 J. W. Worley had a surgical operation performed in a Chicago hospital last week to remove a needle from the palm of his hand. The head of a needle, with a short piece of thread attached, was driven into his hand about two months ago, the point breaking off, leaving the head and a piece nearly an inch long buried in the flesh. This was removed last week, a deep cut near the base of the thumb being necessary to get the needle.
 A picked nine from Downers Grove went over to Lisle the first of the week, according to previous arrangements, to play the local club there, but to their astonishment they found that they were up against a bunch of slugging Glen Ellenites. A seven-inning game was played, however, which resulted disastrously for our boys, the score being 21 to 16. Wimmer pitched and Pray caught for Downers, while Brown and Baker composed the battery for the opposing club. During the game Pray was struck on the end of the thumb by the ball and now carries that member in a sling.
