C. S. Hughes & Co. Paint It! It Pays! Paint the house. If your permanent home, paint it to prevent decay, that PAYS. If you wish to sell it, paint it to secure a better price (paint will do that) and that PAYS. Paint the barn, paint the fence, that PAYS. and for the same reasons. Paint the chairs, the tables, the wheelbarrow, the cart, the flower-stand, the book-rack, because it PAYS; they will look so much better. How many things there are that need paint. Paint them with the best paint; that PAYS. There is a LOT OF SUNSHINE in every pot of the SHERWIN-WILLIAMS PAINT, and sunshine in the home PAYS best of all. All paint may be divided into four classes—the Best, the "Just as Good," the Bad, and the Worst. The Best has this name on the label:— The Sherwin-Williams Co. IT'S IN THE AIR. Everybody knows about S.W.P. Its success is in the air. It gains fame for itself with every gallon that's spread on a house. Uniform good quality has given it a popularity greater than any other paint on the market. When you want to paint a building, inside or outside THE SHERWIN-WILLIAMS PAINT will do it better and more economically than any other. It will wear longer, look better and cover more surface. It's a paint with a reputation founded on merit. Ask us for color cards. The reason why a brightly painted house can be rented quicker than a dingy and cracked one is self-evident. Put paint on your house and you will put tenants in it. Red Seal of St. Louis & WHITE LEADS Carter's strictly pure. Fearless White Lead, Boiled and Raw Oil—guaranteed by us to be strictly pure.
