A Topeka man lost a small opal set out of his ring and went to the jeweler to have it replaced. Returning home he found the lost set and, putting it in his mouth for safe keeping, hurried back to the jeweler's to have that set used instead of the new opal. "Obstinate"

Becky Jones, of Ballston Spa, N. Y., received the above title because she would not testify in the celebrated Hammersly will case several

years ago, and consequently was confined in the Ludlow street jail by the trate judge.

She says in a letter recently received: When I was released from prison my health was broken down. My nervous system could not recover from the strain. For ten years life was a burden. Good physicians did me no good. I used Dr. Miles' Nervine and Tonic and today I am entirely well.

The Eminent Kidney and Bladder Specialist.

Swamp-Root at Work in

Ris Laboratory. There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, or the kidneys themselves break down and waste away cell by cell. Then the richness of the blood—the albumen -leaks out and the sufferer has Bright's

Disease, the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root the new discovery is the true specific for kidney, bladder and urinary troubles. It has cured thousands of apparently hopeless cases, after all other efforts have failed. At druggists in fifty-cent and dollar sizes. A sample bottle sent free by mail, also a book telling about Swamp-Root and its wonderful cures. Address Dr. Kilmer & Co., Binghamton, N.
