RECONSIDERED.

A Topeka man lost a small opal set out of his ring and went to the jeweler to have it replaced. Returning home he found the lost set and, putting it in his mouth for safe keeping, burried back to the jeweler's to have that set used instead of the new opal. Rushing into the store he said: "Say, Iv'e found the old set, so don't use that new one." He attempted to remove the stone from his mouth, gave a gulp, looked sheepish, and said: "I guess you'll have to use the new stone." That man needed a bottle of Dr. Caldwell's Syrup Pepsin. Swamp-Root at Work it

His Laboratory. There is a disease prevailing in this country most dangerous because so decep-tive. Many sudden deaths are caused by it-heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, or the kidneys themselves break down and waste away cell by cell. Then the richness of the blood—the albumen -leaks out and the sufferer has Bright's Disease, the worst form of kidney trouble. Dr. Kilmer's Swamp-Root the new discovery is the true specific for kidney, bladder and urinary troubles. It has cured thousands of apparently hopeless cases, after all other eliorts have failed. At druggists in fifty-cent and dollar sizes. A sample bottle sent free by mail, also a book telling about Swamp-Root and its wonderful cures. Address Dr. Kilmer & Co., Binghamton, N. Y. and
