A GREAT NEWSPAPER.

It has always been claimed for The Chicago Tribune that it would, in all probability, pass with the highest average in any competitive examination among the newspapers of the United States for excellence in all departments of journalism.

Under date of May 2, 1900, the Chicago Tribune was editorially awarded a letter from "Inquirer" which was the highest of the five best newspapers in this country, points out that a newspaper may excel in one way and be inferior in another. The Tribune gives lists under "General Rankings" of leading newspapers distinguished for excellence in all departments of journalism.

THE FOLLOWING ARE THE HEADINGS:

- Most and best news, foreign and domestic, presented attractively.
- Best possible presentation of news briefly.
- Neatness of appearance.
- Classification of news by departments.
- Neatness of printing.
- The Chicago Tribune is the only newspaper in the United States which the World-Herald considers worthy of mention under the heading "Best News."
- From the October Plain Dealer.

Practically all high-class intelligent newspaper readers, comprising the best of the classes in Chicago and throughout the Chicago Tribune, are in the majority of them read no other newspaper.

The Chicago Tribune prints more news in a year than any other newspaper in the West.

HAVING A GREAT RUN.

Manager Martin of the Pierson drug store informs us that he is having a great run on Chamberlain's Cough Remedy. He sells five bottles of that medicine to one of any other kind, and it gives great satisfaction. In these days of lagrippe there is nothing like Chamberlain's Cough Remedy to stop the cough, heal up the sore throat and lungs and give relief within a very short time. The sales are growing, and all who try it are pleased with its prompt action.—South Chicago Daily Calumet. For sale by Bush & Simonson.

RECONSIDERED.

A Topeka man lost a small opal set out of his ring and went to the jeweler to have it replaced. Returning home he found the lost set and, putting it in his mouth for safe keeping, hurried back to the jeweler's to have that set used instead of the new opal. Rushing into the store he said: "Say, I've found the old set, so don't use that new one." He attempted to remove the stone from his mouth, gave a gulp, looked sheepish, and said: "I guess you'll have to use the new stone." That man needed a bottle of Dr. Caldwell's Syrup Pepsin. Sold by Bush & Simonson.

UNPARALLELED OFFER.

All our farmer readers should take advantage of the unprecedented clubbing offer we make this year, which includes with this paper, the Iowa Homestead, its Special Farmers' Institute editions, the Poultry Farmer and the Farmers' Mutual Insurance Journal. These four publications are the best of their class and should be in every farm house. To them we add for local county and general news our own paper and the Chicago weekly Inter Ocean and make the price for the six for one year \$2.25. Never before was so much superior reading matter offered for so small an amount of money. The five papers named which we club with our own are well known throughout the west and command themselves to the readers favorable attention upon mere mention. The Homestead is the great agricultural and live stock paper of the west; the Poultry farmer is the most practical poultry paper for the farmer published in the country; the Farmers' Mutual Insurance Journal is the special advocate of farmers' co-operative associations and the special Farmers' Institute editions are the most practical publications for the promotion of good farming ever published. Take advantage of this great offer.

"Obstinate"

Becky Jones,
of Ballston Spa, N. Y., received the above title because she would not testify in the celebrated Hammersly will case several years ago, and consequently was confined in the Ludlow street jail by the irate judge. She says in a letter recently received:

"When I was released from prison my health was broken down. My nervous system could not recover from the strain. For ten years life was a burden. Good physicians did me no good. I used Dr. Miles' Nerve and Tonic and today I am entirely well."

The Eminent Kidney and Bladder Specialist.

The Discoverer of Swamp-Root at Work in His Laboratory.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, or the kidneys themselves break down and waste away cell by cell. Then the richness of the blood—the albumen—leaks out and the sufferer has Bright's Disease, the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root the new discovery is the true specific for kidney, bladder and urinary troubles. It has cured thousands of apparently hopeless cases, after all other efforts have failed. At druggists in fifty-cent and dollar sizes. A sample bottle sent free by mail, also a book telling about Swamp-Root and its wonderful cures. Address Dr. Kilmer & Co., Binghamton, N. Y. and mention this paper.
