TO THE REPORTER READERS.

Williams, who has been connected with paigu. the paper for the past five years, retires from the firm of White & Williams, and the business will be continued by Hugh M. White. The policy of the paper will remain the same as hitherto, and there will be no change in the management. The change is made simply to better both parties concerned. Mr. Williams believes wider field may be found in the west, while Mr. White is satisfied with the ordered on Maple avenue. present outlook in Downers Grove as a field for a successful newspaper.

During the past five years the pub-Hishers of the REPORTER have had considerable adversity to contend with, but, thanks to the liberal patronage extended by its friends, has been enabled to become thoroughly established and placed on a money-making basis, while at the same time they have given their readers the best local paper ever published here. It is the Intention of the new management to publish a better paper, not withstanding the fact that it will be seriously handlenpped by the withdrawal of Mr. Williams from the firm, than whom there is no better equipped or all-around newspaper man and printer in the state of Illinois, and with whom the writer hall been associated at school and in a business way for the past eighteen years.

The business of the paper will be con ducted on business principles, and it is the intention, so far an practicable, to inis on the cash basis. The new management will start out without a dollar of institedness, and by insisting on the cush will be enabled to continue meeting all bills promptly. In this connection it desired to state that there are several Augry was the village mayor augry, too, the hundred doffars on the books of the Rr-PURTUR, and immediate payment is carnestly requested.

A country newspaper conducted on a cash basis is somewhat unusual. Ordinorty the publisher is the last person to receive his due, and oftentimes this causes him also to be delinquent in meeting his obligations Naturally his business sufbers. However, this paper will try the agatem. If, after a fair trial, it mores inadequate, the Downers GROVE REPORTER will be for sale to the highest

First and foremost, this paper will be solendid article for 50 cents. published in the interest of yours truly and not as a charitable institution. Downers Grove and Du Page county (which are some of the garden spots of the world) and their institutions will be boomed in season and out of season. Downers Grove had a past and must have a future, if too many of its citizens are not of the Rip Van Winkle type. The REPORTER will boom Improvements, and doubtless make enemies in doing so, but the enemies will he of the obstructionists to progression type, Hughes'. and they will be dead and buried long before the inevitable march of progress ceases in Downers Grove.

Politically, the paper remains the same se formerly, republican, and so from principle. With these few words we invite your continued patronage and the pleasant relations of the past, promising a faithful adherence to the above outlined policy. HUGH M. WHITE

The nomination of Richard Yates for maternor of Illinois by the republicans of his state is a signal victory for the younger isment in the party who have been clamoring for cleaner methods and practicesa breaking away from "Tannerism" and he work of a "machine" that has been adly managed. The nominee is a coung and about forty years of age He ened the contest as the champion of no on or locality, but ran as a republican won on his merits. Judge Yates is se son of the old war governor of Illinois. le is a brillians lawyer, an eloquent orar and an honest and fearless man. The publicans can give their candidate their thuslastic support, and in his election se people of this great state will have an

The treasury of the village of Downers Grove was enriched \$1,000 during the past week from the granting of two licenses to deliver beer in gation tota. Still ithere are some who contend that the former condition, when the beverage was sold in any quantity without a license, is better than the present system. The sale of beer is much better regulated now than in the past dozen years-when it was sold regardless of its prohibition.

Within a few days Assessor Rogers wil stop receiving personal property schedules. His books must be returned to the county treasurer June 1st. The person who refuses or fails to file a schedule of his per sonal property will be subject to a penalty of 50 per cent. over the amount. Walk up or pay for your negligence.

Downers Grove never looked more ideal spot for a residence it has no equal. With its natural advantages and the improvements that will come it will be unsurpassed anywhere.

A new trustee to fill the vacancy caused by the resignation of M. K. Bush is to be chosen. Here's an opportunity for some ambitious statesman who may have been With this issue of the REPORTER A. F. overlooked at the last municipal cam-
