,
Editor-in-Chief Chicago Chronicle.

**Over-Work Weakens
Your Kidneys.**

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits

by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail—free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Washington, D. C.
