"My gratitude for the benefit received from Dr. Miles' Nervine prompts me to write, that others may learn of the efficacy of this grand medicine. I began taking Dr. Miles' Nervine and steadily improved and now am enjoying good health."

**The Eminent Kidney and Bladder Specialist.**

The Discoverer of Swamp-Root at Work in His Laboratory.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, or the kidneys themselves break down and waste away cell by cell. Then the richness of the blood—the albumen—leaks out and the sufferer has Bright's Disease, the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root the new discovery is the true specific for kidney, bladder and urinary troubles. It has cured thousands of apparently hopeless cases, after all other efforts have failed. At druggists in fifty-cent and dollar sizes. A sample bottle sent free by mail, also a book telling about Swamp-Root and its wonderful cures. Address: Dr. Kilmer & Co., Binghamton, N. Y. and mention this paper.

**A FIENDISH ATTACK.**

An attack was lately made on C. F. Collier, of Cherokee, Iowa, that nearly proved fatal. It came through his kidneys. His back got so lame he could not stoop without great pain, nor sit in a chair except propped by cushions. No remedy helped him until he tried Electric Bitters, which effected such a wonderful change that he writes he feels like a new man. This marvellous medicine cures backache and kidney trouble, purifies the blood and builds up your health. Only 50c at Bush & Simonson's Drug Store.

**RECONSIDERED.**

A Topeka man lost a small opal set out of his ring and went to the jeweler to have it replaced. Returning home he found the lost set and, putting it in his mouth for safe keeping, hurried back to the jeweler's to have that set used instead of the new opal. Rushing into the store he said: "Say, I've found the old set, so don't use that new one." He attempted to remove the stone from his mouth, gave a gulp, looked sheepish, and said: "I guess you'll have to use the new stone." That man needed a bottle of Dr. Caldwell's Syrup Pepsin. Sold by Bush & Simonson.

**A GREAT NEWSPAPER.**

It has always been claimed for The Chicago Tribune that it would, in all probability, pass with the highest average in any competitive examination among the newspapers of the United States for excellence in all departments of Journalism.

Under date of May 9, 1900, the Chicago World-Herald, editorially answering a letter from "Inquirer" published the names of the five best newspapers in this country, pointing out that a newspaper may excel in one way and be inferior in another. The World-Herald gives the order of merit as follows: Chicago Tribune, New York Times, Washington Post, Boston Herald, and the London Times.

The following are the headings:

- 1. Most and best news service and domestic presentation attractively.
- 2. Best possible presentation of news briefly.
- 3. Typographical appearance.
- 4. Presentation of news by departments.
- 5. The Chicago Tribune is the only newspaper in the United States which has the World-Herald's commendation of merit under four different heads. "From the October 1900 issue."

Practically all high-class intelligent newspaper readers, comprising the best and middle classes in Chicago and vicinity read The Chicago Tribune. A great majority of these read no other morning newspaper.

The Chicago Tribune prints more advertising per inch and year out than any newspaper in the West.
