**Agricultural Implements, Farm Machinery, Table and Pocket Cutlery, Razors, Scissors, Butcher Knives, Paring Knives, Guns, Revolvers, Ammunition of all kinds, Stoves, Ranges, Bicycles, Bicycle Sundries and Supplies.**

The whole thing in a "nut shell". We have everything that makes a **First-Class, Up-to-Date Store**. We cordially invite you to pay us a visit and look over our stock whether you buy or not, so when you do want to buy you will know where to come. **If you don't consult us you sacrifice your own interests.** We hope you will look over this advertisement and read all we have to say. We omit prices. We prefer to have you call and look our goods over and get prices.

## David Bradley's Agricultural Implements.

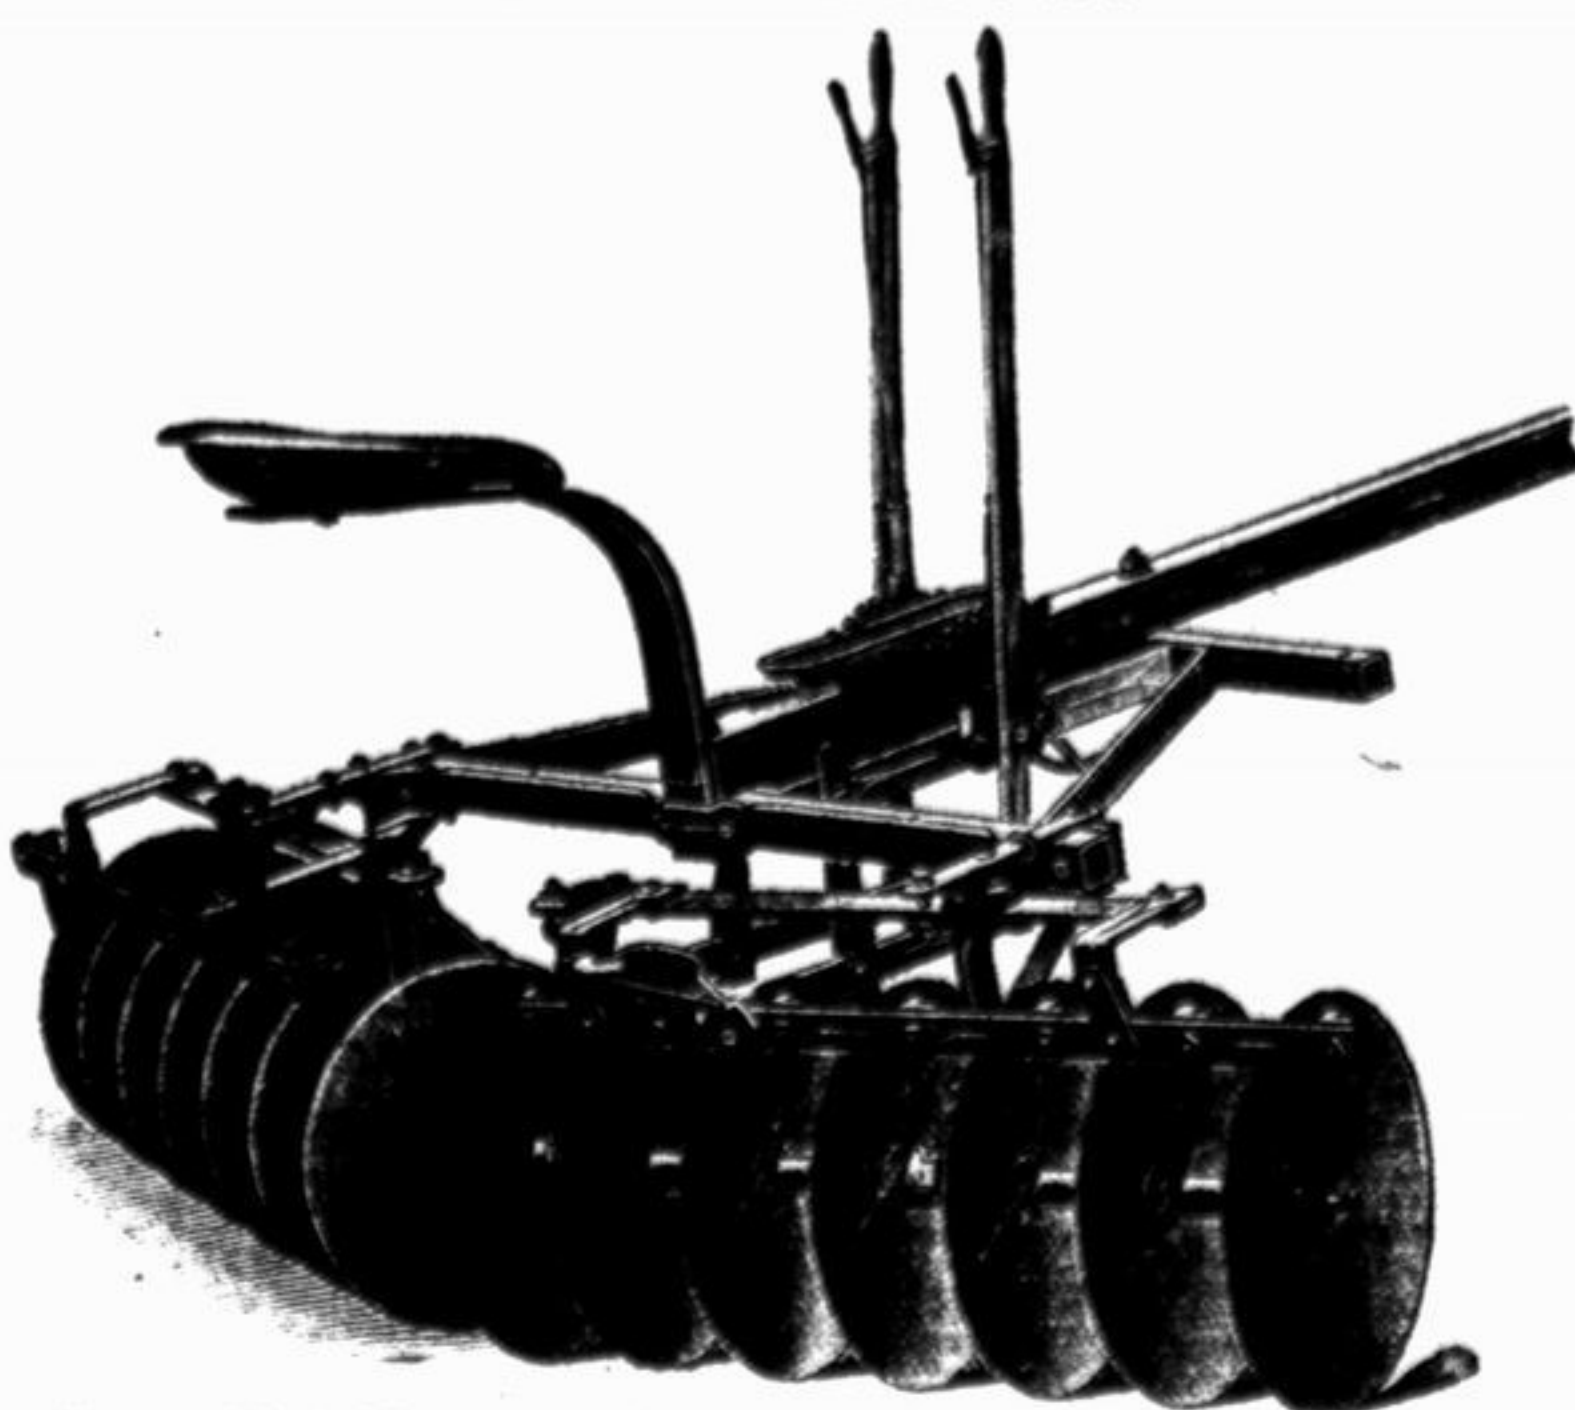

Steel Stubble and Sod Plow. Steel and wood beam. Slip share hardened mould board, share and landslide. Double shire steel tapering landslide.

## "X Rays" Sulky Plow.

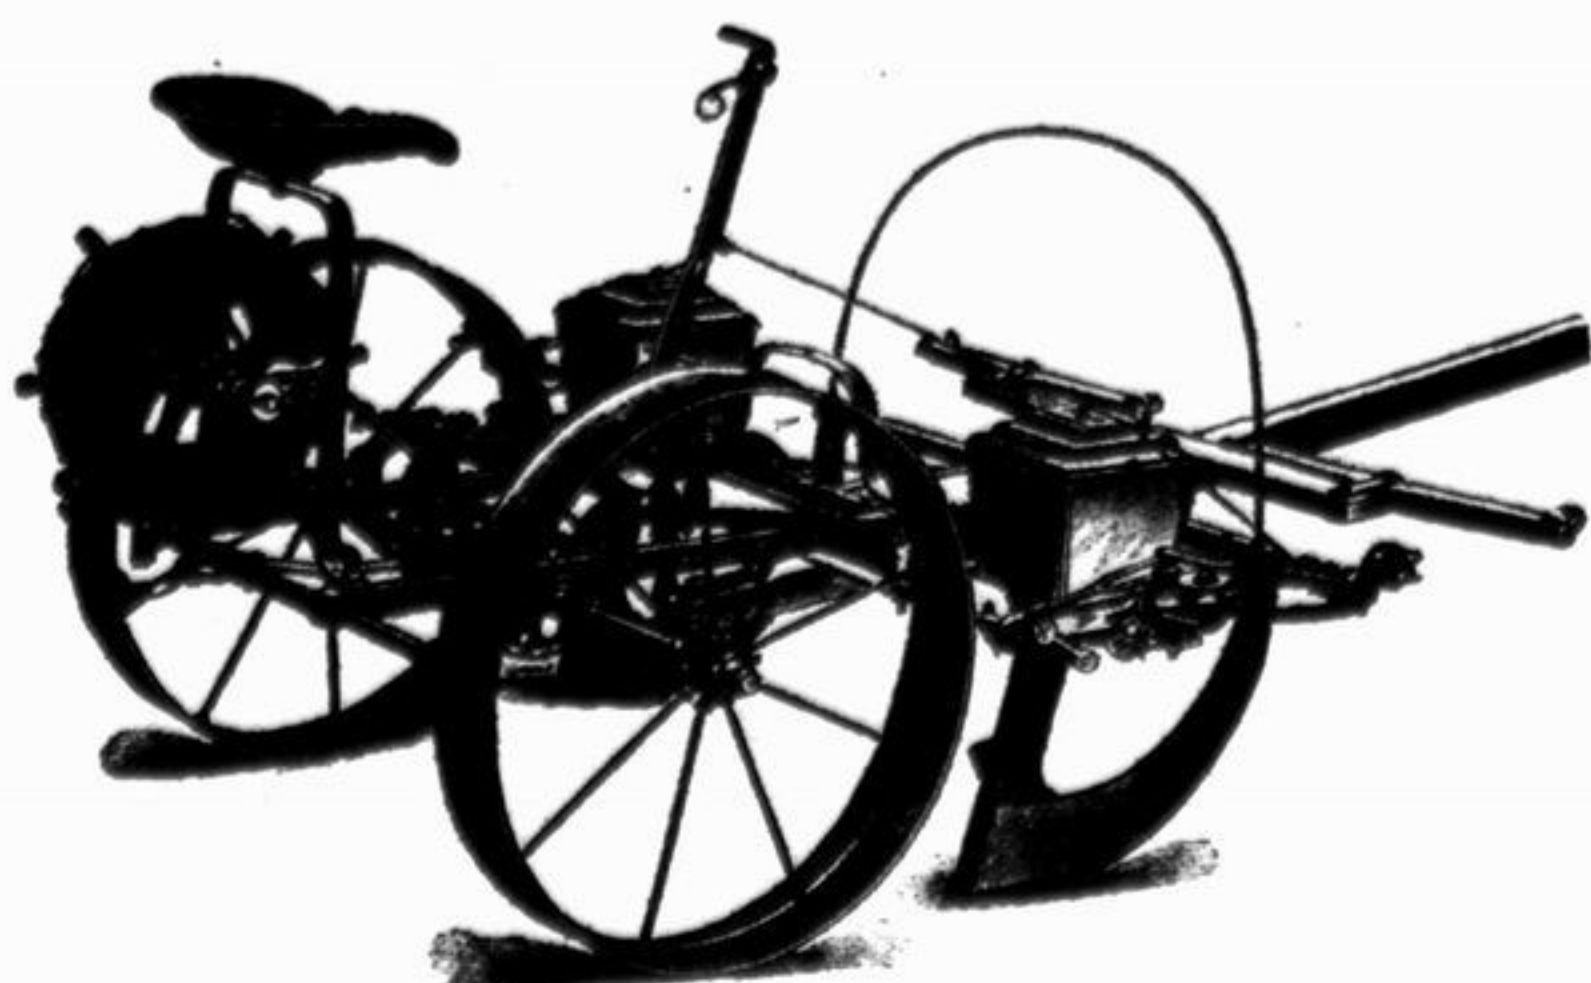

This plow embraces all the latest ideas that are practical and valuable. High lift; a lifting spring which helps to raise it. A twelve-year old boy can handle it.

## Disk Harrow.

Steel frame Disk Harrow, with 12, 14 and 16 inch disks. 6 1/2 and 7 1/2 ft. cut. Two levers, one for each gang disks. Other good features.

## Force Drop Check Row Corn Planter and Drill.

Makes an exact check so that cross rows are as straight as others. A plunger in feed tube which forces the corn out. Impossible to clog. No failure to drop. Automatic reel.

We represent everything just as it is, and when we say we will do a thing, we do it. We solicit your trade. Drop in and see us.

## McCormick Corn Harvester.

It works where others fail. It is the best in these points: 1. Ease and quickness of adjustments. 2. Longest adjustment of band. 3. Fewest ears knocked off. 4. Picking up down corn. 5. Tight binding. 6. Light draft. 7. Durability. 8. Strength. 9. Opening lands. 10. Square butts.

## The New McCormick Mower.

4 1/2 feet and 5 feet cut. More than fifty out of every hundred mowers sold around the world bear the name McCormick. The best in the world.

## McCormick All Steel Hay Rakes.

The best in the world. Kings of the Meadow. Both hand and self dump. 8 feet, 20 or 26 teeth. 12 feet, 32 or 40 teeth. 16 feet, 36 or 32 teeth.

## The McCormick Binder

The McCormick right hand self-binding mower—model 1900. The McCormick returns to its buyer a greater value than any other harvester that ever entered the harvest field. Although the highest priced of all harvesters, its sales in 1909 were the largest ever made.

## McCormick Corn Husker

And fodder shredder. Increases the food value of the corn stalk one-half. The feeder stands in front. The husking rolls are crosswise. The shredder head both splits and cuts. The sieve surface is very large. Best bargain at its price of any farm tool.

## Gasoline and Oil Stoves.

We have exclusive sale of this well known and liked gasoline stove. We have them in all styles.

## Puritan Wickless Blue Flame Oil Stoves.

This well known stove sold by us last season. We have it again and will be pleased to show it to you.

## Monkey Wrenches.

And all other kinds of wrenches at prices to suit.

## Crystal Spring Wringer.

Solid white rubber rolls. Well made and fully guaranteed by us.

## Sterling Duplex Washer.

This is the best washer on the market. All parts heavily galvanized.

## S-W-P Sherwin-Williams Paint.

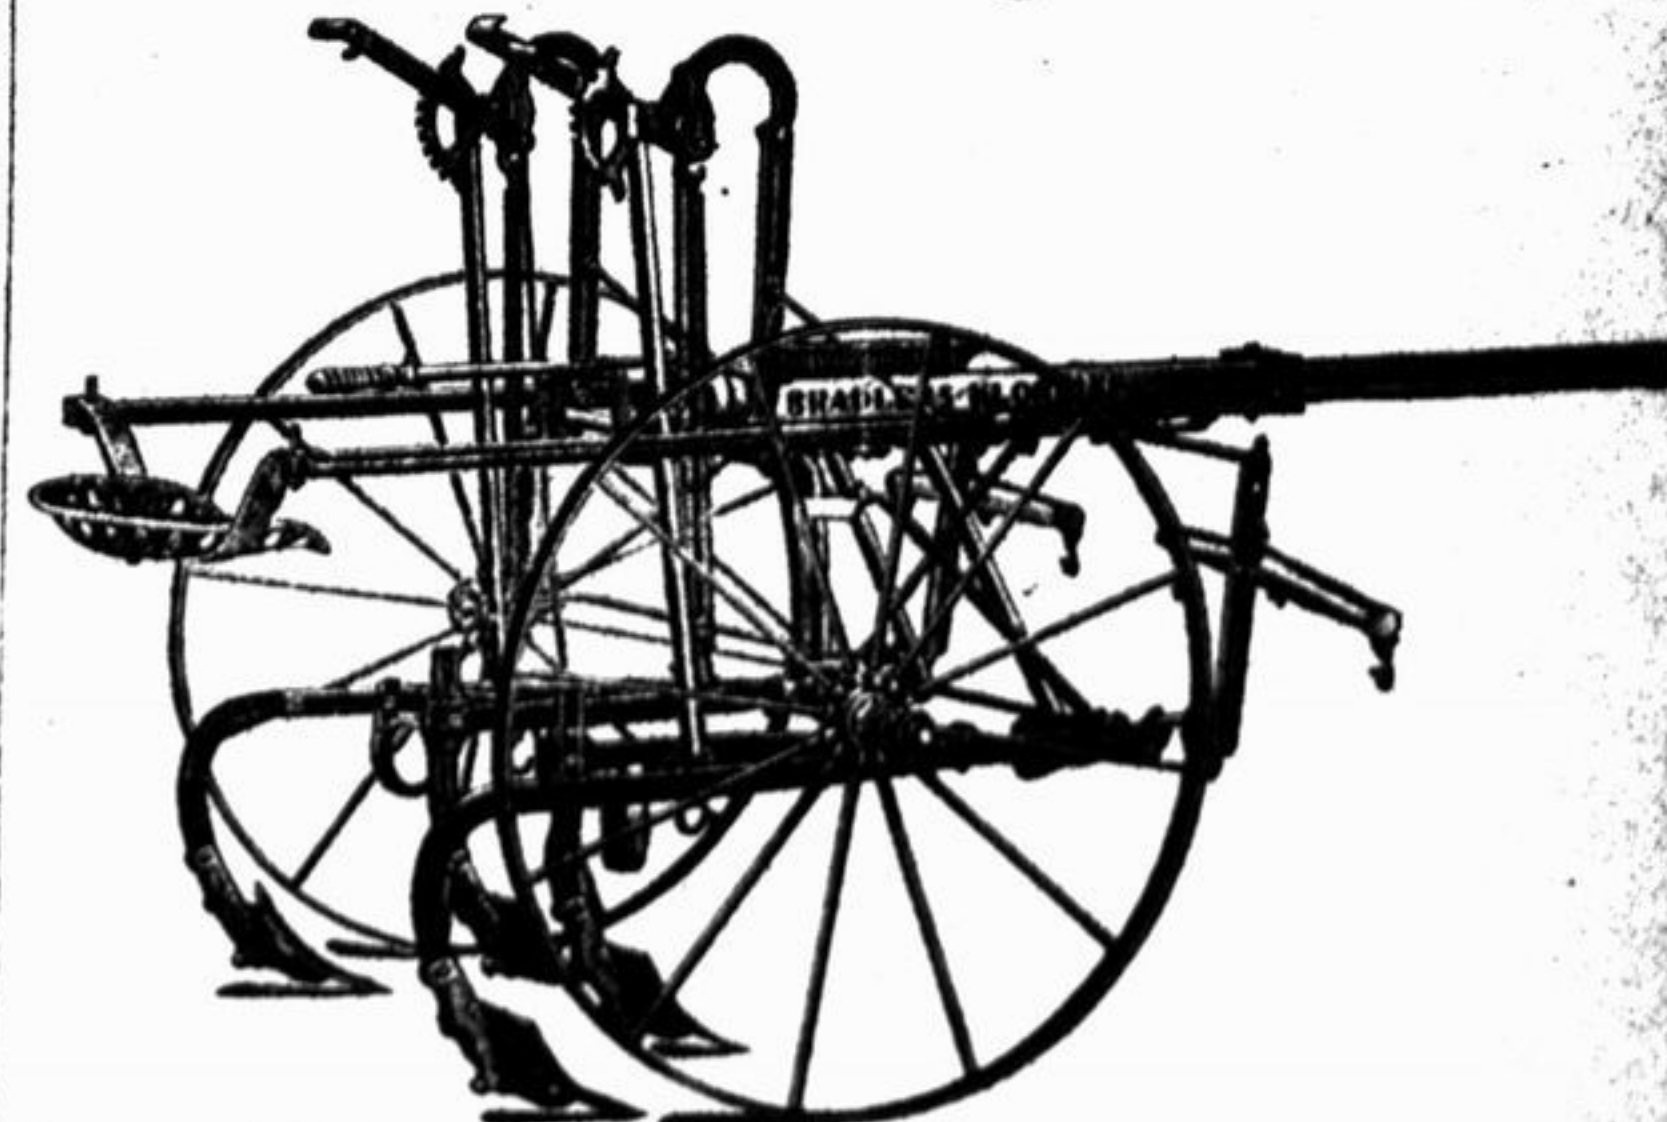

Covers most. Looks best and lasts longest.

## A Word About Our Tin Shop.

Fully equipped with the most modern tools. We do all kinds of tin work. Eave troughing a specialty. We go into the country. All work entrusted to us will receive prompt attention. All work guaranteed.

## Riding and Walking Cultivator.

Compound lifting springs, the newest and best inventions. Iron beams. Steel wheels. Nothing better.

## U Bar Lever Harrow.

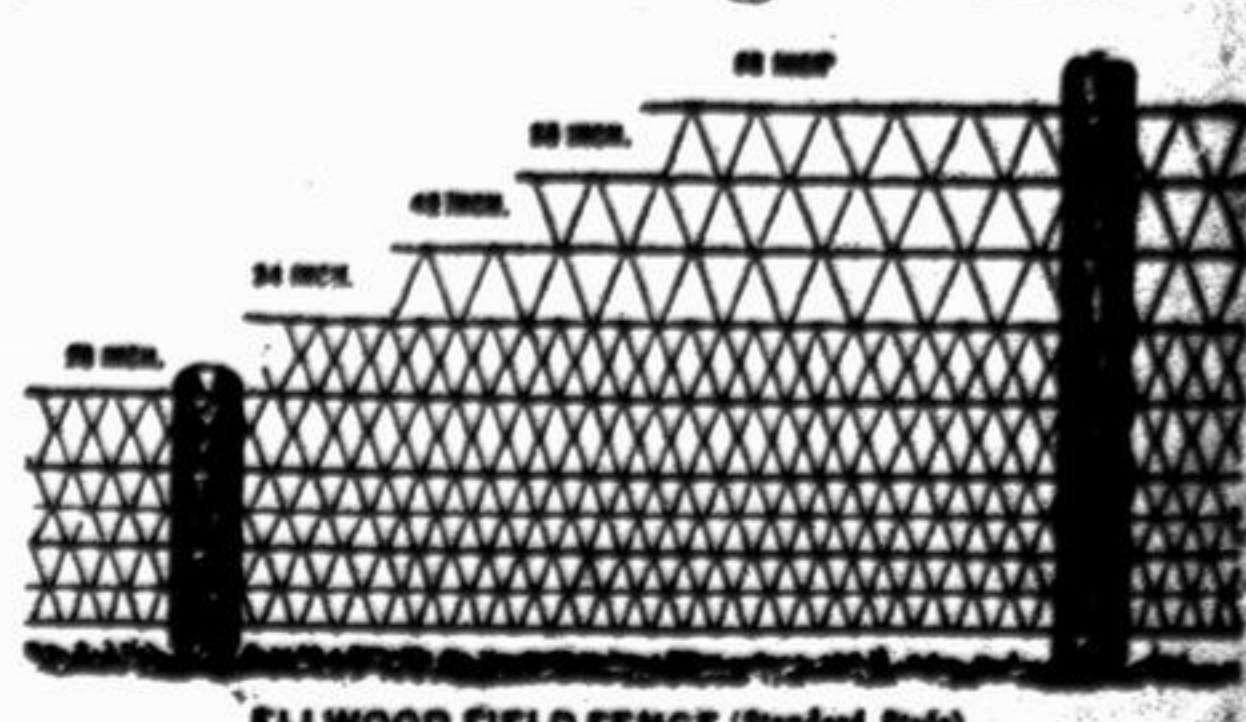

Adjustable Harrow, 2 sections, 64 1/2 in. steel with 4 bars. It is very easy to handle.

## The Newton and Fish Wagons

These Wagons need no introduction. Material in the construction of these wagons is the very best. Fully Guaranteed.

## Farm, Field and Hog Fence.

Made in six heights. Constructed to meet all requirements; heavily galvanized. We know of no better fence.

ELLWOOD FIELD FENCE (Standard Style)

## Poultry Netting.

## Sewing Machines.

The best known Wheeler & Wilson. Shows faster than any other. Shows better than any other. Shows better than any other.

## Milk Cans.

New Elgin cans heavily loaded with solder. Guaranteed by us.
